Re: Arkansas Securities Department Quarterly Report Pursuant to Act 167 of 2018
Date: July 15, 2020

During the fourth quarter of Fiscal Year 2020, the Arkansas Securities Department collected a total of \$500.00 in fines assessed from Orders. The total amount collected was deposited to special revenues, funding investor education activities. A list of the orders is provided on the attached spreadsheet. There were no settlements or agreements that directed payments to third parties. Copies of the Orders are available on the Department's website at www.securities.arkansas.gov under the legal section.

Pursuant to the Arkansas Securities Act, fines paid for violations involving the Securities Act are deposited into the Investor Education Fund, until the total amount of fines collected reaches \$150,000 for each fiscal year. Securities Act fine money in excess of \$150,000 collected in any one year is designated as general revenues.

During the fourth quarter no funds were spent from the Investor Education Fund. The Investor Education program made two presentations to approximately 62 persons during this quarter. The programs included presentations at Economics Arkansas's virtual Teachers Conference and financial literacy and investing basics. Regular presentations for seniors, retirement planning, and inmates at correctional facilities were cancelled or postponed due to the Covid-19 global pandemic.
