4
5 SECTION 7. EMERGENCY CLAUSE. It is found and determined by the
6 General Assembly of the State of Arkansas that student transfers from public
7 schools greatly impact public school budgets; that student transfers from
8 public schools also impact public schools' abilities to appropriately plan
9 for the upcoming school year, including ensuring staffing needs are met; that
10 if public schools face unexpected student transfers in large numbers, it will
11 be increasingly difficult for the public schools to appropriately plan and
12 accommodate student needs for the upcoming school year; that both schools and
13 students need time to determine participation in and eligibility for
14 extracurricular activities, particularly for athletic activities; and that
15 this act is immediately necessary to give students time to assess school
16 choice options and select the school that best fits their needs while also
17 providing public schools with enough time to appropriately plan and budget
18 for the upcoming school year. Therefore, an emergency is declared to exist,
19 and this act being immediately necessary for the preservation of the public
20 peace, health, and safety shall become effective on:

21 (1) The date of its approval by the Governor;

22 (2) If the bill is neither approved nor vetoed by the Governor,
23 the expiration of the period of time during which the Governor may veto the
24 bill; or

25 (3) If the bill is vetoed by the Governor and the veto is
26 overridden, the date the last house overrides the veto.
