4	(d) If the commissioner sets a hearing, the commissioner shall conduct
5	a public hearing and as many prehearing conferences and opportunities for
6	discovery as the commissioner considers advisable and consistent with
7	applicable law and rules.
8	(e) Based on the record of any hearing conducted pursuant to
9	subsection (d) of this section, the commissioner shall determine whether all
10	of the necessary conditions set forth in § 23-51-106(b) have been established
11	and shall enter an order granting or denying the charter. The commissioner
12	may make approval of any application conditional and shall include any
13	conditions in the order granting the charter.
14	
15	<del>23-51-109. Issuance of charter.</del>
16	(a) A state trust company may not engage in the trust business until
17	it receives its charter from the Bank Commissioner. The commissioner may not
18	deliver the charter until the state trust company has:
19	(1) Elected or qualified the initial officers and directors
20	named in the application for charter or other officers and directors approved
21	by the commissioner; and
22	(2) Complied with all other requirements of this chapter
23	relative to the organization of a state trust company.
24	(b) If a state trust company does not open and engage in the trust
25	business within six (6) months after the date it receives its charter or
26	conditional approval of application for charter, or within such further
27	period as such period may be extended, the commissioner shall revoke the
28	charter or cancel the conditional approval of application for charter without
29	judicial action.
30	
31	23-51-110. Required capital.
32	(a) The Bank Commissioner may not issue a charter to a state trust
33	company having required capital of less than one million dollars
34	(\$1,000,000), except as provided in subsection (b) of this section.
35	(b) The commissioner may require additional capital for a proposed or
36	existing state trust company or, on application in the exercise of discretion

SB230

1	consistent with protecting safety and soundness, reduce the amount of minimum
2	capital required for a proposed or existing state trust company, if the
3	commissioner finds the condition and operations of an existing state trust
4	company or the proposed scope or type of operations of a proposed state trust
5	company requires additional, or permits reduced, capital consistent with the
6	safety and soundness of the state trust company. The safety and soundness
7	factors to be considered by the commissioner in the exercise of such
8	discretion include but are not limited to,
9	(1) The nature and type of business conducted;
10	(2) The nature and degree of liquidity in assets held in a
11	corporate capacity;
12	(3) The amount of fiduciary assets under management;
13	(4) The type of fiduciary assets held and the depository of the
14	assets;
15	(5) The complexity of fiduciary duties and degree of discretion
16	undertaken;
17	(6) The competence and experience of management;
18	(7) The extent and adequacy of internal controls;
19	(8) The presence or absence of annual unqualified audits by an
20	independent certified public accountant;
21	(9) The reasonableness of business plans for retaining or
22	acquiring additional capital; and
23	(10) The existence and adequacy of insurance obtained or held by
24	the trust company for the purpose of protecting its clients, beneficiaries
25	and grantors.
26	(c) The proposed effective date of an order requiring an existing
27	state trust company to increase its capital must be stated in the order as no
28	sooner than twenty (20) days after the date the proposed order is mailed or
29	delivered. Unless the state trust company requests a hearing before the
30	commissioner in writing before the effective date of the proposed order, the
31	order becomes effective and is final and nonappealable. This subsection does
32	not prohibit an application to reduce capital requirements of a proposed or
33	an existing state trust company under subsection (b) of this section.
34	(d) Subject to subsection (b) of this section and § 23-51-118, a state
35	trust company to which the commissioner issues a charter shall at all times
36	maintain capital in at least the amount required under subsection (a) of this

