It is found and determined by the General Assembly of the State of Arkansas that employers struggle to create and expand businesses in our sluggish economy; that developing the state's workforce is the most effective route to economic growth; and that this act is immediately necessary because lost time in meeting the business crisis may set Arkansas at a disadvantage in the regional economy. Therefore, an emergency is declared to exist, and this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on:

- (1) The date of its approval by the Governor;
- (2) If the bill is neither approved nor vetoed by the Governor,

the expiration of the period of time during which the Governor may veto the bill; or

(3) If the bill is vetoed by the Governor and the veto is overridden, the date the last house overrides the veto."
