**Amendment Form**

---

**Subtitle of House Bill 1876**

REGARDING THE OWNERSHIP OF MODEL TRAINING AND CONTENT GENERATED  
BY A GENERATIVE ARTIFICIAL INTELLIGENCE TOOL.

---

**Amendment No. 1 to House Bill 1876**

Amend House Bill 1876 as originally introduced:

Page 1, delete lines 23 through 34, and substitute the following:

"18-4-101. Generative artificial intelligence tool – Ownership of model training and generated content – Work made for hire – Exceptions.

(a) Except as provided under subsection (b) of this section, when a person uses a generative artificial intelligence tool to:

(1) Generate content, the person who provides the input or directive to the generative artificial intelligence tool shall be the owner of the generated content, provided that the content does not infringe on existing copyrights or intellectual property rights;

(2) Conduct model training, the person who provides data or input to train a generative artificial intelligence model shall be the owner of the resulting trained model, provided that the:

(A) Training data is lawfully acquired; and

(B) Person has not transferred ownership rights through a contract or agreement.

(b)(1) If an individual is employed by a person or entity and is directed to use a generative artificial intelligence tool to conduct model training or generate content as part of his or her employment duties, the resulting model training data and generated content shall be the property of the individual's employer.

(2) Subdivision (b)(1) of this section shall apply only if the use of the generative artificial intelligence tool is:

(A) Within the scope of the individual's employment; and

(B) Conducted under the direction and control of the employer.

(c) This section does not grant ownership over content that infringes on pre-existing copyrights or other intellectual property rights regardless of the use of a generative artificial intelligence tool."