17

1	section, plus any additional amount or less any reduction the commissioner
2	directs under subsection (b) of this section.
3	
4	23-51-111. Application of laws relating to general business
5	corporations.
6	(a) The Arkansas Business Corporation Act of 1987, § 4-27-101 et seq.,
7	applies to a trust company to the extent not inconsistent with this chapter
8	or the proper business of a trust company, except that any reference to the
9	Secretary of State means the Bank Commissioner unless the context requires
10	otherwise.
11	(b) Unless expressly authorized by this chapter or a rule of the
12	commissioner, a trust company may not take an action authorized by the
13	Arkansas Business Corporation Act of 1987, § 4-27-101 et seq., regarding its
14	corporate status, capital structure, or a matter of corporate governance, of
15	the type for which the Arkansas Business Corporation Act of 1987, § 4-27-101
16	et seq., would require a filing with the Secretary of State if the trust
17	company were a business corporation, without first submitting the filing to
18	the commissioner for the same purposes for which it otherwise would be
19	required to be submitted to the Secretary of State and compliance with the
20	applicable provisions of this chapter.
21	(c) The commissioner may adopt rules to limit or refine the
22	applicability of subsection (a) of this section to a trust company or to
23	alter or supplement the procedures and requirements of the Arkansas Business
24	Corporation Act of 1987, § 4-27-101 et seq., applicable to an action taken
25	under this chapter.
26	
27	<del>23-51-112. Commissioner hearings – Appeals.</del>
28	(a) This section does not grant a right to a hearing to a person that
29	is not otherwise granted by governing law. A hearing before the Bank
30	Commissioner that is required or authorized by law may be conducted by a
31	hearing officer on behalf of the commissioner. A matter made confidential by
32	law must be considered by the commissioner in a closed hearing.
33	(b) The commissioner may convene a hearing to receive evidence and
34	argument regarding any matter before the commissioner for decision or review
35	under this chapter.
36	(c) No person shall appear in opposition to the application unless the

SB230

1	person shall have filed a written protest pursuant to § 23-51-108 and paid
2	the applicable fee.
3	(d) At the hearing all organizers of the proposed state trust company
4	and any person making a timely written protest against the application may
5	appear. The attorneys for any such person may appear and be heard.
6	(e) The commissioner may subpoena witnesses on his or her own motion
7	or on the request of any party to the proceedings.
8	(f) The admission of evidence at the hearing shall be controlled by §
9	25-15-213. The parties shall have the right to cross-examine witnesses.
10	Official notice may be taken of judicially cognizable facts and of generally
11	recognized technical or scientific facts within the commissioner's
12	specialized knowledge. The parties may bind themselves by stipulation.
13	(g) The organizers shall be responsible for procuring and paying for a
14	verbatim record of the proceeding. It will be the duty of the organizers to
15	furnish at least one (1) copy of the transcript to the commissioner free of
16	charge.
17	(h) The commissioner shall render his or her decision in writing, at
18	or after a hearing, which decision shall include the commissioner's findings
19	of fact and conclusions of law.
20	(i)(l) The time for filing a petition for judicial review under the
21	Arkansas Administrative Procedure Act, § 25-15-201 et seq., shall run from
22	the date the final decision of the commissioner is mailed or delivered, in
23	written form, to the parties desiring to appeal.
24	(2) The hearing of such a petition for review will be advanced
25	on the docket of each reviewing court as a matter of public interest.

27	23-51-113. Trust companies chartered under prior law.
28	The charter of a corporation which was previously a trust company
29	incorporated under any laws of this state prior to the adoption of the
30	Arkansas Banking Code of 1997 may be converted to a state trust company under
31	this chapter, if the charter, or evidence satisfactory to the Bank
32	Commissioner that the corporation is still in existence and in good standing,
33	is presented to the State Bank Department within six (6) months of enactment
34	of this chapter for substitution of a charter issued under this chapter.

4	unissued shares in one or more classes or series.
5	(b) An amendment authorizing the issuance of shares in series must
6	<del>contain:</del>
7	(1) The designation of each series and of any variations in the
8	preferences, limitations, and relative rights among series to the extent that
9	the preferences, limitations, and relative rights are to be established in
10	the articles of association; and

19	adopted under this chapter. The original and one (1) copy of the articles of
20	amendment or restated articles of association must be filed with the Bank
21	Commissioner for approval. Unless the submission presents novel or unusual
22	questions, the commissioner shall approve or reject the amendment or
23	restatement within thirty (30) days after the date the commissioner considers
24	the submission informationally complete and accepted for filing. The
25	commissioner may require the submission of additional information as
26	considered necessary to an informed decision to approve or reject any
27	amendment or restatement or articles of association under this section.
28	(d) If the commissioner finds that the amendment or restatement
29	conforms to law and any conditions imposed by the commissioner, and any
30	required filing fee has been paid, the commissioner shall:

