Arkansas Legislative Council – Review Subcommittee
State Capitol Building
Little Rock, AR 72201

Dear Senator Flippo and Representative Davis:

The Arkansas Division of Higher Education requests a suspension of the Committee rules requiring submission of items 10 days in advance of a committee meeting to review the attached MOF. The project is for Phillips Community College of the University of Arkansas (PCCUA) – T&I Education Building Roof.

This request is needed due to an oversight at the Division in the submission of this request from the institution. Review of this request prior to the next scheduled meeting is needed to prevent a delay in the repair of the building roof. Should you require additional information, please let me know and I will be happy to provide.

Thank you for your consideration in this matter.

Sincerely,

A handwritten signature in black ink that reads 'Maria Markham'.
