DATE	2/5/2025
BILL	HB1384
SPONSOR	L. Johnson
SUBTITLE	TO AMEND THE LAW CONCERNING THE GRADUATE MEDICAL EDUCATION RESIDENCY EXPANSION BOARD

TOPIC

Higher Education Grants

AFFECTED FUNDS

REVENUE IMPACT

No New Fiscal Impact

ASSUMPTIONS - BASED ON: This bill amends the code to allow for implementation grants for programs working on medical residency expansion. The current law was established for planning grants. Grants will be disbursed based on availability of funds and there is currently no dedicated source of revenue for this program. There would be no increased impact to revenues with this change as it is only moving to the next phase of program expansion proposals.
