

**ARKANSAS SENATE**  
95th General Assembly - Regular Session, 2025  
**Amendment Form**

---

**Subtitle of Senate Bill 307**

TO AMEND THE LAW CONCERNING PUBLIC UTILITIES; TO CREATE THE  
GENERATING ARKANSAS JOBS ACT OF 2025; AND TO DECLARE AN EMERGENCY.

---

**Amendment No. 1 to Senate Bill 307**

Amend Senate Bill 307 as originally introduced:

Add Representatives Achor, F. Allen, Barnett, Beaty Jr., Brooks, M. Brown, Clowney, Cozart, Duffield, Eaton, Eubanks, Evans, K. Ferguson, Gramlich, Hall, Jean, L. Johnson, Ladyman, Lynch, Maddox, B. McKenzie, Pilkington, J. Richardson, R. Scott Richardson, Rye, Unger, Warren, Wing, Wooten as a cosponsor of the bill

AND

Page 4, delete line 3, and substitute "decision under § 23-2-423."

AND

Page 4, delete lines 29 and 30, and substitute the following:

"the commission to apply rate case procedures, and the commission notifies the co-op that the commission will initiate an investigation and may apply rate case procedures if the commission determines that there is substantial evidence indicating that rates and charges are"

AND

Page 10, line 34, delete "service; and" and substitute "service;"

AND

Page 11, delete line 3, and substitute the following:

"law, or not in the public interest;

(14) It is the policy of this state to maintain adequate capacity of available, reliable, dispatchable, affordable, and resilient electric generation to provide for the existing and reasonably projected future energy consumption needs of all consumers of electricity in Arkansas;

(15) Arkansas can support a multitude of potential electric generating resources and fuel supply resources so as to be the national leader in the production of reliable and affordable energy in all forms that make sense and are technically feasible, commercially viable, and financially viable or otherwise beneficial to customers in Arkansas and the Arkansas Public Service Commission shall ensure that generation resource additions will maintain or improve the affordability, adequacy, and reliability of the electric grid in Arkansas;

(16) Strategic investments will support the expansion of Arkansas's natural gas production capacity that will lead to economic growth and employment opportunities in that business sector and will support the continued development and use of Arkansas's natural resources; and

(17) Strategic investments will enhance the capacity, reliability, and resiliency of Arkansas's electric and natural gas utility infrastructure, which will support the reliability and resiliency of Arkansas's overall utility infrastructure and reliable electric and natural gas utility service during extreme temperatures and other weather conditions and during other periods of high demand and usage."
