31 Telecommunications Regulatory Reform Act of 2013, is amended to read as
32 follows:

33 (4) A government entity may purchase voice, data, broadband,
34 video, or wireless telecommunications services, directly or indirectly, from
35 a private provider through a contract administered and services managed by
36 the ~~Division of Information Systems~~ Office of State Technology under the

1 Arkansas Information Systems Act of 1997, § 25-4-101 et seq.

2
3 SECTION 23. Arkansas Code § 25-1-203(b)(2), concerning the
4 distribution of certain publications on state agency websites, is amended to
5 read as follows:

6 (2) The ~~Division of Information Systems~~ Office of State
7 Technology shall assist those state agencies requesting assistance in placing
8 publications on the state agency's website.

9
10 SECTION 24. Arkansas Code § 25-4-102 is amended to read as follows:

11 25-4-102. Legislative findings and declaration of intent.

12 (a) The General Assembly finds and declares information and
13 information resources to be strategic assets of the State of Arkansas and
14 that procedures must be established to ensure that:

15 (1) Information resources are used in an efficient manner;

16 (2) Resources of the ~~Division of Information Systems~~ Office of
17 State Technology are used unless an exception is authorized;

18 (3) Information is administered and shared, consistent with
19 requirements for security, privacy, and confidentiality;

20 (4) Information technology acquisitions meet state needs and are
21 consistent with coordinated efforts to maximize standardization and cost
22 effectiveness;

23 (5) State officials have timely access to information in useful
24 forms; and

25 (6) The ~~division~~ office complies with applicable state and
26 federal statutory and regulatory provisions.

27 (b) The General Assembly further declares its intent to create a state
28 agency ~~division~~ office to:

29 (1) Provide design and management services for the state's core
30 information technology infrastructures;

31 (2) Provide information technology services;

32 (3) Implement appropriate technologies to exchange and share
33 information; and

34 (4) Develop technical standards and specifications and provide
35 technical leadership and guidance to support the state's enterprise
36 architecture.

1 (c) It is also the intent of the General Assembly that the ~~division~~
2 office achieve certain objectives that will better support information
3 technology utilization by other state agencies. These objectives are to:

4 (1) Implement increased capabilities for communication and
5 exchange of information; and

6 (2) Develop and publish mechanisms for more timely acquisition
7 of information technology.

8 (d)(1) The General Assembly further finds and determines that:

9 (A) Information technology services are readily available
10 in the private sector;

11 (B) The public interest would be well served by
12 competition for the provision of such services to the state;

13 (C) Public-private partnerships or joint ventures for the
14 provision of such services may be appropriate in certain instances; and

15 (D) Emphasis will be given to encouraging and enabling
16 competition among+ suppliers of such services whenever possible in the
17 administration of this chapter.

18 ~~(i) Suppliers of such services whenever possible in~~
19 ~~the administration of this chapter; and~~

20 ~~(ii) Women-owned and minority-owned suppliers of such~~
21 ~~services whenever possible in the administration of this chapter.~~

22 (2) The ~~division~~ office shall consider in the development of the
23 ~~division~~ office plan and the Joint Committee on Advanced Communications and
24 Information Technology shall emphasize in its recommendations and policies
25 the availability in the private sector of information technology resources
26 upon a competitive bid basis with a view to assuring the state of the highest
27 reasonable quality of resources at the lowest reasonable cost.

28 (e)(1) In exercising its authority under § 25-4-105, the ~~division~~
29 office shall competitively procure information technology except as provided
30 in this subsection.

31 (2) The ~~division~~ office is not authorized by § 25-4-105 to
32 provide information technology services, including telecommunications and
33 broadband services, to the general public, other than nongovernmental first
34 responder entities, in competition with private sector telecommunications and
35 cable communications providers.

36 (3) Customers of the ~~division~~ office are not authorized to use

1 information technology facilities and services provided by the ~~division~~
2 office to provide telecommunications and broadband services to the general
3 public in competition with private sector telecommunications and cable
4 communications providers.

