18 adding a new section to read as follows:

19 "4-72-310. Violations.

20 (a) It is a violation of this subchapter for a manufacturer,
21 wholesaler, or distributor to coerce a dealer to accept delivery of parts,
22 accessories or specialized tools which the dealer has not voluntarily ordered.

23 (b) It is a violation of this subchapter for a manufacturer to:

24 (1) Condition or attempt to condition the sale of farm
25 implements, machinery, utility and industrial equipment, lawn and garden
26 outdoor powered machinery and equipment, and attachments on a dealer also
27 purchasing other goods or services; except that a manufacturer may require the
28 dealer to purchase those parts reasonably necessary to maintain the quality of
29 operation in the field of the equipment used in the trade area and to purchase
30 or lease such telecommunication equipment, including computer software, as is
31 substantially and reasonably necessary to communicate with the manufacturer
32 provided, however, that upon termination, nonrenewal, or cancellation of an
33 equipment dealer franchise, the equipment manufacturer must reimburse the
34 equipment dealer for all telecommunications equipment, including computer
35 software, purchased by the equipment dealer in order to comply with the

1 requirements of the equipment manufacturer that the dealer returns or offers
2 to return to the equipment manufacturer, subject to a reasonable reduction for
3 depreciation.

4 (2) Coerce or attempt to coerce a dealer into refusing to
5 purchase the equipment manufactured by another equipment manufacturer.

6 (3) Discriminate in the prices charged for equipment of like
7 grade and quality sold by the equipment manufacturer to similarly-situated
8 equipment dealers. This does not prevent the use of *volume discount* or a
9 differential which makes only due allowance for differences in the cost of
10 manufacture, sale, or delivery or for the differing methods by which or
11 quantities in which the equipment is sold or delivered, by the equipment
12 manufacturer; or

13 (4) Attempt or threaten to terminate, cancel, fail to renew, or
14 substantially change the competitive circumstances of the dealership agreement
15 based on the result of a natural disaster, including a sustained drought in
16 the dealership market area, labor dispute, or other circumstances beyond the
17 dealer's control."

18
19 SECTION 4. All provisions of this act of a general and permanent nature
20 are amendatory to the Arkansas Code of 1987 Annotated and the Arkansas Code
21 Revision Commission shall incorporate the same in the Code.

22
23 SECTION 5. If any provision of this act or the application thereof to
24 any person or circumstance is held invalid, such invalidity shall not affect
25 other provisions or applications of the act which can be given effect without
26 the invalid provision or application, and to this end the provisions of this
27 act are declared to be severable.

28
29 SECTION 6. All laws and parts of laws in conflict with this act are
30 hereby repealed.

31
32 SECTION 7. EMERGENCY. It is hereby found and determined by the
33 Seventy-Eighth General Assembly that the present laws are not clear as to the
34 rights and responsibilities of certain retailers of farm equipment when a
35 contract or franchise is terminated; that certain terms should be defined for

1 clarity; that this act is needed to clearly define the rights and
2 responsibilities when terminating a contract or franchise and should be
3 effective immediately. Therefore, an emergency is hereby declared to exist
4 and this act being necessary for the immediate preservation of the public
5 peace, health and safety shall be in full force and effect from and after its
6 passage and approval.