5	23-51-115. Establishing a series of shares.
6	(a) If the articles of association expressly give the board authority
7	to establish series and determine the preferences, limitations, and relative
8	rights of each series of shares, the board may do so only on compliance with
9	this section and any rules adopted under this chapter.
10	(b) A series of shares may be established in the manner provided by
11	the provisions of the Arkansas Business Corporation Act of 1987, § 4-27-101
12	et seq., as if the state trust company were a domestic corporation, but the
13	shares of the series may not be issued and sold except upon compliance with
14	this section. The state trust company shall file the original and one copy of
15	the articles of amendment required by the Arkansas Business Corporation Act
16	of 1987, § 4-27-101 et seq., with the Bank Commissioner. Unless the
17	submission presents novel or unusual questions, the commissioner shall
18	approve or reject the series within thirty (30) days after the date the
19	commissioner considers the submission informationally complete and accepted
20	for filing. The commissioner may require the submission of additional
21	information as considered necessary to an informed decision.
22	(c) If the commissioner finds that the interests of the clients and
23	<del>creditors of the state trust company will not be adversely affected by the</del>
24	series, that the series otherwise conforms to law and any conditions imposed
25	by the commissioner, and that any required filing fee has been paid, the

SB230

1	without the prior approval of the Bank Commissioner, except as permitted by
2	this section or rules adopted under this chapter.
3	(b) Unless otherwise restricted by rules, prior approval is not
4	required for an increase in capital accomplished through:
5	(1) Issuance of shares of common stock for cash;
6	(2) Declaration and payment of pro rata share dividends as
7	defined in the Arkansas Business Corporation Act of 1987, § 4-27-101 et seq.;
8	<del>or</del>
9	(3) Adoption by the board of a resolution directing that all or
10	part of undivided profits be transferred to capital.
11	(c) Prior approval is not required for a decrease in surplus caused by
12	incurred losses in excess of undivided profits.
13	
14	23-51-117. Capital notes or debentures.
15	(a) With the prior written approval of the Bank Commissioner, any
16	state trust company may, at any time, through action of its board, and
17	without requiring action of its shareholders, issue and sell its capital
18	notes or debentures, which must be subordinate to the claims of depositors
19	and may be subordinate to other claims, including the claims of other
20	ereditors or classes of creditors or the shareholders.
21	(b) Capital notes or debentures may be convertible into shares of any
22	class or series. The issuance and sale of convertible capital notes or
23	debentures are subject to satisfaction of preemptive rights, if any, to the
24	extent provided by law.
25	(c) Without the prior written approval of the commissioner, interest
26	due or principal repayable on outstanding capital notes or debentures may not
27	be paid by a state trust company when the state trust company is in hazardous
28	condition or insolvent, as determined by the commissioner, or to the extent
29	that payment will cause the state trust company to be in hazardous condition
30	or insolvent.
31	(d) The amount of any outstanding capital notes or debentures that
32	meet the requirements of this section and are subordinated to unsecured
33	creditors of the state trust company may be included in equity capital of the
34	state trust company for purposes of determining hazardous condition or
35	insolvency, and for such other purposes as may be provided by rules adopted
36	under this chapter.

2	23-51-118. Private trust company.
3	(a) A private trust company engaging in the trust business in this
4	state shall comply with each and every provision of this chapter applicable
5	to a trust company unless expressly exempted therefrom in writing by the Bank
6	Commissioner pursuant to this section or by rule adopted by the commissioner.
7	(b) A private trust company or proposed private trust company may
8	request in writing that it be exempted from specified provisions of §§ 23-51-
9	105(11), 23-51-106(b), 23-51-107, 23-51-110(a), 23-51-122, 23-51-126(b), (c),
10	and (d), 23-51-127, and 23-51-128. The commissioner may grant the exemption
11	in whole or in part if the commissioner finds that the private trust company
12	does not and will not transact business with the general public. For purposes
13	of this section:
14	(1) "Transact business with the general public" means any sales,
15	solicitations, arrangements, agreements, or transactions to provide trust or
16	other business services, whether or not for a fee, commission, or any other
17	type of remuneration, with any client that is not a family member or a sole
18	proprietorship, partnership, joint venture, association, trust, estate,
19	business trust, or other company that is not one hundred percent (100%) owned
20	by one or more family members;
21	(2) "Family member" means any individual who is related within
22	the fourth degree of affinity or consanguinity to an individual or

26	(3) All individuals who control a private trust company or
27	establish trusts or charitable organizations controlling the private trust
28	company must be related within the second degree of affinity or
29	consanguinity.
30	(c) At the expense of the private trust company, the commissioner may
31	examine or investigate the private trust company in connection with an
32	application for exemption. Unless the application presents novel or unusual
33	questions, the commissioner shall approve the application for exemption or
34	set the application for hearing not later than sixty (60) days after the date
25	
35	the commissioner considers the application complete and accepted for filing.