5
6 SECTION 25. Arkansas Code § 25-4-103(15), concerning definitions
7 pertaining to the Division of Information Systems, is amended to read as
8 follows:

9 (15) "State Chief Technology Officer" means the Director of the
10 ~~Division of Information Systems~~ Office of State Technology;

11
12 SECTION 26. Arkansas Code § 25-4-104 is amended to read as follows:

13 25-4-104. ~~Division of Information Systems~~ Office of State Technology.

14 (a) There is established within the Department of Transformation and
15 Shared Services the ~~Division of Information Systems~~ Office of State
16 Technology.

17 (b)(1) The ~~Division of Information Systems~~ Office of State Technology
18 shall be headed by a director to be appointed by the Governor, subject to
19 confirmation by the Senate in the manner provided by law, and shall serve at
20 the pleasure of the Governor.

21 (2) The director shall be a person who, by education and
22 training, has technical knowledge and management experience in information
23 technology-related equipment, systems, and services.

19 following:

20 (1) A statement of the agency's mission, goals, and objectives
21 for information technology;

22 (2) Goals and objectives for achieving electronic access to
23 agency records, information, and services;

24 (3) Consideration of a variety of information technologies,
25 including those that help transcend geographic locations, standard business
26 hours, economic conditions of users, and disabilities;

27 (4) Compliance with the Freedom of Information Act of 1967, §
28 25-19-101 et seq.;

29 (5) An explanation of how the state agency's mission, goals, and
30 objectives for information technology support and conform to the state
31 information technology plan developed by the ~~division~~ office;

32 (6) An implementation strategy to include:

33 (A) Annual implementation objectives of the plan;

34 (B) Methods to educate both state employees and the public
35 in the effective use of access technologies; and

36 (C) Agency activities to increase electronic access to

1 public records and information to be implemented within available resources
 2 and existing state agency planning processes;

3 (7) Projects and resources required to meet the objectives of
 4 the plan;

5 (8) Estimated schedules and funding required to implement
 6 identified projects;

7 (9) An evaluation of the agency's performance relating to
 8 information technology;

9 (10) An assessment of progress made toward implementing the
 10 agency information technology plan;

11 (11) A discussion of progress toward electronic access to public
 12 information and enabling citizens to have two-way interaction for obtaining
 13 information and services from state agencies; and

14 (12) An inventory of state agency information technology.

15 (d)(1) Plans developed or updated shall be submitted to the ~~division~~
 16 office.

17 (2) The ~~division~~ office may reject, require modification to, or
 18 approve plans as deemed appropriate.

19 (3) Plans shall be modified by the state agency as necessary.

20 (e)(1) Plans developed or updated by public instrumentalities shall be
 21 submitted for review to the Joint Committee on Advanced Communications and
 22 Information Technology.

23 (2) The Joint Committee on Advanced Communications and
 24 Information Technology may seek the assistance of the ~~division~~ office in
 25 conducting this review.

26 (3) Plans shall be modified by the public instrumentality as
 27 necessary.

28
 29 SECTION 32. The introductory language of Arkansas Code § 25-4-111(b),
 30 concerning information technology prerequisites for state agencies, is
 31 amended to read as follows:

32 (b) If an agency desires to acquire information technology not part of
 33 an information technology plan approved under § 25-4-110, the requesting
 34 agency shall submit a waiver request to the Director of the ~~Division of~~
 35 ~~Information Systems~~ Office of State Technology that includes:

36

1 SECTION 33. Arkansas Code § 25-4-111(c)(4)(C), concerning information
2 technology prerequisites for state agencies, is amended to read as follows:

3 (C) Notify the agency of the availability of ~~Division of~~
4 ~~Information Systems~~ Office of State Technology facilities to provide the
5 requested information technology; or
6

7 SECTION 34. Arkansas Code § 25-4-112(b), concerning applications of
8 information technology to educational institutions, is amended to read as
9 follows:

10 (b)(1) A state-supported institution of higher education, a post-
11 secondary vocational-technical school, an area vocational school, or a public
12 school district may request technical assistance regarding information
13 technology from the ~~Division of Information Systems~~ Office of State
14 Technology.

