20 ~~Chapter 98 — Registration of Disease Intervention Specialists~~

21  
22 ~~Subchapter 1 — General Provisions~~

23  
24 ~~17-98-101. Purpose.~~

25 ~~Since the profession of disease intervention specialist significantly~~  
26 ~~affects the lives of the people of this state, it is the purpose of this~~  
27 ~~chapter to protect the public by setting standards of qualification,~~  
28 ~~training, and experience for those who seek to represent themselves to the~~  
29 ~~public as disease intervention specialists and by promoting high standards of~~  
30 ~~professional performance for those engaged in the practice of disease~~  
31 ~~intervention.~~  
32

33 ~~17-98-102. Restriction of registry.~~

34 ~~It is the intent of the General Assembly to restrict registry to those~~  
35 ~~individuals who are qualified under this chapter to be disease intervention~~  
36 ~~specialists. It is not the intent of the General Assembly to register~~

1 ~~persons, such as state employees, in the job classification of disease~~  
2 ~~intervention specialist.~~

3  
4 ~~17-98-103. Definitions.~~

5 ~~As used in this chapter:~~

6 ~~(1) "Associate disease intervention specialist" means a person~~  
7 ~~who meets the educational and specialized training requirements of this~~  
8 ~~chapter, but does not meet the experience requirements established for a~~  
9 ~~registered disease intervention specialist;~~

10 ~~(2) "Continuing education unit" means value given for~~  
11 ~~participation in organized continuing education experience under reasonable~~  
12 ~~sponsorship, capable direction, and qualified instruction approved by the~~  
13 ~~State Board of Health;~~

14 ~~(3) "Disease intervention" means activities used to prevent~~  
15 ~~disease transmission by ensuring that those people who have a sexually~~  
16 ~~transmitted disease and those who have been exposed to a sexually transmitted~~  
17 ~~disease are promptly located, examined, and adequately treated before any~~  
18 ~~signs or symptoms of a disease appear or before any laboratory evidence of a~~  
19 ~~disease is demonstrable or before an infected person would have sought~~  
20 ~~treatment voluntarily;~~

21 ~~(4) "Disease intervention specialist in training" means a person~~  
22 ~~who meets the educational requirements of this chapter, but does not meet the~~  
23 ~~specialized training requirements established for an associate disease~~  
24 ~~intervention specialist; and~~

25 ~~(5) "Registered disease intervention specialist" means a trained~~  
26 ~~healthcare professional meeting the educational, specialized training, and~~  
27 ~~experience requirements of this chapter who practices sexually transmitted~~

29 ~~having a sexually transmitted disease.~~

34 ~~professionals, such as physicians, nurses, psychologists, and counselors,~~  
35 ~~from doing work within the standards and ethics of their respective~~  
36 ~~professions, provided that they do not hold themselves out to the public by~~

1 ~~any title or description of services as a disease intervention specialist.~~

2 ~~(b) Nothing in this chapter shall be construed to limit the employment~~  
3 ~~by healthcare facilities of persons who commonly perform services within the~~

6 ~~facilities and they do not hold themselves out to the public by any title or~~  
7 ~~description of services as disease intervention specialists. This chapter~~  
8 ~~does not require an employee of a healthcare facility to be registered as a~~  
9 ~~disease intervention specialist as a condition of employment.~~

10 ~~(c) Nothing in this chapter shall be construed as limiting the~~  
11 ~~activities of a student or other person preparing for the profession of~~
