RE: Supplemental Items

Dear Co-Chairs:

Please arrange for the following item to be placed on the agenda for consideration at the June 17 meeting of the Arkansas Legislative Council – Performance Evaluation and Expenditure Review Committee due to imminent need. This request has received my approval as Chief Fiscal Officer of the State.

- Fiscal Year 2026 IIJA Request - Department of Energy and Environment -- Weatherization Assistance Program - \$30,933,791

This request was inadvertently omitted from the original submission by the Office of Budget. The appropriation is necessary to ensure timely processing of subgrant reimbursement invoices to Community Action Agencies who administer the Weatherization Assistance Program.

Sincerely,

A handwritten signature in blue ink, appearing to read 'JL Hudson', is written over a horizontal line.
