The Commission and the Board of Judges may order that any licensee be tested for illegal drugs on a random or for cause basis. Licensees testing positive for illegal drugs are subject to fine, suspension, probation, or revocation of their license. Persons applying for a license who test positive for illegal drugs may, at the discretion of the Commission, be granted a probationary license, if they enroll in a drug treatment or counseling program approved by the Commission. Otherwise, such persons shall not be eligible for licensure.~~

~~3107. All registrations of kennel names by the National Greyhound Association, and all recognized by State Racing Commissions shall be respected in Arkansas.~~

~~3108. In applying to race under a kennel name, the applicant must disclose the identity or identities of the owners associated with the kennel name. Any partnership or corporation associated with a kennel name shall comply with the Rules governing partnerships or corporations and the usual fees of such partnerships or corporations shall be paid in addition to the fees for the registration of the name.~~

~~3109. Changes in identities of owners associated with the kennel name shall be reported immediately to and approval obtained from the Commission.~~

~~3110. Any person may abandon a registered kennel name at any time after he has given written notice to the Commission and the Franchise Holder.~~

~~3111. No trainer shall have any ownership interest in a greyhound of which he/she is not the trainer located at the same track.~~

~~3112. A corporate name shall be considered a kennel name for the purposes of these Rules, but the Commission may refuse any corporation the privilege of registering a kennel name.~~

~~KENNEL OWNERS~~

~~3115. Each kennel owner shall submit a registration paper for each of their greyhounds with the Racing Secretary giving the name, color, sex, age, breeding, and characteristic markings, scars, and other identification features not above named. Each Franchise Holder shall keep and maintain during its meeting the registration papers for each greyhound containing the above information.~~

~~3116. If any kennel owner changes trainers, he/she must notify the Racing Secretary and cause the trainer's name to be changed on the kennel owner's roster. No greyhound will be eligible for entry until transfer has been made.~~

~~PARTNERSHIPS~~

~~3120. Each and every partnership must be registered with the Commission.~~

~~3121. Partnership papers shall, among other things, set forth the following:~~

~~D. The terms of any contingency, lease, or any other arrangement concerning the greyhound.~~

~~3122. All partnership papers must be signed by all of the parties or by their authorized agents.~~

~~3123. In cases of emergency, authority to sign declarations of partnership may be given to the Racing Secretary by a telegram promptly confirmed in writing.~~

~~3124. If the Racing Secretary is unable to communicate with all proper parties in an attempt to obtain a declaration of partnership, he/she may authorize a greyhound involved in a partnership to enter and start in a stake race without a declaration of partnership.~~

~~3125. Any alteration in a recorded partnership registration, to be effective, must be reported in writing to the Commission and signed by all the partners.~~

~~3126. All the parties to a partnership, and each of them, shall be jointly and severally liable for all stakes, forfeits, and other obligations.~~

~~CORPORATE OWNERS~~

A copy of the agent's agreement with the owner, if in writing, shall be attached to the application.~~

~~3141. A copy of the application and written agreement, if any, shall be filed permanently with the Racing Secretary.~~

~~3142. An Authorized Agent may appoint a subagent only when authorized in writing by the owner and written notice of such appointment is given to the Commission.~~

~~3143. Any changes in the agent's authority must be in writing and filed as above provided.~~

~~3144. If an agent represents more than one owner, a separate application shall be filed for each owner.~~

~~3145. The term of the license shall be the calendar year unless the agent's appointment is revoked by the owner, or the license is revoked by the Racing Commission.~~

~~3146. The revocation of an agent's authority shall be filed in writing with the Commission and with the Racing Secretary.~~

~~**ARKANSAS BREEDERS PROGRAM**~~

~~3160. *Arkansas Breeders Program.* "Registered Arkansas-bred" greyhound registration and eligibility to participate in the Arkansas Racing Commission Purse and Awards Fund shall be determined and made in accordance with registration rules adopted by the Greyhound Breeders of Arkansas and approved by the Commission.~~

~~3161. *Distribution of Arkansas Breeders Purse and Award Funds.*~~

~~(c) If the Arkansas Racing Commission determines that all the documentation is proper and correct, the Arkansas Racing Commission shall distribute monies from the Arkansas Breeders Purse and Award Fund to the appropriate parties by the 20th of the month of the appropriate calendar quarter.~~