15 (2)(A) Assistance shall be provided by the ~~division~~ office free
16 of charge within a reasonable period.

17 (B) However, the requesting institution shall reimburse
18 the ~~division~~ office for any actual expenses incurred while providing
19 requested technical assistance.
20

21 SECTION 35. Arkansas Code § 25-4-114(b), concerning contracts and
22 agreements for information technology, is amended to read as follows:

23 (b) A state agency shall submit to the Director of the ~~Division of~~
24 ~~Information Systems~~ Office of State Technology for review and approval a
25 request for the state agency to enter into a technology contract or agreement
26 that is not in compliance with the state enterprise architecture.
27

28 SECTION 36. Arkansas Code § 25-4-115 is amended to read as follows:

29 25-4-115. Professional services contracts between ~~division~~ office and
30 outside vendors.

31 (a)(1) In the event that, due to unforeseen circumstances, the
32 ~~Division of Information Systems~~ Office of State Technology cannot provide
33 sufficient information technology support to state agencies, the Director of
34 the ~~Division of Information Systems~~ Office of State Technology is authorized
35 to enter into professional services contracts for the necessary information
36 technology support.

1 (2) The ~~division~~ office may also consolidate information
2 technology needs to satisfy state agency requests.

3 (b)(1) The ~~division~~ office may utilize moneys appropriated for
4 maintenance, operation, and payment of regular salaries of the ~~division~~
5 office for the purchase of professional services upon approval by the
6 Secretary of the Department of Transformation and Shared Services.

7 (2)(A) Provided, however, that before approving the use of
8 moneys appropriated for payment of regular salaries of the ~~division~~ office
9 for obtaining professional services, the secretary shall determine that
10 resignations, vacancies in positions, or the inability to employ persons with
11 technical skills to provide the professional services has necessitated that
12 action.

13 (B) In addition, the secretary shall obtain the approval
14 of the Legislative Council or the Joint Budget Committee if the General
15 Assembly is in session, before approving any transfer of regular salary
16 appropriations to the maintenance and operation appropriation of a state
17 agency to be used for payment of professional services.

18
19 SECTION 37. Arkansas Code § 25-4-116(a), concerning payment for
20 information technology, is amended to read as follows:

21 (a) Before a state agency may enter into an agreement with the
22 ~~Division of Information Systems~~ Office of State Technology for purchase of
23 information technology, the agency shall certify that adequate appropriations
24 and funds are available for purchasing information technology from the
25 ~~division~~ office.

26
27 SECTION 38. Arkansas Code § 25-4-116(b)(3), concerning payment for
28 information technology, is amended to read as follows:

29 (3) The transfers authorized in this chapter shall be made from
30 time to time within the amounts authorized in the procedures set forth in
31 this chapter, upon payment for information technology purchased from the
32 ~~division~~ office.

33
34 SECTION 39. Arkansas Code § 25-4-117 is amended to read as follows:
35 25-4-117. Delinquent accounts.

36 (a) For accounts that are thirty (30) days overdue and have no charges

1 contested by the user, the ~~Division of Information Systems~~ Office of State
2 Technology may request the Chief Fiscal Officer of the State to transfer all
3 or part of the overdue amount from the user's account to the ~~division's~~
4 office's revolving account. The Chief Fiscal Officer of the State shall
5 transfer the amount within ten (10) working days.

6 (b) For accounts that are sixty (60) days overdue and have charges
7 being contested by the user, the ~~division~~ office may request the Chief Fiscal
8 Officer of the State to transfer all or part of the overdue amount from the
9 user's account to the ~~division's~~ office's revolving account. If the
10 resolution of contested charges favors the user, the user may request the
11 Chief Fiscal Officer of the State to transfer all or part of the overdue
12 amount from the ~~division's~~ office's revolving account to the user's account.

