

Fiscal Impact Statement

DATE: 3/6/2025

BILL: HB1601

SPONSOR: Rep. L. Johnson

SUBTITLE: TO REQUIRE STATE-SUPPORTED INSTITUTIONS OF HIGHER EDUCATION TO PROVIDE CAREER COUNSELING AND OTHER RESOURCES TO CERTAIN STUDENTS.

TOPIC - Higher Education

AFFECTED FUNDS – N/A

REVENUE IMPACT - \$0

ASSUMPTIONS - BASED ON: This act would require ADHE to maintain a page on the website directing students to links for resources on each campus that provide career related information for students who may want to pursue other avenues besides continuing in school. No additional fiscal impact is projected to maintain this page as most campuses already provide these resources. This act will help create a single location where someone can be directed to.