1	considered necessary to an informed decision.
2	(d) Any exemption granted under this section may be made subject to
3	conditions or limitations imposed by the commissioner consistent with this
4	<del>chapter.</del>
5	(e) The commissioner may adopt rules defining other circumstances that
6	do not constitute transaction of business with the public, specifying the
7	provisions of this chapter that are subject to an exemption request, and
8	establishing procedures and requirements for obtaining, maintaining, or
9	revoking exempt status.
10	
11	23-51-119. Requirements for a private trust company.
12	(a) Application.
13	(1) A private trust company requesting an exemption from the
14	provisions of this chapter pursuant to § 23-51-118 shall file an application
15	with the Bank Commissioner containing the following:
16	(A) A non-refundable application fee on an amount not less
17	than three thousand dollars (\$3,000) nor more than five thousand dollars
18	(\$5,000), as set by rules issued by the commissioner;
19	(B) A detailed statement under oath showing the private
20	trust company's assets and liabilities as of the end of the month previous to
21	the filing of the application;
22	(C) A statement under oath of the reason for requesting
23	the exemption;
24	(D) A statement under oath that the private trust company
25	is not currently transacting business with the public and that the company
26	will not conduct business with the public without the prior written
27	permission of the commissioner;
28	(E) The current street mailing address and telephone
29	number of the physical location in this state at which the private trust
30	company will maintain its books and records, together with a statement under
31	oath that the address given is true and correct and is not a United States
32	Postal Service post office box or a private mail box, postal box, or mail
33	drop; and
34	(F) Listing of the specific provisions of the chapter for
35	which the request for exemption is made.
36	(2) The commissioner shall not approve a private trust company

1	exemption unless the application is completed as required in subdivision
2	(a)(1) of this section.
3	(b) Requirements. To maintain status as an exempt private trust
4	company under this chapter, the private trust company shall comply with the
5	following:
6	(1) An exempt private trust company shall not transact business
7	with the public;
8	(2) An exempt private trust company shall file an annual
9	certification that it is maintaining the conditions and limitations of its
10	exempt status. This annual certification shall be filed on a form provided by
11	the commissioner and be accompanied by a fee set by regulations issued by the
12	commissioner. The annual certification shall be filed on or before June 30 of
13	each year. No annual certification shall be valid unless it bears an
14	acknowledgment stamped by the State Bank Department. The department shall
15	have thirty (30) days from the date of receipt to return a copy of the
16	acknowledged annual certification to the private trust company. The burden
17	shall be on the exempt private trust company to notify the department of any
18	failure to return an acknowledged copy of any annual certification within the
19	thirty-day period. The commissioner may examine or investigate the private
20	state trust company periodically as necessary to verify the certification;
21	(3) An exempt private trust company shall comply with the
22	principal office provisions of § 23-51-172 and with the address and telephone
23	requirements of subdivision (a)(1)(E) of this section;
24	(4) The exempt private trust company shall pay all applicable
25	corporate franchise taxes.
26	(c) Change of Control. Control of an exempt private trust company may
27	not be transferred or sold with exempt status. In any change of control, the
28	acquiring control person must comply with the provisions of this chapter and
29	the exempt status of the private trust company shall automatically terminate
30	upon the effective date of the transfer. A separate application for exempt
31	status must be filed if the acquiring person wishes to obtain or continue an
32	exemption pursuant to this section.
33	(d) Authority to Revoke. The commissioner shall have authority to
34	revoke the exempt status of a private trust company in the following
35	circumstances:
36	(1) The exempt private trust company makes a false statement

