21 CAPITOL GROUNDS.
22

23 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:
24

25 SECTION 1. DO NOT CODIFY. Legislative findings. The General Assembly
26 finds that:

27 (1) The United States has numerous memorials and monuments
28 giving honor to the patriots who have sacrificed and given their lives for
29 our freedom and paying tribute to those who have faithfully served in the
30 United States Armed Forces since the founding of our republic;

31 (2) There is a group of our citizens especially to be honored,
32 the families who have had a loved one who died while serving in the United
33

1 States Armed Forces to protect our freedom and to give freedom to many who
2 have never experienced it;

3 (3) The Gold Star Family Memorial Monument honors those families
4 who sacrificed more than most of us, and illustrates that the United States
5 has citizens in every community willing to make such sacrifices;

6 (4) The Gold Star Family Memorial Monument further illustrates
7 that families suffer and grieve when a dear relative is lost, and without
8 their sacrifices, freedom could not and would not have been preserved; and

9 (5) The Gold Star Family Memorial Monument is appropriate for
10 the placement on State Capitol grounds as a tribute to all the families who
11 have had a loved one who died while serving in the United States Armed
12 Forces.

13
14 SECTION 2. Arkansas Code Title 22, Chapter 3, Subchapter 2, is amended

19 (b)(1) The Secretary of State shall permit and arrange for the
20 placement on the State Capitol grounds of a monument commemorating Gold Star
21 Families and containing the following text, or text similar to the following

23 that explains the meaning of the monument:

24 "This monument is in tribute to and honors the families who have had a loved
25 one who died while serving in the United States Armed Forces.

26 The first scene depicts their homeland: the United States of America.

27 The next scene is a father and a mother with a newborn baby: the families of
28 our fallen heroes.

29 The next scene indicates the youth of the United States who volunteer to
30 serve and protect us and give others a freedom they never knew.

31 The cutout of the missing person represents the sacrifice of life for peace
32 and freedom.

33 The last scene depicts the families grieving the loss of loved ones who
34 sacrificed their lives to preserve our rights, liberties, and the United
35 States flag under which they served."

36 (2) The monument shall be placed on the State Capitol grounds

1 where there are other monuments.

2 (3)(A) The monument shall be designed and constructed in the
