25

26 SECTION 1. DO NOT CODIFY. TEMPORARY LANGUAGE. Legislative intent.

27 The General Assembly finds that:

28 (1) The United States Bureau of the Census is required by the
29 United States Constitution to conduct a federal decennial census;

30 (2) The federal decennial census provides a historic opportunity
31 to help shape the foundation of our society and plays an active role in
32 American democracy;

33 (3) An accurate federal decennial census is essential for the
34 redistricting of state legislative and congressional district boundaries;

35 (4) Important federal and state appropriation decisions are made
36 based in part on federal decennial census data;

1 (5) Accurate federal decennial census information is critical to
2 planning for the growth, development, and social needs of Arkansas;

3 (6) The United States Bureau of the Census announced in 2022
4 that Arkansas had the highest undercount rate of the 2020 Federal Decennial
5 Census at five and four hundredths percent (5.04%);

6 (7) Arkansas was one (1) of six (6) states considered by the
7 United States Bureau of the Census to have a statistically significant
8 undercount during the 2020 Federal Decennial Census;

9 (8) Over three hundred (300) federal programs rely on federal
10 decennial census data to allocate funds;

11 (9) The George Washington Institute of Public Policy estimates
12 that fifty-five (55) large federal spending programs allocated nearly ten
13 billion dollars (\$10,000,000,000) to Arkansas in the fiscal year 2016 based
14 on data derived from the 2010 Federal Decennial Census;

15 (10) Arkansas is estimated to lose five billion two hundred
16 fifty million dollars (\$5,250,000,000) in federal funds by the end of the
17 2030 because of the 2020 Federal Decennial Census undercount rate;

18 (11) The 2020 Federal Decennial Census undercount rate of
19 children in Arkansas between the ages of zero (0) and four (4) was five and
20 fourteen hundredths percent (5.14%); and

21 (12) An undercount of young children results in fewer federal
22 funds allocated to Arkansas programs important to young children such as the
23 Special Supplemental Nutrition Program for Women, Infants, and Children
24 (WIC).

25
