6 A decentralized unincorporated nonprofit association:

7 (1) Is a legal entity distinct from its members and administrators;

8 (2) Has perpetual duration unless its governing principles otherwise specify; and

9 (3)(A) May engage in profit-making activities.

10 (B) Any profits under subdivision (3)(A) of this section shall be used in

16 unincorporated nonprofit association shall not pay dividends or distribute any part of its income or  
17 profits to its members or administrators.

18 (b) A decentralized unincorporated nonprofit association may:

19 (1) Pay reasonable compensation or reimburse reasonable expenses to its  
20 members, administrators, and persons outside the organization for services rendered, including

29 the extent permitted by § 4-28-728.

30  
31 4-28-707. Ownership and transfer of property.

32 (a) A decentralized unincorporated nonprofit association in its own name may acquire,  
33 hold, encumber, or transfer an estate or interest in real or personal property.

34 (b) A decentralized unincorporated nonprofit association may be a beneficiary of a trust or  
35 contract, a legatee, or a devisee.

1           4-28-708. Statement of authority as to real property — Definition.

2           (a) As used in this section, “statement of authority” means a statement authorizing a  
3 person to transfer an interest in real property held in the name of a decentralized unincorporated  
4 nonprofit association.

5           (b) An interest in real property held in the name of a decentralized unincorporated nonprofit  
6 association may be transferred by a person authorized to do so in a statement of authority recorded  
7 by the decentralized unincorporated nonprofit association in the office in the county in which a  
8 transfer of the property would be recorded.

9           (c) A statement of authority shall state:

10           (1) The name of the decentralized unincorporated nonprofit association;

11           (2) The address in this state, including the street address, if any, of the decentralized  
12 unincorporated nonprofit association or, if the decentralized unincorporated nonprofit association  
13 does not have an address in this state, its out-of-state address;

14           (3) That the decentralized unincorporated nonprofit association is a decentralized  
15 unincorporated nonprofit association; and

16           (4) The action, procedure or vote of the decentralized unincorporated nonprofit  
17 association that authorizes the person to transfer the real property of the decentralized  
18 unincorporated nonprofit association and that authorizes the person to execute the statement of  
19 authority.

20           (d) A statement of authority shall be executed in the same manner as an affidavit by a  
21 person who is not the person authorized to transfer the estate or interest.

22           (e) A filing officer may collect a fee for recording a statement of authority in the amount  
23 authorized for recording a transfer of real property.

29 nonprofit association and the statement of authority is recorded in the office of the county in which  
30 a transfer of real property would be recorded, the authority of the person named in a statement of  
31 authority under subdivision (c)(4) of this section is conclusive in favor of a person who gives value  
32 without notice that the person lacks authority.

33  
34           4-28-709. Liability.

35           (a)(1) A debt, obligation, or other liability of a decentralized unincorporated nonprofit  
36 association is solely the debt, obligation, or other liability of the decentralized unincorporated

1 nonprofit association.

2 (2) A member or administrator is not personally liable, directly or indirectly, by way  
3 of contribution or otherwise for a debt, obligation, or other liability of the decentralized  
4 unincorporated nonprofit association solely by reason of being or acting as a member or  
5 administrator.

6 (3) Subdivisions (a)(1) and (a)(2) of this subsection apply regardless of the  
7 dissolution of the decentralized unincorporated nonprofit association.

8 (b) A person's status as a member or administrator does not prevent or restrict law other  
9 than this subchapter from imposing liability on the person or the decentralized unincorporated  
10 nonprofit association because of the person's conduct.

11 (c) The failure of a decentralized unincorporated nonprofit association to observe  
12 formalities relating to the exercise of its powers or administration of its activities and affairs is not  
13 grounds for imposing liability on a member or administrator of the decentralized unincorporated  
14 nonprofit association for a debt, obligation, or other liability of the decentralized unincorporated  
15 nonprofit association.

16  
17 4-28-710. Assertion and defense of claims.

18 (a) A decentralized unincorporated nonprofit association, in its own name, may institute,

24 against a member or administrator.

25  
26 4-28-711. Effect of judgment or order.

27 A judgment or order against a decentralized unincorporated nonprofit association is not by  
28 itself a judgment or order against a member or administrator.

29  
30 4-28-712. Appointment of agent to receive service of process.

31 (a) A decentralized unincorporated nonprofit association may file in the office of the  
32 Secretary of State a statement appointing an agent authorized to receive service of process.