13 (c) The ~~division~~ office is authorized to discontinue information
14 technology service to users who do not make a timely remittance of payment
15 for services rendered and is specifically prohibited from providing services
16 to state agencies lacking funds or sufficient appropriations to pay for the
17 services.

18
19 SECTION 40. Arkansas Code § 25-4-119 is amended to read as follows:
20 25-4-119. Budget procedures.

21 (a)(1) Prior to the commencement of budget hearings conducted by the
22 Legislative Council, the Director of the ~~Division of Information Systems~~
23 Office of State Technology shall prepare an operating budget indicating the
24 amount of money that will be required to operate the ~~Division of Information~~
25 ~~Systems~~ Office of State Technology each year of the succeeding biennium.

26 (2) The director shall also provide cost information to users of
27 information technology centers, and those who require new or expanded
28 information technology shall be provided cost estimates for inclusion in
29 their budget requests.

30 (b)(1) When the General Assembly has completed the appropriation
31 process, the director shall oversee budgetary planning for the ~~division~~
32 office for each fiscal year of the biennium.

33 (2) The proposed annual operating budget shall be submitted to
34 the Secretary of the Department of Transformation and Shared Services for his
35 or her approval prior to the beginning of each fiscal year.

36 (3)(A) During the course of the biennium, the director shall

1 make certain that the expenditures of the ~~division~~ office do not exceed the
2 income to be received by the ~~division~~ office for the current fiscal year.

3 (B) Subject to the written approval of the Chief Fiscal
4 Officer of the State upon the written application of the ~~division~~ office and
5 review by the Legislative Council, in order to effect compliance with state
6 and federal statutory and regulatory provisions:

7 (i) The director shall adjust rates for services or
8 issue billing adjustments as necessary; or

9 (ii) Funds sufficient to effect compliance shall be
10 provided to the ~~division~~ office.

11 (4)(A) If rates charged to a customer are increased to ensure
12 compliance with state and federal statutory and regulatory provisions under
13 subdivision (b)(3) of this section, then the director shall promptly notify
14 the Governor, the Joint Committee on Advanced Communications and Information
15 Technology, and all state agencies and other customers before any changes
16 shall be effected.

17 (B) Rates shall be reviewed by the ~~division~~ office on no
18 less than an annual basis in order to ensure compliance with state and
19 federal statutory and regulatory provisions.

20 (c) The quarterly allotment procedures applicable to state agencies,
21 as defined by the General Accounting and Budgetary Procedures Law, § 19-4-101
22 et seq., shall be applicable to all appropriations funded directly through
23 general revenue.

24
25 SECTION 41. Arkansas Code § 25-4-120(c), concerning revisions to the
26 budget, purchasing, and personnel process related to information technology,
27 is amended to read as follows:

28 (c) The ~~Division of Information Systems~~ Office of State Technology
29 shall make recommendations regarding revisions to the state budget,
30 purchasing, and personnel process related to information technology to the
31 Legislative Council by March 1 of each even-numbered year.

32
33 SECTION 42. Arkansas Code § 25-4-121 is amended to read as follows:

34 25-4-121. ~~Division of Information Systems~~ Office of State Technology
35 Revolving Fund.

36 (a) There is created and established on the books of the Treasurer of

1 State, the Auditor of State, and the Department of Finance and Administration
2 the ~~Division of Information Systems~~ Office of State Technology Revolving
3 Fund.

4 (b) The ~~Division of Information Systems~~ Office of State Technology
5 Revolving Fund shall consist of nonrevenue receipts derived from services
6 provided to various agencies of the federal, state, city, and county
7 governments, and any other moneys which may be provided by law for credit to
8 the ~~Division of Information Systems~~ Office of State Technology Revolving
9 Fund.

10 (c) All revenues received by the ~~Division of Information Systems~~
11 Office of State Technology for providing information technology services
12 shall be deposited into the State Treasury as nonrevenue receipts, there to
13 be used for the maintenance, operation, and improvement of the ~~division~~
14 office.