36

SB230

1 under oath on any document required to be filed by the chapter or by any 2 regulation promulgated by the commissioner; 3 (2) The exempt private trust company fails to submit to an 4 examination as required by § 23-51-184; 5 (3) The exempt private trust company withholds requested 6 information from the commissioner; or (4) The exempt private trust company violates any provision of 7 8 this section applicable to exempt private trust companies. 9 (e) Notification of Revocation of Exemption. If the commissioner 10 determines from examination or other credible evidence that an exempt private 11 trust company has violated any of the requirements of this section, the 12 commissioner may by personal delivery or registered or certified mail, return receipt requested, notify the exempt private trust company in writing that 13 14 the private trust company's exempt status has been revoked. The notification 15 must state grounds for the revocation with reasonable certainty. The notice 16 must state its effective date, which may not be sooner than five (5) calendar 17 days after the date the notification is mailed or delivered. The revocation 18 takes effect for the private trust company if the private trust company does 19 not request a hearing in writing before the effective date. After taking 20 effect the revocation is final and nonappealable as to that private trust 21 company, and the private trust company shall be subject to all of the 22 requirements and provisions of the chapter applicable to non-exempt state 23 trust companies. 24 (f) Compliance Period. A private trust company shall have five (5) calendar days after the revocation is effective to comply with the provisions 25 26 of this chapter from which it was formerly exempt. If, however, the 27 commissioner determines, at the time of revocation, that the private trust 28 company has been engaging in or attempting to engage in acts intended or designed to deceive or defraud the public, the commissioner may shorten or 29 eliminate, in the commissioner's sole discretion, the five (5) calendar days 30 compliance period. 31 32 (g) Remedies for Failure to Comply. If the private trust company does 33 not comply with all of the provisions of this chapter, including such capitalization requirements as have been determined by the commissioner as 34 35 necessary to assure the safety and soundness of the private trust company,

26

within the prescribed time period, the commissioner may:

SB230

1	(1) Institute any action or remedy prescribed by this chapter,
2	or any applicable rule; or
3	(2) Refer the private trust company to the Attorney General for
4	institution of a quo warranto proceeding to revoke the charter.
5	
6	23-51-120. Conversion to public trust company.
7	<del>(a) A private trust company may terminate its status as a private</del>
8	trust company and commence transacting business with the general public. A
9	private trust company desiring to commence transacting business with the
10	general public shall file a notice on a form prescribed by the Bank
11	Commissioner, which shall set forth the name of the private trust company and
12	an acknowledgment that any exemption granted or otherwise applicable to the
13	private trust company pursuant to § 23-51-118 shall cease to apply on the
14	effective date of the notice, furnish a copy of the resolution adopted by the
15	board authorizing the private trust company to commence transacting business
16	with the general public, and pay the filing fee, if any, prescribed by the
17	commissioner.
18	(b) The notificant may commence transacting business with the general
19	public thirty (30) days after the date the commissioner receives the notice,
20	unless the commissioner specifies another date.
21	(c) The thirty-day period of review may be extended by the
22	commissioner on determination that the written notice raises issues that
23	require additional information or additional time for analysis. If the period
24	for review is extended, the notificant may commence transacting business with
25	the public only on prior written approval by the commissioner.
26	(d) The commissioner may deny approval of the notice of the private
27	trust company to commence transacting business with the general public if the
28	commissioner finds that the notificant lacks sufficient financial resources
29	to undertake the proposed expansion without adversely affecting its safety or
30	soundness or that the proposed transacting of business of the general public
31	would be contrary to the public interest or if the commissioner determines
32	that the notificant will not within a reasonable period be in compliance with
33	any provision of this chapter from which the notificant had been previously
34	exempted pursuant to § 23-51-118.

22	investment previously made in good faith; or
23	(3) With the prior written approval of the Bank Commissioner.
24	(b) To the extent reasonably necessary to avoid or minimize loss on
25	real estate acquired as permitted by subsection (a) of this section, a state
26	trust company may exchange real estate for other real estate or personal

2	trust company facility as provided by § 23-51-121(c).
3	(d) The commissioner on application may grant one (1) or more

5	determines that:
6	(1) The state trust company has made a good faith effort to
7	dispose of the real estate; or

