

2025 Annual Report

Office of Medicaid Inspector General

Arkansas Department of Inspector General
October 1, 2026

Overview

This annual report, required by Ark. Code Ann. § 20-77-2509(a), summarizes the activities of the Office of Medicaid Inspector General (OMIG) for the preceding calendar year: January 1, 2025, to December 31, 2025. OMIG opened 111 fraud investigations, conducted 800 audits and related activities, initiated 59 administrative actions, and referred 34 cases to prosecutors or licensing authorities.

Investigations

OMIG opened 111 and completed 98 investigations. Details on each investigation are attached. Investigations begin because of audits, public complaints, self-reports by Medicaid providers, referrals from external agencies, and referrals from law enforcement agencies, including the Attorney General's Medicaid Fraud Control Unit (MFCU). OMIG continues to use data analytics to identify fraud, waste, and abuse.

Audits

OMIG initiated and completed 800 audits and audit activities: This includes 36 desk audits, 192 contractor audits, and 572 recoupment letters. Details for all audits and audit activities are attached.

Administrative Actions

OMIG initiated 59 administrative actions against providers in 2025, which included 24 suspensions, 32 exclusions, and 3 reinstatements. Administrative actions include sanctions, such as suspension from payment of Medicaid claims and exclusion from participation in the Medicaid program. These actions are detailed in the attachments.

Referrals

In 2025, OMIG made 34 referrals to licensing authorities and MFCU. These referrals are detailed in the attachments.

Provider-Led Arkansas Shared Savings Entities (PASSE) Oversight

OMIG oversees the fraud, waste and abuse efforts of the four Provider-Led Arkansas Shared Savings Entities (PASSEs). OMIG works closely with the PASSE Special Investigative Units, which refer providers to OMIG when they identify potential fraud. The PASSEs conduct investigations and audits of providers within their networks and recover any overpayments identified. In calendar year 2025, the PASSEs together identified \$5,069,740.98 in overpayments.

Educational Activities

OMIG conducted an annual training session attended by PASSE Special Investigation Units, MFCU, and the Department of Human Services. OMIG staff attended the National Association for Medicaid Program Integrity, the National Healthcare Anti-Fraud Association State Information Sharing Session, the Central Arkansas chapter of the American Academy of Professional Coders, Arkansas Foundation for Medical Care Workshops, and the Healthcare Fraud Prevention Partnership.

Office Performance

OMIG's total dollars identified 2025 were \$8,349,055.90 and total dollars recovered were \$4,958,886.67 as detailed in the chart below. Recoveries are often less than identified payments for several reasons. Many providers submit requests for reconsideration and appeals, which can reduce the amount owed or delay its recovery. At times, identified amounts become unrecoverable when a provider goes out of business.

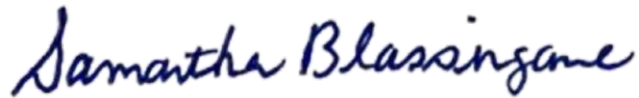

Source	Identified	Recovered	On Appeal
OMIG Audits	\$4,806,465.67	\$3,427,057.32	\$669,290.55
Pharmacy Audits	\$2,428,855.48	\$1,486,488.71	\$0.00
UPIC Audits	\$1,113,734.75	\$45,340.64	\$592,817.18
TOTAL	\$8,349,055.90	\$4,958,886.67	\$1,262,107.73

The portion paid to the Center for Medicaid & Medicare Services of recovered dollars on 2025 calendar year identified dollars was \$3,491,608.37 in savings to the federal government. The Arkansas Medicaid program retained \$1,467,278.30. OMIG operations cost the State \$1,153,207, resulting in \$314,071.30 total savings to the State.

Conclusion

OMIG is expanding its focus on provider outreach by developing strategies that create the greatest return on investment and increase program integrity. We rely on our staff of auditors, registered nurses, professional coders, and investigators to fully execute our role in detecting and preventing fraud, waste, and abuse within the Medicaid program. Please feel free to contact our office any time if we can provide more information.

Thank you,

A handwritten signature in blue ink that reads "Samantha Blassingame". The signature is written in a cursive, flowing style.

Samantha Blassingame
Director, Office of Medicaid Inspector General