15 (d) All revenues received from agencies or other governmental entities
16 for information technology services provided by contracts between the
17 ~~division~~ office and outside vendors may be deposited into the State Treasury
18 as refund to expenditures.

19 (e) Subject to the written approval of the Chief Fiscal Officer of the
20 State upon written application of the ~~division~~ office and review by the
21 Legislative Council, the Director of the ~~Division of Information Systems~~
22 Office of State Technology shall have the authority to transfer funds between
23 the Information Technology Reserve Fund established by §§ 19-5-1056 and 25-4-
24 123 and the ~~Division of Information Systems~~ Office of State Technology
25 Revolving Fund established under this section for cash management purposes.

26
27 SECTION 43. Arkansas Code § 25-4-122 is amended to read as follows:
28 25-4-122. Reserve for equipment acquisition – Loans.

29 (a)(1) The ~~Division of Information Systems~~ Office of State Technology
30 is authorized to accumulate a reserve for equipment acquisition in an amount
31 not to exceed the ~~division's~~ office's depreciation expense per fiscal year.

32 (2)(A) In addition, the ~~division~~ office is authorized to obtain
33 from the State Board of Finance loans from the Budget Stabilization Trust
34 Fund to supplement the reserve if the reserve is insufficient to handle the
35 total cost of required equipment acquisitions.

36 (B) These loans and the reserve for equipment acquisition

1 shall be used exclusively for major equipment acquisitions or improvements of
2 information technology required in order to fulfill the requirements for one
3 (1) or more user agencies.

4 (C) The loans from the Budget Stabilization Trust Fund to
5 the Information Technology Reserve Fund shall be repaid within five (5) years
6 from revenues derived from charges to users, and the annual loan repayment
7 amount shall be computed as a part of the total yearly expenses of the
8 ~~division office~~ and shall be charged proportionately to users.

9 (b)(1)(A) However, before the board approves any requests for loans by
10 the ~~division office~~ authorized in subdivision (a)(2) of this section, the
11 requests shall be submitted to the Governor for his or her approval after the
12 Governor has first obtained the advice of the Legislative Council in regard
13 thereto.

14 (B) After having obtained advice, the Governor may in
15 writing approve or reject the request.

16 (C) However, if the Legislative Council fails to give its
17 written advice or opinion to the Governor within thirty (30) days after
18 receiving notice of the request for loans, the Governor may proceed to act on
19 the matter without the advice of the Legislative Council.

20 (2) The board shall make no loans if the approval of the
21 Governor has not been obtained therefor.

22 (3) After obtaining the Governor's approval in writing, the
23 board shall also review and may approve the loans and establish terms of
24 repayment and a rate of interest to be paid by the ~~Division of Information~~
25 ~~Systems~~ Office of State Technology Revolving Fund to the Budget Stabilization
26 Trust Fund. The rate shall be approximately equivalent to the rate of
27 interest the board is receiving on other investments at the time of approving
28 the loan request.

29
30 SECTION 44. Arkansas Code § 25-4-123(b), concerning the Information
31 Technology Reserve Fund, is amended to read as follows:

32 (b) The Information Technology Reserve Fund shall consist of those
33 funds transferred from the ~~Division of Information Systems~~ Office of State
34 Technology Revolving Fund in an amount up to the authorized reserve for
35 equipment acquisition as certified by the Chief Fiscal Officer of the State
36 within thirty (30) days following the closing of each fiscal year, any loans

1 which may be received from the Budget Stabilization Trust Fund, and any other
2 moneys which may be provided by law, there to be used exclusively for major
3 equipment acquisitions or improvements as set out in § 25-4-122.

4
5 SECTION 45. Arkansas Code § 25-4-124 is amended to read as follows:
6 25-4-124. Yearly computation of expenses – Disposition of surplus
7 funds.

8 (a) Within sixty (60) days following the final closing entries for the
9 consolidated annual financial report for each fiscal year, the Director of
10 the ~~Division of Information Systems~~ Office of State Technology shall obtain
11 from the Chief Fiscal Officer of the State the written approval of a plan
12 that shall include a proposed methodology to make all appropriate adjustments
13 to effect compliance with state and federal statutory and regulatory
14 provisions for the fiscal year.

