The Honorable Blake Johnson, Co-Chairperson
The Honorable Frances Cavanaugh, Co-Chairperson
ALC Review Subcommittee
State Capitol Building, Room 315
Little Rock, Arkansas 72201

Dear Senator Johnson and Representative Cavanaugh:

Under Arkansas Procurement Law, all non-exempt contracts for “services” must be presented for legislative review if they have an annual contract amount that equals or exceeds fifty thousand dollars (\$50,000) in any contract year or a total projected contract amount of three hundred fifty thousand dollars (\$350,000) over the term of the contract. See Ark. Code Ann. § 19-61-116.

In accordance with the Executive Subcommittee report dated September 18, 2026, with this letter the Department of Shared Administrative Services, Office of State Procurement (OSP), is presenting for legislative review all such services contracts with imminent need for review.

OSP also presents the following:

Ratification Requests

The following ratification requests are presented for review:

- The Arkansas Department of Shared Administrative Services (SAS), Division of Building Authority (DBA), is requesting ratification of expenditures associated with the security services contract with Allied Security for the Army-Navy Hospital property. Although a renewal request was submitted for Fiscal Year 2027, necessary funding was inadvertently not added to the contract and all previously authorized funds were depleted, leaving an outstanding balance of \$29,904.45 for services rendered. Please note that security services have not been suspended due to the critical public safety risks associated with leaving the vacant property unmonitored. In addition, they are seeking authorization for additional funding to cover weekly costs of \$4,552.80 with the approval of this amendment.
- The Arkansas Department of Veterans Affairs (ADVA) is requesting ratification of its contract with MDB Health Services, a vendor providing mental health and podiatry services to veterans residing at the Arkansas State Veterans Home in North Little Rock (ASVH-NLR). Prior to contracting with MDB Health Services, these veterans were receiving services with the Eugene J. Towbin VA Healthcare Center. In September 2025, ADVA was notified by State surveyors that these services must be provided by ASVH-NLR as resident VA per diem are inclusive. In November 2025, ADVA initiated a service agreement through a small order purchase order with MDB Health Services. After several months, the vendor ceased sending invoices. A few months later ADVA received invoices totaling \$71,875 (\$57,125 for mental health services and \$14,750 for podiatry services)

for service dates of 01/06/2026 until 08/24/2026. MDB has stated that the invoices were delayed due to issues with their billing practices. ADVA is currently working with the Office of State Procurement (OSP) on a formal bid and has an anticipated award date of December 1, 2026.

None of the remaining contracts presented appear, on their face, to have been procured in violation of Arkansas Procurement Law. We ask for their favorable review.

Original RFPs

As requested during the September 20, 2024, ALC meeting, I also note the date the original RFPs were issued, and the RFP method (MAP or traditional) utilized for the procurement:

If you have any questions, we will do our best to answer them.

Subject: Ratification Request for Allied Security Contract 4600056397

Dear Senator Johnson and Representative Cavanaugh:

The Department of Shared Administrative Services, Division of Building Authority (DBA), respectfully requests ratification of expenditures associated with the security services contract with Allied Security for the Army-Navy Hospital property.

A renewal request for Fiscal Year 2027 was submitted; however, staff inadvertently failed to add the necessary funding to that request. Although the contract remains valid through June 30, 2027, all previously authorized funds have now been fully depleted, and DBA currently owes the vendor \$29,904.45 for services rendered. DBA is requesting ratification of these incurred charges, as well as authorization to continue covering weekly costs at the established rate of \$4,552.80 through approval of this amendment.

It is important to note that security services have not been suspended due to the critical public safety risks associated with leaving this vacant property unmonitored. Continuation of services is essential to protect both the facility and the surrounding community.

DBA respectfully requests approval of this ratification and amendment to ensure uninterrupted security operations and to fulfill the agency's outstanding financial obligations under this contract.

Sincerely,

James Caldwell

Dear Chairman Johnson and Chairman Cavanaugh:

The Arkansas Department of Veterans Affairs (ADVA) is requesting a ratification of funds for MDB Health Services, a vendor providing mental health and podiatry service to our veteran residents at the Arkansas State Veterans Home in North Little Rock (ASVH-NLR).

Prior to contracting with MDB Health Services for the above-mentioned veteran services, ASVH-NLR residents were receiving this support from Eugene J. Towbin VA Healthcare Center. In September 2025, ADVA was notified by state surveyors that these services must be provided by ASVH-NLR as resident VA per diem payments are inclusive and receipt of services at Towbin are the equivalent of double VA funding.

In November 2025 ADVA initiated a service agreement through a small order purchase order with MDB Health services. After several months, the vendor ceased sending invoices. A few months later ADVA received invoices totaling \$71,875 (\$57,125 mental health services and \$14,750 podiatry services) with service dates of 1/6/2026 until 8/24/2026. MDB has stated that it was behind in sending invoices due to issues with their billing practices. ADVA has been approved for an emergency contract for six months while we work with OSP for a formal bid. The anticipated award date is December 1, 2026, for the formally bid contracts.

Your favorable consideration of this request is greatly appreciated.

Respectfully,

A handwritten signature in blue ink, appearing to read "Robert A. Ator II", is written over a blue circular stamp.
