RE: Arkansas Minority Health Commission Promotional Items Transfer Request

Dear Mr. Hudson:

The Arkansas Minority Health Commission of the Arkansas Department of Health (ADH) requests an appropriation transfer of \$15,000 from Operating Expenses (BM02) to Promotional Items (BS28) in accordance with Arkansas Code §19-4-516.

Business Area: 0319
Fund: TSE0100000
Amount: \$15,000

Functional Area: A463000.0319
From: Commitment Item: BM02
To: Commitment Item: BS28

Initiated Act 1 of 2000 (Targeted State Needs Program) charged the Commission with performing broad outreach and awareness to minority communities throughout the state. This is accomplished through numerous health fairs, health screening events, public forums, and awareness events throughout the year. This request will allow the Commission to purchase health related promotional items such as mini first-aid kits, medicine box organizers, hand sanitizers, water bottles, and infant onesies that promote safe sleep.

If you would like additional information, I can be reached at Geray.Pickle@arkansas.gov or by phone at 501-661-2748.

Your consideration of this request is greatly appreciated.

Sincerely,

A handwritten signature in black ink that reads "J. Don Adams".