1 (1) The excess investment is not prohibited by other applicable 2 law: and 3 (2) The safety and soundness of the requesting state trust 4 company is not adversely affected. 5 (c) A state trust company that intends to acquire, establish, or 6 perform new activities through a subsidiary shall submit a letter to the 7 commissioner describing in detail the proposed activities of the subsidiary. 8 (d) The state trust company may acquire or establish a subsidiary or 9 begin performing new activities in an existing subsidiary thirty (30) days 10 after the date the commissioner receives the state trust company's letter, 11 unless the commissioner specifies another date. The commissioner may extend 12 the thirty-day period of review on a determination that the state trust 13 company's letter raises issues that require additional information or 14 additional time for analysis. If the period of review is extended, the state 15 trust company may acquire or establish the subsidiary, or perform new 16 activities in an existing subsidiary, only on prior written approval of the 17 commissioner. 18 (c) A subsidiary of a state trust company is subject to rule by the 19 commissioner to the extent provided by this chapter or rules adopted under 20 this chapter. In the absence of limiting rules, the commissioner may regulate 21 a subsidiary as if it were a state trust company. 22 23 23-51-126. Mutual funds. 24 (a) A state trust company may invest for its own account in equity securities of an investment company registered under the Investment Company 25 26 Act of 1940, 15 U.S.C. Sec. 80a 1 et seq., and the Securities Act of 1933, 15 27 U.S.C. Sec. 77a et seq., if the portfolio of the investment company consists 28 wholly of investments in which the state trust company could invest directly 29 for its own account. 30 (b) If the portfolio of an investment company described in subsection 31 (a) of this section consists wholly of investments in which the state trust 32 company could invest directly without limitation under § 23-51-123(d), the 33 state trust company may invest in the investment company without limitation. 34 (c) If the portfolio of an investment company described in subsection (a) of this section contains any investment that is subject to the limits of 35 36 § 23-51-123(c), the state trust company may invest in the investment company

2	company's capital base. This provision does not apply to a money market fund.
3	(d) In evaluating investment limits under this chapter, a state trust
4	company may not be required to combine:
5	(1) The state trust company's pro rata share of the securities
6	of an issuer in the portfolio of an investment company with the state trust
7	company's pro rata share of the securities of that issuer held by another
8	investment company in which the state trust company has invested; or
9	(2) The state trust company's own direct investment in the
10	securities of an issuer with the state trust company's pro rata share of the
11	securities of that issuer held by each investment company in which the state
12	trust company has invested under this section.
13	
14	23-51-127. Engaging in commerce prohibited.
15	Except as otherwise provided by this chapter or rules adopted under
16	this chapter, a state trust company may not invest its funds in trade or
17	commerce by buying, selling, or otherwise dealing in goods or by owning or
18	operating a business not part of the state trust business, except as
19	necessary to fulfil a fiduciary obligation to a client.
20	
21	23-51-128. Lending limits.
22	(a) A state trust company's total outstanding loans and extensions of
23	<del>credit to a person other than an insider may not exceed an amount equal to</del>
24	twenty percent (20%) of the state trust company's capital base.
25	(b) The aggregate loans and extensions of credit outstanding at any
26	time to insiders of the state trust company may not exceed an amount equal to
27	twenty percent (20%) of the state trust company's capital base. All covered
28	transactions between an insider and a state trust company must be engaged in
29	only on terms and under circumstances, including credit standards, that are
30	substantially the same as those for comparable transactions with a non-
31	insider.
32	(c) The Bank Commissioner may adopt rules to administer and carry out
33	this section, including rules to establish limits, requirements, or
34	exemptions other than those specified by this section for particular classes
35	or categories of loans or extensions of credit, and establish collective

(d) The commissioner may determine whether a loan or extension of
 credit putatively made to a person will be attributed to another person for
 purposes of this section.

4 (e) A state trust company may not lend trust deposits, except that a
5 trustee may make a loan to a beneficiary of the trust if the loan is
6 expressly authorized or directed by the instrument or transaction
7 establishing the trust.

8 (f) An officer, director, or employee of a state trust company who 9 approves or participates in the approval of a loan with actual knowledge that the loan violates this section is jointly and severally liable to the state 10 11 trust company for the lesser of the amount by which the loan exceeded 12 applicable lending limits or the state trust company's actual loss and 13 remains liable for that amount until the loan and all prior indebtedness of 14 the borrower to the state trust company have been fully repaid. The state 15 trust company may initiate a proceeding to collect an amount due under this 16 subsection at any time before the date the borrower defaults on the subject 17 loan or any prior indebtedness or before the fourth anniversary of that date. 18 A person that is liable for and pays amounts to the state trust company under 19 this subsection is entitled to an assignment of the state trust company's 20 elaim against the borrower to the extent of the payments. For purposes of 21 this subsection, an officer, director, or employee of a state trust company 22 is presumed to know the amount of the state trust company's lending limit under subsection (a) of this section and the amount of the borrower's 23 24 aggregate outstanding indebtedness to the state trust company immediately before a new loan or extension of credit to that borrower. 25 26

23-51-129. Lease financing transactions.