2 authorized by the decentralized unincorporated nonprofit association.

3           (2) The statement required under subdivision (c)(1) of this section shall be signed  
4 and acknowledged by the person appointed agent, who thereby accepts the appointment.

5           (3) The appointed agent may resign by filing a resignation in the office of the  
6 Secretary of State and giving notice to the decentralized unincorporated nonprofit association.

7           (d) The Secretary of State may collect a fee for filing a statement appointing an agent to  
8 receive service of process, an amendment, or a resignation in the amount charged for filing similar  
9 documents.

10          (e) An amendment to or cancellation of a statement appointing an agent to receive service  
11 of process shall meet the requirements for execution of an original statement.

12          (f) An amendment shall be filed to update the office of the Secretary of State as to any  
13 change regarding an agent authorized to receive service of process within thirty (30) days of a  
14 change being made.

15  
16          4-28-713. Service of process.

17          In an action or proceeding against a decentralized unincorporated nonprofit association, a  
18 summons and complaint or other process shall be served on an agent authorized by appointment  
19 to receive service of process, any appointed administrator of the decentralized unincorporated  
20 nonprofit association, or in any other manner authorized by the law of this state.

21  
22          4-28-714. Claim not abated by change of members or other persons.

23          A claim for relief against a decentralized unincorporated nonprofit association does not  
24 abate because of a change in its members or persons authorized to administer the affairs of the  
25 decentralized unincorporated nonprofit association.

26  
27          4-28-715. Venue.

28          In addition to any other applicable state laws providing venue, venue of an action against a  
29 decentralized unincorporated nonprofit association may be brought in this state in the county in  
30 which the decentralized unincorporated nonprofit association has appointed an agent for services  
31 under § 4-28-712.

32  
33          4-28-716. Member has no agency power.

34          A member of a decentralized unincorporated nonprofit association is not an agent of the  
35 decentralized unincorporated nonprofit association solely by reason of being a member.

1           4-28-717. Member approval.

2           (a) Except as otherwise provided in the governing principles, a decentralized  
 3 unincorporated nonprofit association shall have the approval of its members according to its  
 4 governing principles to:

5                   (1) Suspend, dismiss, or expel a member;

6                   (2) Select or dismiss an administrator;

7                   (3) Adopt, amend, or repeal the governing principles;

8                   (4) Sell, lease, exchange, or otherwise dispose of all, or substantially all, of the  
 9 decentralized unincorporated nonprofit association's property, with or without the decentralized  
 10 unincorporated nonprofit association's goodwill, outside the ordinary course of its activities;

11                   (5) Dissolve under § 4-28-727, merge under § 4-28-729, or convert under § 4-28-730;

12                   (6) Undertake any other act outside the ordinary course of the decentralized  
 13 unincorporated nonprofit association's activities; or

14                   (7) Determine the policy and purposes of the decentralized unincorporated  
 15 nonprofit association.

16           (b) A decentralized unincorporated nonprofit association shall have the approval of the  
 17 members according to its governing principles to do any other acts or exercise a right that the  
 18 governing principles require to be approved by members.

19           (c) Unless otherwise provided for in the governing principles, membership interest in a  
 20 decentralized unincorporated nonprofit association shall be calculated in proportion to members'  
 21 voting rights within the decentralized unincorporated nonprofit association.

22  
 23           4-28-718. Utilization of distributed ledger technology.

24           (a) A decentralized unincorporated nonprofit association may provide for its governance, in  
 25 whole or in part, through distributed ledger technology, including smart contracts.

26           (b) The governing principles for a decentralized unincorporated nonprofit association may:

27                   (1) Specify whether any distributed ledger technology utilized or enabled by the  
 28 decentralized unincorporated nonprofit association shall be fully immutable or subject to change  
 29 and whether any such ledger shall be fully or partially public or private, including the extent of  
 30 members' access to information; and

31                   (2) Adopt voting procedures, which may include smart contracts deployed to  
 32 distributed ledger technology that provide for the following:

33                           (A) Proposals from administrators or members in the decentralized  
 34 unincorporated nonprofit association for upgrades, modifications or additions to software systems  
 35 or protocols;

36                           (B) Other proposed changes to the decentralized unincorporated nonprofit

1 association's governing principles; and

2 (C) Any other matters of governance or activities within the purpose of the  
3 decentralized unincorporated nonprofit association.

4  
5 4-28-719. Consensus formation algorithms and governance process.

