36 and learn in the State of Arkansas;

1 (2) Ensure that teachers and students do not suffer from
 2 repeated violent or abusive behavior from students; and

3 (3) Ensure proper measures are in place to prevent repeated acts
 4 of violence in schools.

5
 6 SECTION 2. Arkansas Code § 6-18-511 is amended to read as follows:

7 6-18-511. Removal by teacher.

8 (a) Consistent with state and federal law, a teacher may remove a
 9 student from class and send him or her to the principal's or principal's
 10 designee's office in order to maintain effective discipline in the classroom.

11 (b) A teacher may remove from class a student:

12 (1) Who has been documented by the teacher as repeatedly
 13 interfering with the teacher's ability to teach the students in the class or
 14 with the ability of the student's classmates to learn; or

15 (2) Whose behavior the teacher determines is so unruly,
 16 disruptive, violent, or abusive that it seriously interferes with the
 17 teacher's ability to teach the students in the class or with the ability of
 18 the student's classmates to learn.

19 (c) ~~If~~ Except as provided under subsection (e) of this section, if a
 20 teacher removes a student from class in accordance with subsection (b) of
 21 this section, the principal or his or her designee may:

22 (1) Place the student into another ~~appropriate classroom~~
 23 learning environment or into in-school suspension so long as the placement is
 24 consistent with the public school district's written student discipline
 25 policy;

26 (2) Return the student to the class; or

27 (3) Take other appropriate action consistent with the public
 28 school district's discipline policy, state law, and federal law.

29 ~~(d)(1)(A) If Each time a teacher removes a student from class two (2) times~~

6 (B) However, a teacher is not required to remove a student
7 from class each time the student is unruly or disruptive during the teacher's
8 class.

9 (2) The failure of the parents, guardians, or persons in loco
10 parentis to attend the conference ~~provided for in this subsection~~ required
11 under subdivision (d)(1) of this section shall not prevent the conference
12 from being held ~~nor~~ or prevent any action from being taken as a result of
13 that conference.

14 (3) If a student with a disability identified under the
15 Individuals with Disabilities Education Act, 20 U.S.C. § 1400 et seq., as it

33 the student shall be subject to the relevant written student discipline
34 policies prescribed by his or her public school district; and

35 (2) Not be placed in a class with the teacher or student against
36 whom the violent or abusive behavior was directed if it is determined that

1 the student may leave the appropriate interim learning environment and return
2 to the placement from which he or she was removed.

3 (f)(1)(A) If the violent or abusive behavior for which a student is
4 removed from class under this section is determined to be a manifestation of
5 the student's disability following a manifestation determination review of
6 the student's violent or abusive behavior under subdivision (f)(2) of this
7 section, then the student shall be temporarily placed in an appropriate
8 interim learning environment within the public school district for no more
9 than ten (10) days while the members of the manifestation determination
10 review team determine the appropriate course of action under this subsection
11 (f).

12 (B) While the student is in an appropriate interim
13 learning environment as required by subdivision (f)(1)(A) of this section,
14 the student shall be subject to the relevant written student discipline

21 teacher against whom the violent or abusive behavior was directed, parents,
22 legal guardians, or persons standing in loco parentis to the student, and
23 relevant members of the student's individualized education program shall

26 individualized education program under § 6-41-217, teacher observations, and
27 other relevant information provided by the parent or legal guardian of the
28 student.

30 section due to violent or abusive behavior three (3) or more times during one
31 (1) school year, the student shall be:

32 (1) Placed in an appropriate interim learning environment for
33 the remainder of the school year; or

34 (2) Disciplined according to the requirements of the written
35 student discipline policy of the public school district in which the student