15 (b)(1) If the plan under subsection (a) of this section requires
16 appropriate credits or debits to customer accounts to effect compliance with
17 state and federal statutory and regulatory provisions, the ~~Division of~~
18 ~~Information Systems~~ Office of State Technology shall make any adjustments
19 within sixty (60) days after approval of the plan.

20 (2) In the event that a customer no longer uses the services of
21 the ~~division~~ office, a fund transfer in the amount of that customer's credits
22 under the plan described in subsection (a) of this section shall be made from
23 the ~~Division of Information Systems~~ Office of State Technology Revolving Fund
24 to the customer's treasury fund, upon certification of the amount by the
25 director to the Chief Fiscal Officer of the State and the Treasurer of State.
26 In the event the customer does not have a treasury fund, a warrant shall be
27 issued by the ~~division~~ office in payment of the customer's credit.

28 (c) In the event that the customer has an unpaid account balance due
29 the ~~division~~ office, the customer's credit shall be withheld until the
30 account balance is satisfied.

31
32 SECTION 46. Arkansas Code § 25-4-126(a), concerning the Chief Data
33 Officer of the Division of Information Systems, is amended to read as
34 follows:

35 (a)(1) The Director of the ~~Division of Information Systems~~ Office of
36 State Technology shall select an individual to serve as the Chief Data

1 Officer of the ~~Division of Information Systems~~ Office of State Technology and
2 the Chief Privacy Officer of the ~~Division of Information Systems~~ Office of
3 State Technology.

4 (2) The Chief Data Officer of the ~~Division of Information Systems~~
5 Office of State Technology and the Chief Privacy Officer of the ~~Division of~~
6 ~~Information Systems~~ Office of State Technology shall not be the same person.

7
8 SECTION 47. The introductory language of Arkansas Code § 25-4-126(b),
9 concerning the Chief Data Officer of the Division of Information Systems, is
10 amended to read as follows:

11 (b) The Chief Data Officer of the ~~Division of Information Systems~~
12 Office of State Technology shall:

13
14 SECTION 48. The introductory language of Arkansas Code § 25-4-126(c),
15 concerning the Chief Privacy Officer of the Division of Information Systems,
16 is amended to read as follows:

17 (c) The Chief Privacy Officer of the ~~Division of Information Systems~~
18 Office of State Technology shall:

19
20 SECTION 49. Arkansas Code § 25-4-127(b)(4) and (5), concerning the
21 members of the Data and Transparency Panel, are amended to read as follows:

22 (4)(A) The Chief Data Officer of the ~~Division of Information~~
23 ~~Systems~~ Office of State Technology.

24 (B) The Chief Data Officer of the ~~Division of Information~~
25 ~~Systems~~ Office of State Technology shall be the Chair of the Data and
26 Transparency Panel.

27 (C) The members of the panel shall select a vice chair
28 annually;

29 (5) The Chief Privacy Officer of the ~~Division of Information~~
30 ~~Systems~~ Office of State Technology; and

31
32 SECTION 50. Arkansas Code § 25-4-127(c)(4), concerning the duties of
33 the Data and Transparency Panel, is amended to read as follows:

34 (4) Evaluate and identify data that may be provided to the
35 public in accordance with data standards and specifications developed by the
36 ~~Division of Information Systems~~ Office of State Technology;

1
2 SECTION 51. Arkansas Code § 25-4-127(c)(8)(B), concerning the duties
3 of the Data and Transparency Panel, is amended to read as follows:

4 (B) In implementation of the shared services data hub
5 under subdivision (c)(8)(A) of this section, the ~~Division of Information~~
6 ~~Systems~~ Office of State Technology shall:

7 (i)(a) Establish and maintain a program to collect,
8 analyze, and exchange government information in carrying out the powers and
9 duties of the executive state agency sharing the data.

