Governor Sarah Sanders  
500 Woodlane St  
Little Rock, AR 72201

Honorable Governor Sanders:

The Department of Public Safety – Division of Commission on Law Enforcement Standards and Training (CLEST) is requesting to reallocate ARPA funding within its current ARPA projects that was approved during the September PEER meeting. CLEST is currently in the planning and design phase of the Camden Campus and Northwest Campus upgrades project. The Camden project is updating/renovating the current facility that dates back to 1969, renovating existing student barracks and adding a new covering to the existing firing range. The Northwest Arkansas Campus renovation is constructing a new training facility and adding a covering to the existing firing range.

During the planning and design process there have been indicators that one project is overfunded, and the other project is underfunded. We believe both projects can be completed within the funds allocated.

Consideration of this request is greatly appreciated.

Sincerely,

A handwritten signature in blue ink that reads "Col. Mike A. Hagar #115". The signature is written in a cursive style.