~~GREYHOUND REGISTRATION~~

~~3175. No greyhound shall be entered or permitted to race or to be schooled at any racetrack operated or licensed under the jurisdiction of the Commission unless properly registered with the National Greyhound Association, which is the recognized official breeding registry of all greyhounds. Any greyhound whose lack of registration with the approved registry is attributable to arbitrary, discriminatory or other unreasonable action or inaction on the part of such agencies may be certified by the Commission. A greyhound may not be entered for racing or schooling at any official track unless it has been tattooed and registered in the NGA Stud Book and the last six performance lines, if applicable, and the racing history of the greyhound are made available to the Racing Secretary.~~

~~3177. Any transfers of any title to or interest in greyhounds schooled, entered, or racing at any racetrack under the jurisdiction of the Commission shall be registered with the National Greyhound Association. No title in any greyhound will be recognized by the Commission until such title shall be evidenced by written instrument duly filed with the National Greyhound Association.~~

~~GREYHOUND SCHOOLING~~

~~3180. Greyhounds must be properly officially schooled in the presence of the Presiding Judge and the Commission Judge at least one time at the track where they are to race, provided that the greyhound has run an official race at another recognized track~~

~~and a recognized meeting within 30 calendar days preceding its entry for official schooling. The track shall carry the past performance lines from the previous four races in the Official Racing Program. A greyhound racing at approximately 5/16 mile distance shall be schooled at that distance. Each schooling race should consist of at least 6 greyhounds. However, if conditions create a hardship, less than 6 greyhounds may be schooled with the permission of the Commission Judge. Any greyhound that has raced at a track franchised by the Arkansas Racing Commission that has not been entered for a period of 6 racing days, and/or has not raced for a period of 10 racing days or more, shall be schooled at least once at its racing weight before being eligible for entry. All greyhounds in schooling races must be raced at their established racing weight and started from the box wearing blankets. No hand schooling will be considered official.~~

~~3181. Any greyhound can be ordered on the schooling list by the Presiding Judge at any time. Any greyhound ordered placed on the schooling list by the Presiding Judge must be schooled officially and satisfactorily before being allowed to enter into an official race.~~

ENTRIES

~~3185. Every person who enters a greyhound, or in any way participates in any race or racing under these rules, thereby obligates himself/herself to accept these rules upon all questions relating thereto.~~

~~3187. Every entry in an official race must be in the name of the person having ownership in the greyhound, and must be made in writing, or by telegram to be immediately confirmed in writing, by the kennel owner and/or trainer, or by an authorized agent, and the full name of every person having an ownership in a greyhound, or accepting the trainer's percentage, or having any interest in its winnings, must be licensed by the Commission before it starts at any meeting, as must be every change in such ownership or interest, thereafter made during that meeting. Any failure to comply with this rule shall be punishable by a fine or suspension, or both, and if an objection because of such default is duly made and sustained against a greyhound that has run in a race, its winnings in that race shall be forfeited to the greyhound that finished next behind it.~~

3190. DOUBLE ENTRIES:

- ~~1. Double entries will be permitted in all races. There shall be at least six (6) greyhounds of different ownership in all overnight races.~~
- ~~2. No more than two (2) double entries will be allowed in any race.~~
- ~~3. Double entries shall not be allowed until all single interests are used and double entries shall be uncoupled for wagering purposes.~~
- ~~4. Double entries will be used only when that kennel is assured of having at least one (1) greyhound in all races of that particular grade on that performance.~~
- ~~5. The above provisions shall not apply to stakes races, feature races, and special events.~~

~~SCRATCHES~~

~~3195. A greyhound that is scratched from an official race will be required to be officially schooled before being allowed to be entered for official racing.~~

~~A. Any scratches that occur that are the result of violation of a racing rule must carry a penalty or suspension for said greyhound for a period of six (6) racing days. Greyhounds will be allowed to be officially schooled during this suspension period.~~

~~B. A greyhound that is scratched for sickness or injury must be examined by the Commission Veterinarian. The Commission Veterinarian shall determine whether or not the greyhound will be placed on the Commission Veterinarian's List. The Commission Veterinarian shall examine said greyhound and will notify the Racing Secretary and Presiding Judge that the greyhound is again fit to compete and be entered for official racing if said greyhound qualifies under the time period set forth in Rule 3180. If the greyhound meets the time requirements of Rule 3180, the greyhound will NOT be required to school officially.~~

~~C. A greyhound that is scratched by the Commission Veterinarian due to an injury or sickness in the paddock area after the official weigh in will be placed on the Commission Veterinarian's List and may NOT be required to school officially if said greyhound meets the time requirements of Rule 3180.~~

~~D. A greyhound that is scratched as a result of an error by the Racing Office personnel will NOT be required to school officially before being re-entered for official racing.~~

~~E. The Board of Judges may waive the official schooling requirements for just cause.~~

~~3196. If three (3) or more greyhounds are scratched in any one race, the Presiding Judge may cancel said race.~~