10 (b) In carrying out the program under
11 subdivision (c)(8)(B)(i)(a) of this section, the ~~Division of Information~~
12 ~~Systems~~ Office of State Technology may obtain government information from
13 each executive state agency;

14 (ii) Establish and maintain a program to make
15 government information available to executive state agencies, political
16 subdivisions, educational institutions, researchers, nongovernmental
17 organizations, and the general public, subject to the following:

18 (a)(1) A program established and maintained
19 under this section shall include a policy governing access to government
20 information held by the ~~Division of Information Systems~~ Office of State
21 Technology under this chapter.

22 (2) Government information may be made
23 available only if doing so does not violate state or federal confidentiality
24 and disclosure laws;

25 (b)(1) The ~~Division of Information Systems~~
26 Office of State Technology is considered to be an agent of the executive
27 state agency sharing government information and is an authorized receiver of
28 government information under the statutory or administrative law that governs
29 the government information unless:

30 (A) The ~~Division of Information~~
31 ~~Systems~~ Office of State Technology or executive state agencies are
32 specifically excluded as an authorized receiver; or

33 (B) An authorized receiver of
34 government information is specifically enumerated under the statutory or
35 administrative law governing the government information without stated
36 exceptions or qualifications.

1 (2) Interagency data sharing under this
 2 section does not constitute a disclosure or release under any statutory or
 3 administrative law that governs the government information;

4 (c)(1) A program established and maintained
 5 under this section shall prescribe a form to be used to memorialize the
 6 sharing of data under this section.

7 (2) The form required under subdivision
 8 (c)(8)(B)(ii)(c)(1) of this section shall be signed by the administrative
 9 head of the executive state agency so long as the form does not require the
 10 sharing of state agency information that would be in contradiction of
 11 existing state or federal law; and

12 (d)(1) A data sharing form completed and
 13 signed under subdivision (c)(8)(B)(ii)(c)(1) of this section constitutes the
 14 agreement required by any statutory or administrative law that governs the
 15 data.

16 (2) Additional documentation is not
 17 required to share data under this section;

18 (iii) Establish privacy and quality policy for
 19 government information that complies with all applicable Arkansas and federal
 20 laws, rules, and policies;

21 (iv) According to standards developed by the state
 22 security office, establish and maintain a program to ensure the security of
 23 government information under this section; and

24 (v) Establish a public portal that will provide
 25 Arkansans with easy access to data.

26
 27 SECTION 52. Arkansas Code § 25-4-128(a), concerning the records of the
 28 Data and Transparency Panel, is amended to read as follows:

29 (a) All records, reports, and other information obtained by the Data
 30 and Transparency Panel shall be confidential unless approved for publication
 31 in accordance with data standards and specifications developed by the
 32 ~~Division of Information Systems~~ Office of State Technology.

33
 34 SECTION 53. Arkansas Code § 25-4-129 is amended to read as follows:
 35 25-4-129. Gifts, grants, and donations – Reports.

36 (a) The Director of the ~~Division of Information Systems~~ Office of

1 State Technology may accept on behalf of the ~~Division of Information Systems~~
 2 Office of State Technology funds from any source, including but not limited
 3 to:

- 4 (1) Special revenue;
- 5 (2) General revenue;
- 6 (3) Gifts;
- 7 (4) Grants;
- 8 (5) Cash;
- 9 (6) Bequests;
- 10 (7) Devices;
- 11 (8) Donations;
- 12 (9) Real property;
- 13 (10) Personal property; and
- 14 (11) Equipment.

