SB217 (engrossed S2/14/23) authorizes the advertisement of a charitable raffle by mail, telephone, website, or social media. Under current law, there is no provision authorizing a charitable raffle licensed under the Charitable Bingo and Raffles Enabling Act to advertise a raffle. SB217 authorizes the licensed authorized organization or an uncompensated volunteer to advertise the charitable raffle through the mail, telephone, the organization's website, or social media posts. The sale of raffle tickets would still be prohibited through the mail, a website, or social media.