6 According to its governing principles, a decentralized unincorporated nonprofit association  
7 may:

8 (1) Adopt any reasonable algorithm for establishing consensus for the validation of  
9 records, as well as for establishing requirements, processes, and procedures for conducting  
10 operations, or making organizational decisions with respect to the distributed ledger technology  
11 used by the decentralized unincorporated nonprofit association; and

12 (2) According to any procedure specified under § 4-28-718, modify the consensus  
13 mechanism as well as the requirements, processes, and procedures, or substitute a new  
14 consensus mechanism, requirement, processes, or procedures that comply with the requirements  
15 of law and the governing principles of the decentralized unincorporated nonprofit association.

16  
17 4-28-720. Duties to members.

18 (a) A member does not have any fiduciary duty to a decentralized unincorporated nonprofit  
19 association or to any other member of the decentralized unincorporated nonprofit association  
20 solely by being a member.

21 (b) A member shall discharge the duties and obligations under this subchapter or under the  
22 governing principles and exercise any rights consistent with the contractual obligation of good faith  
23 and fair dealing.

24  
25 4-28-721. Admission, suspension, dismissal, or expulsion of members.

26 (a)(1) A person becomes a member according to the governing principles of the  
27 decentralized unincorporated nonprofit association.

28 (2) If there are no applicable governing principles, a person shall:

29 (A) Be considered a member upon such person's purchase or assumption of  
30 a right of ownership of a membership interest or other property or instruments that confers upon a  
31 person a voting right within the decentralized unincorporated nonprofit association; and

32 (B) Continue as a member until the earlier of the person's resignation under  
33 § 4-28-722 or expulsion under subsection (b) of this section.

34 (b)(1) A member may be suspended or expelled according to the governing principles of the  
35 decentralized unincorporated nonprofit association.

36 (2) If there are no applicable governing principles, a person may be suspended or

1 expelled from a decentralized unincorporated nonprofit association only by a vote of its members.

2 (c) Unless the governing principles provide otherwise, the suspension or expulsion of a  
3 member does not relieve the member from any obligation incurred or commitment made by the  
4 member before suspension or expulsion.

5  
6 4-28-722. Member's resignation.

7 (a)(1) A member may resign as a member of a decentralized unincorporated nonprofit  
8 association according to the governing principles.

9 (2) In the absence of applicable governing principles, a member shall be deemed to  
10 have resigned as a member upon the disposal, voluntary or involuntary, of all membership interest  
11 or other property or instruments that confers upon the person a voting right within the decentralized  
12 unincorporated nonprofit association.

13 (b) Unless a decentralized unincorporated nonprofit association's governing principles  
14 provide otherwise, resignation of a member does not relieve the member from any unpaid capital  
15 contribution, dues, assessments, fees, or other obligation incurred or commitment made by the  
16 member before resignation.

17  
18 4-28-723. Membership interest transferable.

19 Except as otherwise provided in the decentralized unincorporated nonprofit association's  
20 governing principles, a member's interest or any right thereunder is freely transferable to another  
21 person through conveyance of membership interest.

22  
23 4-28-724. Selection of administrators — Rights and duties of administrators.

24 (a) Except as otherwise provided in this subchapter or a decentralized unincorporated  
25 nonprofit association's governing principles, the members may select the decentralized  
26 unincorporated nonprofit association's administrators according to § 4-28-717.

27 (b) If an administrator is not selected, then no member of the association is an  
28 administrator.

29 (c) As there is no requirement that a decentralized unincorporated nonprofit association  
30 should have administrators, there are no default obligations, and the rights and duties of an  
31 administrator or administrators are a result of the specific authority authorized by the decentralized  
32 unincorporated nonprofit association through approval of its members according to § 4-28-717 and  
33 contractual agreement with its administrator or administrators.

34 (d) An administrator has no authority to act on behalf of the decentralized unincorporated  
35 nonprofit association beyond the specific authorization granted in the selection process.

36 (e) If in a record, the governing principles of a decentralized unincorporated nonprofit

1 association may limit or eliminate the liability of an administrator to the decentralized  
 2 unincorporated nonprofit association or its members for money damages for any action taken, or  
 3 for failure to take any action, as an administrator except liability for:

4 (1) The amount of financial benefit improperly received by an administrator;

5 (2) An intentional infliction of harm on the decentralized unincorporated nonprofit  
 6 association or its members;

7 (3) An intentional violation of criminal law;

8 (4) A breach of the duty of loyalty should one exist, unless a full disclosure of all  
 9 material facts, a specific act or transaction that would otherwise violate the duty of loyalty by an  
 10 agent be authorized by approval of the disinterested members under § 4-28-717; or

11 (5) Improper distributions.

