Fiscal Impact Statement**

**Bill: SB260**

**Bill Subtitle: TO AMEND THE LAW CONCERNING THE COLLECTION OF COURT FINES, FEES, OR COSTS AFTER DEFAULT.**

---

**Sponsors:**

**Sen. Bryant and Rep. Gonzalez**

**Basic Change:**

SB260 provides an additional means by which a prosecuting attorney or county official may collect fines, fees, or costs that a criminal defendant has been ordered to pay.

Under current law, a fine or costs may be collected by any means authorized for the enforcement of a money judgment in a civil action. A judgment sentencing a defendant to pay a fine or costs also constitutes a lien on the real and personal property of the defendant.

SB260 provides that a court that has sentenced a defendant to pay fines, fees, or costs may, upon its own motion, seek to collect any unpaid amount by using the procedure which currently exists for intercepting a defendant's state income tax refund to collect unpaid restitution.

**Fiscal Impact:**

None.

**Taxpayer Impact:**

A taxpayer could have his or her income tax refund intercepted to pay unpaid fees owed to a court.

**Resources Required:**

Computer programs, tax forms, and instructions will need to be updated.

**Time Required:**

Adequate time is provided for implementation.

**Procedural Changes:**

Department employees will need to be educated as well as the tax community.

**Other Comments:**

None.

**Legal Analysis:**

SB260 may benefit from an amendment on line 30 to state that the court may intercept a defendant's state income tax "refund" rather than a defendant's state income tax "return."