~~3197. All declarations in the overnight entries must be made with the Racing Secretary of the Franchise Holder before the draw has been closed. Any greyhound that~~

~~does not compete once the draw has been closed and made official will be considered as a scratch.~~

~~POST POSITION~~

~~3200. The drawing for entries and post positions shall be held not less than twenty four (24) hours before the start of each performance, and supervised by the Commissioner Supervisor or Commission Judge and Racing Secretary. Post positions must be drawn prior to all official races.~~

~~A. All post positions for official purse races shall be drawn by random lot. With permission from the Judges or the Racing Commission, stakes or features races may be exempt from this rule.~~

~~B. In the event there is an inadequate number of greyhounds in the "left over" pool to complete a draw for a given performance at the scheduled time, the following steps will be taken:~~

~~1. The performance will be constructed (prepared for drawing) using the available greyhounds until the "left over" pool is exhausted.~~

~~2. The draw will be entered, using the available greyhounds, with blank posts left at random to be filled later when eligible greyhounds become available.~~

~~3. Once a pool of greyhounds becomes available (after official schooling or official races from the next scheduled performance have been run), the blank posts are filled by selecting greyhounds at random from the pool and assigning the next available post, beginning with the post closest to one (#1) and going down through eight (#8), to the greyhound(s) selected.~~

~~4. This is repeated until all blank posts have been filled. The draw is then re-proofed and the draw is considered complete.~~

~~PROGRAM~~

~~3205. A Program printed for each racing day shall be compiled by the Franchise Holder which shall contain the names of the greyhounds that are to run in each of the races for that day. These names are to appear in the order of their post positions, the said post position to be designated by numerals placed at the left and in line with the names of the greyhounds in each race, and shall also be prominently displayed on each greyhound. The printed program shall contain all the information required by these rules.~~

~~3206. The Program must carry at least two (2) performances of said greyhounds at the track they are to be raced, with the exception of greyhounds qualifying under Rule #3180.~~

~~3207. All past performances as shown in the Program shall be in the order of the races or official schooling races held, the last performance appearing on the first line, etc.~~

~~3208. The Program must also contain name, color, sex, date and location of most recent races, age, established racing weight, distance, time, track record, track weight, post position and finish, name of owner and trainer, number of starts in official races and number of times finishing first, second and third, and such other information as will enable the public to properly judge the greyhound's ability.~~

~~3209. Each Franchise Holder shall print in heavy type, in conspicuous place in its printed program that the Daily Double Rules, 5010 and 5012; the Quiniela Pool Rule, 5020; the Trifecta Rule, 5030; and the Big Q Rule 5025 are posted in the mutuel areas and available at the information window, Racing Commission office, and General office.~~

~~3210. In case the name of a greyhound is changed, the new name, together with the former name, shall be published in the official entries and Program until after the greyhound has started five (5) times. The violation of any part of this Rule may be sufficient cause for a fine, suspension, or both, at the discretion of the Board of Judges.~~

~~WEIGHTS AND WEIGHING~~

~~3220. A. All greyhounds shall be weighed in at the designated time preceding the first race of the day. All greyhounds must weigh in with wire or plastic muzzle, collar, lead strap, and approved identification tag.~~

~~B. All greyhounds must be weighed not less than one (1) hour and not more than two and one-half (2½) hours before the time of the first race of the performance unless a later time has been designated or approved by the Commission.~~

~~C. The weigh-in time shall be limited to a 30 minute period unless an extension has been granted by the Commission Judge or approved by the Commission.~~

~~3221. At the first official schooling of each greyhound, the trainer and/or owner must establish the racing weight ("set weight") for each greyhound.~~

~~A. At first weigh-in time (pre-post weight), should there be a variation of more than one and one-half (1½) pounds either way from its established racing weight ("set weight"), the Presiding Judge or Commission Judge must order said greyhound scratched if it cannot meet the weight requirements by the close of time for the weigh-in.~~

~~B. At the "post weight" weighing, any greyhound that loses two (2) or more pounds from its "pre-post weight" while in the lock-out kennels may be allowed to race if, in the opinion of the Commission Veterinarian, such loss of weight does not impair its racing condition.~~

~~C. The Presiding Judge shall keep a greyhound "weight loser" list updated and available at all times, and shall consult with the Commission Veterinarian on a regular basis when updating said list.~~

~~3222. The established racing weight may be changed from time to time on written request and by written consent of the Paddock Judge or Scale Clerk, provided said change is made four (4) days before the greyhound is allowed to race at new weight. All greyhounds must be schooled at least once at new racing weight before being eligible for entry; if, however, the change of weight does not exceed one (1) pound, the changed weight may be listed without the greyhound being schooled.~~