15 (b) The ~~division~~ office shall file with the Legislative Council or, if
 16 the General Assembly is in session, the Joint Budget Committee, a quarterly
 17 report summarizing all funds received under subsection (a) of this section.
 18

19 SECTION 54. Arkansas Code § 25-8-107(c), concerning the Office of
 20 Child Support Enforcement, is amended to read as follows:

21 (c) The Department of Human Services and the ~~Division of Information~~
 22 ~~Systems~~ Office of State Technology shall grant access to and provide
 23 information determined by the Office of Child Support Enforcement to be
 24 necessary to successfully accomplish its mission.
 25

26 SECTION 55. Arkansas Code § 25-18-702(a), concerning the standards and
 27 policies pertaining to electronic records of state agencies, is amended to
 28 read as follows:

29 (a) The Director of the ~~Division of Information Systems~~ Office of
 30 State Technology shall establish standards and polices governing the use,
 31 management, retention, privacy, and security of electronic records of state
 32 agencies.
 33

34 SECTION 56. Arkansas Code § 25-18-703 is amended to read as follows:
 35 25-18-703. State agency standards and policies.

36 A state agency may use the standards and policies developed by the

1 Director of the ~~Division of Information Systems~~ Office of State Technology
2 under § 25-18-702, or it may develop its own standards and policies
3 consistent with the requirements established in § 25-18-702(b).
4

5 SECTION 57. Arkansas Code § 25-26-204(a)(1), concerning procurement
6 requirements for information technology access for the blind, is amended to
7 read as follows:

8 (a)(1) The technology access clause specified in § 25-26-203 shall be
9 developed by the ~~Division of Information Systems~~ Office of State Technology
10 and shall require compliance with nonvisual access standards established by
11 the ~~division~~ office.
12

13 SECTION 58. Arkansas Code § 25-27-103(a)(4), concerning the board
14 members of the Information Network of Arkansas, is amended to read as
15 follows:

16 (4) Two (2) members, or their designees, who are chief executive
17 officers of agencies of the executive branch other than the Department of
18 Finance and Administration and the ~~Division of Information Systems~~ Office of
19 State Technology, shall be appointed by the Governor;
20

21 SECTION 59. Arkansas Code § 25-27-103(a)(8), concerning the board
22 members of the Information Network of Arkansas, is amended to read as
23 follows:

24 (8) The Director of the ~~Division of Information Systems~~ Office of
25 State Technology, or the Director of the ~~Division of Information Systems'~~
26 Office of State Technology's designee.
27

28 SECTION 60. Arkansas Code § 25-27-104(a)(1), concerning the duties of
29 the Information Network of Arkansas, is amended to read as follows:

30 (1) To develop and implement an electronic gateway system to
31 provide electronic access to members of the public to public information and
32 to develop, implement, and promote the use of electronic commerce and digital
33 signature applications within the state in cooperation with the ~~Division of~~
34 Information Systems Office of State Technology;
35

36 SECTION 61. Arkansas Code § 25-27-105(a)(1), concerning the network

1 manager of the Information Network of Arkansas, is amended to read as
2 follows:

3 (a)(1) The Information Network of Arkansas shall procure a network
4 manager after developing, in consultation with the ~~Division of Information~~
5 ~~Systems~~ Office of State Technology, criteria and specifications for such a
6 network manager and his or her duties.

7
8 SECTION 62. Arkansas Code § 25-27-105(c), concerning the network
9 manager of the Information Network of Arkansas, is amended to read as
10 follows:

11 (c) The ~~division~~ office may provide to the Information Network of
12 Arkansas such staff and other assistance under contract.

13
14 SECTION 63. Arkansas Code § 25-32-117(b), concerning the creation and
15 retention of electronic records and conversion of written records by
16 governmental agencies, is amended to read as follows:

17 (b) Each state agency shall comply with applicable standards and
18 policies adopted or established by the Department of Transformation and

34
35 SECTION 70. EMERGENCY CLAUSE. It is found and determined by the
36 General Assembly of the State of Arkansas that the people of the State of

1 Arkansas rely on state department and division names to conduct business with
2 the state; that to ensure the efficient operations of state government
3 divisions it is important to set a date certain for the official change of
4 the name of a division; and that this act is necessary because it will allow
5 the Division of Information Systems to prepare for the official name change
6 in a timely and efficient manner to coincide with the start of the fiscal
7 year. Therefore, an emergency is declared to exist, and this act being
8 necessary for the preservation of the public peace, health, and safety, shall
9 become effective on July 1, 2025.
