Dear Co-Chairs:

Attached are my recommendations for reappropriation of various infrastructure projects for the 2026 Fiscal Year. The recommendations reflect the anticipated need for reappropriation as requested by the agencies and will ensure sufficient appropriation is available to continue existing projects. The recommendations are separated by fund accounts for your review.

On behalf of the Higher Education Coordinating Board and the constitutional offices, I am also including reappropriation of various infrastructure projects for the institutions of higher education and constitutional offices for the 2026 Fiscal Year. These requests do not require my recommendation.

I respectfully request that the projects on the attached schedule be introduced as Joint Budget Committee Bills.

Sincerely,

A handwritten signature in blue ink that reads "Sarah Sanders".