28 (a) Subject to rules adopted under this chapter, a state trust company may become the owner and lessor of tangible personal property for lease 29 30 financing transactions on a net lease basis on the specific request and for the use of a client. Without the written approval of the Bank Commissioner to 31 32 continue holding property acquired for leasing purposes under this 33 subsection, the state trust company may not hold the property more than six (6) months after the date of expiration of the original or any extended or 34 35 renewed lease period agreed to by the client for whom the property was 36 acquired or by a subsequent lessee.

1	(b) Rental payments received by the trust company in a lease financing
2	transaction under this section are considered to be rent and not interest or
3	compensation for the use, forbearance, or detention of money. However, a
4	lease financing transaction is considered to be a loan or extension of credit
5	for purposes of § 23-51-128.

8	(a) A state trust company may deposit trust funds with itself as an
9	investment if authorized by the settlor or the beneficiary, provided:
10	(1) It maintains as security for the deposits a separate fund of
11	securities, legal for trust investments, under control of a federal reserve
12	bank or other entity approved by the Bank Commissioner, either in this state
13	or elsewhere;
14	(2) The total market value of the security is at all times at
15	least equal to the amount of the deposit;
16	(3) The separate fund is designated as such; and
17	(4) The separate fund is maintained under the control of another
18	trust institution, bank or government agency.
19	(b) A state trust company may make periodic withdrawals from or
20	additions to the securities fund required by subsection (a) of this section
21	as long as the required value is maintained. Income from the securities in
22	the fund belongs to the state trust company.

24	deposit under subsection (a) of this section to the extent the deposit is
25	insured by the Federal Deposit Insurance Corporation or its successor.
26	
27	23-51-131. Common investment funds.
28	(a) A state trust company may establish common trust funds to provide
29	investment to itself as a fiduciary.
30	(b) The Bank Commissioner may adopt rules to administer and carry out
31	this section, including but not limited to rules to establish investment and
32	participation limitations, disclosure of fees, audit requirements, limit or
33	expand investment authority for particular classes or categories of
34	securities or other property, advertising, exemptions, and other requirements
35	that may be necessary to carry out this section.

6	23-51-135. Application regarding acquisition of control.
7	(a) The proposed transferee seeking approval to acquire control of a
8	state trust company or a person that controls a state trust company must file
9	with the Bank Commissioner:
10	(1) An application in the form prescribed by the commissioner;
11	(2) The filing fee in an amount not less than one thousand five
12	hundred dollars (\$1,500) and not more than three thousand dollars (\$3,000),
13	as set by rules issued by the commissioner; and
14	(3) All information required by rule or that the commissioner
15	requires in a particular application as necessary to an informed decision to
16	approve or reject the proposed acquisition.
17	(b) If the proposed transferee includes any group of individuals or
18	entities acting in concert, the information required by the commissioner may
19	be required of each member of the group.
20	(e) If the proposed transferee is not an Arkansas resident, an
21	Arkansas company, or an out-of-state company qualified to do business in this
22	state, a written consent to service of process on a resident of this state in
23	any action or suit arising out of or connected with the proposed acquisition.
24	(d) The proposed transferee must give public notice of the
25	application, its date of filing, and the identity of each participant, in the
26	form specified by the commissioner, through publication by one (1) insertion
27	in a newspaper published in the City of Little Rock and having a general and
28	substantially statewide circulation, promptly after the commissioner accepts
29	the application as complete.
30	
31	23-51-136. Hearing and decision on acquisition of control.
32	(a) Not later than sixty (60) days after the application is officially
33	filed, the Bank Commissioner may approve the application or set the
34	application for hearing. If the commissioner sets a hearing, the commissioner
35	shall conduct a hearing as he or she considers advisable and consistent with
36	governing statutes and rules.

