The Honorable Blake Johnson, Co-Chairperson
The Honorable Frances Cavanaugh, Co-Chairperson
ALC Review
State Capitol Building, Room 315
Little Rock, Arkansas 72201

Dear Senator Johnson and Representative Cavanaugh:

Under Arkansas Procurement Law, all non-exempt contracts for “services,” as defined in Arkansas Procurement Law, must be presented for legislative review if they have an annual contract amount that equals or exceeds fifty thousand dollars (\$50,000) in any contract year or a total projected contract amount of three hundred fifty thousand dollars (\$350,000) over the term of the contract. See Ark. Code Ann. § 19-11-265.

With this letter, the Office of State Procurement (OSP) presents for legislative review all contracts that it has received this month. None of the contracts presented appear, on their face, to have been procured in violation of Arkansas Procurement Law. We ask for their favorable review. As further explained below, OSP also presents a contract from the Used Tire Board and a ratification request from the University of Arkansas for Medical Sciences.

Used Tire Board (UTP4) Contract

The Used Tire Board (UTP4) is requesting review of a contract with LTR Intermediate Holdings, Inc. (dba liberty Tire Recycling, LLC) for waste tire processing services. As recognized in Arkansas Attorney General Opinion No. 2023-095, while Tire Accountability Boards are generally considered political subdivisions, they are explicitly defined as state agencies in the context of procurement law. Because the Boards are statutorily created, receive state funds, and operate under state supervision (previously the Arkansas Department of Environmental Quality, now the Arkansas Department of Energy and Environment), they must adhere to Arkansas Procurement Law. See Ark. Atty. Gen. Op. No. 2023-095, p. 3. The Opinion states, “UTPs and tire accountability boards are state agencies under the Arkansas Procurement Law, so they must follow the procurement procedures set out in that law.” Ark. Atty. Gen. Op. No. 2023-095, p. 4.

UTP4’s contract with LTR Intermediate Holdings, Inc. (dba Liberty Tire Recycling, LLC) has an initial one-year term of \$888,000 and a total projected cost of \$6,216,000. Because these amounts exceed the mandatory review threshold set forth in Ark. Code Ann. § 19-61-116(a)(1) and the Board is a “state agency” for procurement purposes, this contract is required to be presented to ALC for review. See Ark. Atty. Gen. Op. No. 2023-095, p. 3.

Ratification Request

One ratification request is also being presented for review. The University of Arkansas for Medical Sciences (UAMS) is presenting contract RA20150754 for ratification. In 2019, UAMS outsourced FMLA administrative services to a third-party vendor through a formal RFP bid process with an initial three-year term. In 2021, the contract was amended to add funding and extend for time through October 30, 2024. However, due to an administrative oversight the contract was not formally extended past 2024 even though services from the vendor continued. UAMS is seeking ratification of Amendment 2, which amends the contract for the period of October 7, 2024, to October 6, 2026.

Original RFPs

As requested during the September 20, 2024, ALC meeting, I also note the date the original RFPs were issued, and the RFP method (MAP or traditional) utilized for the procurement:

Rules Report

Finally, as required by Section 19 of Act 782, OSP reports that it has completed its work with Ikaso Consulting to review and revise portions of the Arkansas Procurement Rules. The Governor's Office has approved the amended rules, and the rules are currently being published for public comment. The public hearing is scheduled for February 13, 2026.

If you have any questions, we will do our best to see that they are answered.

Sincerely,

Senator Blake Johnson & Representative Frances Cavanaugh
Chairs of the ALC Review Subcommittee
1 Capitol Mall, Fifth Floor
Little Rock, AR 72201

Dear Senator Johnson and Representative Cavanaugh,

The Office of Human Resources, a Division of the University of Arkansas for Medical Sciences (UAMS), respectfully requests ratification of payments to FMLA Source, Inc., for Family and Medical Leave Act (FMLA) Outsourcing Services.

In 2019, UAMS outsourced FMLA administrative services to a third-party vendor following a formal RFP process. The initial contract (TGS # RA20150754) was submitted and approved by Arkansas Legislative Council. The original contract term was for three years, effective October 7, 2019, through October 6, 2022.

In 2021, Amendment 1 (TGS # RA20150754_A1) was submitted on July 29, 2021, for Legislative review and reporting. The amendment added additional funding and extended the contract term through October 30, 2024, and was subsequently reviewed and released in 8/2021. Following the expiration of this amended term, an additional amendment was inadvertently not submitted to formally extend the contract.

UAMS recently discovered this oversight during an internal review prompted by the Office of Human Resources' request to continue these services. The collective length of the contract is within the allowable seven-year lifespan, which concludes on October 6, 2026.

UAMS intends to submit Amendment 2 (TGS #RA20150754_A2) for Legislative review to formally amend the contract for the period October 7, 2024, through October 6, 2026. As part of the submission, UAMS respectfully requests ratification for extended payments to be made to FMLA Source, Inc. from October 30, 2024 to the present date.

UAMS has addressed this issue with the staff members involved, and corrected measures have been implemented. UAMS utilizes a centralized contract management system that provides automatic notifications to contract initiators and assigned stakeholders 60-90 days before the contract expiration date so that these issues will not occur.

Please let us know if additional information or documentation is required.

Sincerely,

A handwritten signature in black ink that reads "Amanda George". The signature is fluid and cursive, with the first name and last name clearly distinguishable.

End Overdose shall provide the following, in accordance with the requirements set forth by the State Opioid Response (SOR) IV grant through OSAMH. End Overdose will provide three newly developed versions of the high-quality, research-backed education training programs focused on opioid abuse prevention and stigma reduction for Arkansas. End Overdose will film, perform script translation, and create closed captioning in Spanish, Vietnamese, and Marshallese to expand the reach of the existing opioid use disorder training to communities that need additional resources to prevent overdose and address stigma surrounding opioid use disorder. Data collection and evaluation will also be used to measure the program's effectiveness and improve service delivery. The State Opioid Response (SOR) IV grant provides federal funding to help Arkansas address the opioid and stimulant crisis. Administered by the Substance Abuse and Mental Health Services Administration (SAMHSA), SOR IV focuses on helping states by expanding access to prevention, treatment, & recovery support services for individuals affected by opioid and stimulant use disorders. The Arkansas Department of Human Services, Office of Substance Abuse and Mental Health (OSAHM) has awarded MidSOUTH the SOR IV Prevention Infrastructure contract to address the opioid crisis at the local community level through evidence-based strategies, capacity building, collaboration, & adherence to grant requirements. The funding aims to reduce overdose deaths, improve treatment outcomes, & build a sustainable infrastructure for long-term recovery efforts across the state. One of the contract deliverables is to partner with OSHAM's established contract provider, End Overdose (EO), provide collaborative & comprehensive training on opioid abuse signs, symptoms, & prevention and fighting stigma across the state using the current EO online learning portal.