#### 13 4-28-725. Rights of members and administrators to information.

14 (a) On reasonable notice, a member or administrator of a decentralized unincorporated  
 15 nonprofit association is entitled to an electronic record of any record maintained by the  
 16 decentralized unincorporated nonprofit association regarding its activities, financial condition, and  
 17 other circumstances, to the extent the information exists and is material to the member's or  
 18 administrator's rights and duties under the decentralized unincorporated nonprofit association's  
 19 governing principles of this subchapter, subject to subsection (b) of this section.

20 (b) A decentralized unincorporated nonprofit association has no obligation to furnish any  
 21 record maintained by the decentralized unincorporated nonprofit association for record requests  
 22 which the member or administrator has access, including through records made available on  
 23 distributed ledger technology.

24 (c) A decentralized unincorporated nonprofit association may impose reasonable  
 25 restrictions on access to and use of information to be furnished under this section, including  
 26 designating the information confidential and imposing nondisclosure and safeguarding obligations  
 27 on the recipient.

28 (d) A former member or administrator may have access to information to which the  
 29 member or administrator was entitled while a member or administrator if the information pertains  
 30 to the period during which the person was a member or administrator, the former member or  
 31 administrator seeks the information in good faith, and the former member or administrator satisfies  
 32 the requirements of subsections (a)—(c) of this section.

33 (e) A decentralized unincorporated nonprofit association has no obligation to collect and  
 34 maintain member listings.

#### 36 4-28-726. Reimbursement — Indemnification — Advancement of expenses — Insurance.

1       (a) Except as otherwise provided in a decentralized unincorporated nonprofit association's  
2 governing principles, members or administrators may be reimbursed for authorized expenses  
3 reasonably incurred on behalf of the decentralized unincorporated nonprofit association.

4       (b)(1) A decentralized unincorporated nonprofit association may indemnify a member or  
5 manager for any debt, obligation, or other liability incurred during the member or administrator's  
6 activities on behalf of the decentralized unincorporated nonprofit association.

7               (2) To be eligible for indemnification, an administrator shall have complied with the  
8 duties stated in § 4-28-724.

9               (3) If in a record, a decentralized unincorporated nonprofit association's governing  
10 principles may broaden or limit this right of indemnification.

11       (c)(1) If a person is made or threatened to be made a party in a proceeding based on that  
12 person's conduct of the affairs of a decentralized unincorporated nonprofit association, that person  
13 is entitled, upon written request to the decentralized unincorporated nonprofit association, and  
14 approval, in a record, of the disinterested members under § 4-28-717 of this subchapter, to receive  
15 payment of or reimbursement by the decentralized unincorporated nonprofit association of  
16 reasonable expenses, including attorney's fees and disbursements, incurred by that person in  
17 advance of the final disposition of the proceeding.

18               (2) To be entitled to the advance payments or reimbursements under subdivision  
19 (c)(1) of this section, the person making the request shall make a written affirmation that the person  
20 has a good faith belief that the criteria for indemnification in subsection (a) of this section have  
21 been satisfied and that the person will repay the amounts paid or reimbursed if it is determined that  
22 the criteria for reimbursement have not been satisfied.

23       (d) A decentralized unincorporated nonprofit association may purchase and maintain  
24 insurance on behalf of a member or administrator for liability asserted against or incurred by the  
25 member or administrator in that capacity, whether or not the decentralized unincorporated  
26 nonprofit association would have the power to indemnify or advance expenses to the member or  
27 administrator against the same liability under this subchapter.

28       (e) These rights of reimbursement, indemnification, and advancement of expense apply to  
29 former members or administrators for activities undertaken on behalf of the decentralized  
30 unincorporated nonprofit association while they were members or administrators.

31  
32       4-28-727. Dissolution — Continuation of existence.

33       (a) A decentralized unincorporated nonprofit association may be dissolved by any of the  
34 following methods:

35               (1) If the governing principles of the association provide a time or method for  
36 dissolution by that method;

(2) If the governing principles of the association do not provide a method for dissolution, upon approval of the members according to § 4-28-717;

(3) If membership in the organization falls below one hundred (100) members; or