1	(b) Based on the record, the commissioner may issue an order denying
2	an application if:
3	(1) The acquisition would substantially lessen competition, be
4	in restraint of trade, result in a monopoly, or be in furtherance of a
5	combination or conspiracy to monopolize or attempt to monopolize the trust
6	industry in any part of this state, unless:
7	(A) The anticompetitive effects of the proposed
8	acquisition are clearly outweighed in the public interest by the probable
9	effect of acquisition in meeting the convenience and needs of the community
10	to be served; and
11	(B) The proposed acquisition is not in violation of law of
12	this state or the United States;
13	(2) The financial condition of the proposed transferee, or any
14	member of a group composing the proposed transferee, might jeopardize the

16	(3) Plans or proposals to operate, liquidate, or sell the state
17	trust company or its assets are not in the best interests of the state trust
18	company;
19	(4) The experience, ability, standing, competence,
20	trustworthiness, and integrity of the proposed transferee, or any member of a
21	group comprising the proposed transferee, are insufficient to justify a
22	belief that the state trust company will be free from improper or unlawful
23	influence or interference with respect to the state trust company's operation
24	in compliance with law;
25	(5) The state trust company will be insolvent, in a hazardous
26	condition, not have adequate capitalization, or not be in compliance with the
27	laws of this state after the acquisition;
28	(6) The proposed transferee has failed to furnish all
29	information pertinent to the application reasonably required by the
30	commissioner; or
31	(7) The proposed transferee is not acting in good faith.
32	(c) If an application filed under this section is approved by the
33	commissioner, the transaction may be consummated. Any written commitment from
34	the proposed transferee offered to and accepted by the commissioner as a
35	condition that the application will be approved is enforceable against the
36	state trust company and the transferee and is considered for all purposes an

1	agreement under this chapter.
2	
3	23-51-137. Appeal from adverse decision.
4	(a)(1) If a hearing has been held, the Bank Commissioner has entered
5	an order denying the application, and the order has become final, the
6	proposed transferee may appeal the final order by filing a petition for
7	judicial review under the Arkansas Administrative Procedure Act, § 25-15-201
8	et seq.
9	(2) The time for filing such a petition for judicial review
10	shall run from the date the final decision of the commissioner is mailed or
11	delivered, in written form, to the parties desiring to appeal.
12	(3) The hearing of such a petition for review will be advanced
13	on the docket of each reviewing court as a matter of public interest.
14	(b) The filing of an appeal under this section does not stay the order
15	of the commissioner.
16	
17	23-51-138. Objection to other transfer.
18	This chapter may not be construed to prevent the Bank Commissioner from
19	investigating, commenting on, or seeking to enjoin or set aside a transfer of
20	voting securities that evidence a direct or indirect interest in a state
21	trust company, regardless of whether the transfer is included within this
22	chapter, if the commissioner considers the transfer to be against the public
23	interest.
24	
25	23-51-139. Civil enforcement — Criminal penalties.
26	(a) The Bank Commissioner may bring any appropriate civil action
27	against any person who the commissioner believes has committed or is about to
28	commit a violation of this chapter or a rule or order of the commissioner
29	pertaining to this chapter.
30	(b) A person who knowingly fails or refuses to file the application
31	required by § 23-51-135 commits an offense. An offense under this subsection

28	(c) Implementation of the plan of merger with a person other than a
29	state bank, approval of the board and shareholders of the parties must be

32	corporation and all other parties to the merger were foreign corporations and
33	other entities, except as otherwise provided by rules adopted under this
34	chapter.

8	(1) Each resulting state trust company will be solvent and have
9	adequate capitalization for its business and location;
10	(2) Each resulting state trust company has in all respects

12	all or part of the assets of the trust institution does not make the
13	purchasing state trust company responsible for any liability or obligation of
14	the selling trust institution that is not expressly assumed by the purchasing
15	state trust company. Except as otherwise provided by this chapter, this
16	chapter does not govern or prohibit the purchase by a trust institution of

18	trust institution.
19	(b) An application in the form required by the Bank Commissioner must

25	(1) All of the state trust company's liabilities to clients and
26	depositors;
27	(2) All of the state trust company's liabilities for salaries of

31	(4) Fees and assessments due the State Bank Department.
32	(c) This section does not limit the incidental power of a state trust
33	company to buy and sell assets in the ordinary course of business.
34	(d) This section does not affect the commissioner's right to take
35	action under any other law. The sale by a trust company of all or
