

## ESSER II/GEER II Funding

### ESSER II - Proposed allocations for the broad categories identified as priorities for the \$55.8 million state set aside from ESSER II funding

**Covid Emergency Leave** - \$4.6 million to fund unmet Covid Emergency Leave claims from school districts.

#### Statewide Strategy for Mental Health and Behavioral Support – up to \$12 million

- ❖ Arkansas Mental and Behavioral Health Model: Establishing a statewide behavioral and mental health model to support the mental well-being of students that have been impacted by the pandemic. Trauma faced at developmental stages may have long-term consequences as well as manifest in low engagement, failing classes, and disruptive behaviors in older students. Because there is a direct link between students' mental and behavioral wellness and overall positive student achievement, the focus on behavioral and mental health support is critical.
- ❖ Counselor Support: Support for school based counselors and mental health professionals in the areas of depression, anxiety, and grief. Studies have shown an increase in suicide and depression during the pandemic that will have long term effects on the well-being of students.

#### Addressing Unmet Student Needs / Addressing Learning Gaps - up to \$30 million

- ❖ Early Childhood Support: Partner with Arkansas PBS and DHS - Division of Childcare and Early Childhood Education for statewide Pre-K curriculum and academic support, with consideration for a statewide kindergarten readiness assessment.
- ❖ RISE Arkansas: Provide additional support for the state's reading initiative and teachers achieving proficiency in the science of reading and create a network of Certified Academic Language Therapists for dyslexia across the state.
- ❖ CTE/Workforce Education: Expansion of digital CTE course offerings with focus on courses that can lead to industry-recognized credentials
- ❖ District Support: Because these funds can be obligated through September 30, 2023, we propose to set aside funding for future distribution to districts to address unforeseen needs that could arise after the current school year.

#### Teaching Academies – up to \$5 million

- ❖ Licensed Educators: Recognizing the importance of students having access to certified teachers across the state, The Department will fund and partner with higher education institutions for a Special Education Academy, as well as an Academy for Online Teaching Endorsements.

#### Statewide Strategy for Student Engagement and Dropout Prevention – up to \$5 million

- ❖ Student Engagement: The pandemic has increased the number of students who are at risk to not graduate. The Division will expand the current Engage AR initiative to support students who have disengaged during the pandemic and are in jeopardy of failing or dropping out.

**GEER II - Proposed allocations for the broad categories identified as priorities for the \$13.378 million state allocation from the Governor's Emergency Education Relief program. The items listed total more than \$13.378 million to facilitate, pursuant to the intent of Congress, the discretion of the Governor regarding the most urgent needs.**

**Arkansas School for Blind and Arkansas School for the Deaf – \$1 million**

- ❖ Upgrade HVAC systems to facilitate safer learning and work environments - Many of the HVAC systems have significant deferred maintenance issues, and some have exceeded their useful life.

**Educator Development for Computer Science and Computing Initiative - \$2.5 million**

- ❖ Funding to establish, in partnership with higher education institutions, a Computer Science Teacher Academy over the next 2 years to support the development of teachers to help meet the requirement of a certified teacher in every district.

**Arkansas Mental Health Initiative - \$5 million**

- ❖ Up to \$5 million (can be matched with additional funds from ESSER II) to provide direct support to establish a statewide behavioral and mental health model. Many young children's social, emotional, or mental well-being has been impacted by the pandemic. Trauma faced at this developmental stage may have long-term consequences as well as manifest in low engagement, failing classes, and disruptive behaviors. Because there is a direct link between students' mental and behavioral wellness and overall positive student achievement, the focus on behavioral and mental health support is critical.

**Pre-K – \$5 million**

- ❖ Up to \$5 million (can be matched with additional funds from ESSER II) to partner with Arkansas PBS and DHS - Division of Childcare and Early Childhood Education for development of statewide Pre-K curriculum and resources.

**Additional support for designated schools**

- ❖ Due to Congress requiring the distribution of ESSER funds by the Title I methodology, some school districts are receiving low ESSER allocations relative to other districts. These districts have requested consideration for additional discretionary funding to meet Covid-related expenses.