~~3223. The Presiding Judge shall have the privilege of ordering the weighing of a greyhound entered in a race at any period from the time it is entered in a race until post time.~~

~~3224. Immediately after being weighed in (pre post weight), the greyhounds shall be placed in lock out kennels under the supervision of the Paddock Judge, and no owner or other person excepting the Paddock Judge, Commission Veterinarian, Kennel Master, Scale Clerk, Lead-Outs under the supervision of the Paddock Judge, Presiding Judge, or Commission's representative, shall be allowed in or near the lock out kennel.~~

~~3225. Every trainer who does not have his/her greyhound(s) at the weighing in room promptly at the time appointed shall have his/her greyhound(s) scratched and, in addition, at the discretion of the Board of Judges, the trainer may be liable for a fine.~~

~~THE RACE~~

~~3230. All starters must wear the regulation muzzle and blanket. Muzzles and blankets must be carefully examined in the paddock by the Paddock Judge before the greyhounds leave for the starting box, and again be examined before the Presiding Judge, the Commission Judge, and the Patrol Judge.~~

~~3231. All greyhounds must be exhibited in the show paddock before post time of the race in which they are entered.~~

~~3232. After the greyhounds leave the paddock on their way to the starting box, and until the race has been completed, all persons, except the Racing Officials and necessary attendants, shall be excluded from the course.~~

~~3233. No race shall be called official unless the lure is in advance of the greyhounds at all times during the race. If at any time during the race any greyhound or greyhounds touch or overtake the lure, the Presiding Judge and Commission Judge shall declare the race a "No Race" and all wagers shall be refunded. However, when a greyhound bolts the course or runs in the opposite direction during the running of a race~~

~~and in doing so, in the opinion of the Presiding Judge and Commission Judge, does not interfere with the race in any manner, the Presiding Judge and Commission Judge shall declare the race "Official." The decision of the Presiding Judge and Commission Judge shall be final.~~

~~3234. If a race is marred by jams, spills, or racing circumstances other than accidents to the machinery while a race is being run and three (3) or more greyhounds finish, the Presiding Judge and Commission Judge shall declare the race finished. If less than three (3) greyhounds finish, the Presiding Judge and Commission Judge shall declare the race a "No Race" and all wagers shall be refunded.~~

~~3235. If a greyhound bolts the course, it shall forfeit all rights in the race. The Presiding Judge and Commission Judge shall declare the race the same as if it were not a contender.~~

~~3236. All greyhounds ruled off of one track in Arkansas for fighting or quitting shall be ruled off all tracks under the jurisdiction of the Arkansas State Racing Commission and will not race again in Arkansas except with written consent of the Commission.~~

~~**DEAD HEATS**~~

~~3240. When two (2) or more greyhounds run a dead heat for first place, all prizes which first and second greyhounds would have been entitled, shall be divided equally between them; and this applies in dividing prizes whatever the number of greyhounds running in a dead heat. All greyhounds shall be deemed to be winners. Likewise, when two (2) or more greyhounds run a dead heat for second place they shall divide the second and third moneys.~~

~~3241. When a dead heat is run for second place and the winner of the race is subsequently disqualified, the greyhounds which ran for the dead heat shall be deemed to have a dead heat for first place.~~

~~**POSTPONEMENT AND CANCELLATION OF RACES**~~

~~3250. If the whole or a part of a racing program is canceled, any race involved may be rescheduled at the discretion of the Commission.~~

~~3251. If the whole or a part of the racing program is canceled, any race involved may be postponed or declared off.~~

~~3252. Public notice shall be given at the earliest practicable time if a published race is declared off.~~

~~3253. No race which has closed with sufficient entries shall be declared off except by the Board of Judges.~~

~~3254. In case of fire or accident, or for other reasons, after due public notice, all races or stakes may be postponed or declared off, and when so declared off, all subscriptions and declaration money paid must be refunded.~~

~~3258. Each purchaser of any pari-mutuel ticket agrees to be bound by the terms and provisions of this and all other applicable rules and regulations of the Arkansas State Racing Commission and by the laws of the State of Arkansas pertaining to pari-mutuel wagering. Neither the Franchise Holder, Totalisator company, nor the State of Arkansas shall be liable to any person for any ticket which is not a winning ticket in accordance with the provisions of this rule, nor shall they, or any of them, be liable to any person for any pari-mutuel ticket not delivered for any reason including, but not limited to, mechanical malfunction, electronic failure, machine locking, or other cause.~~

~~3259. All pari-mutuel rules will be posted or available at the information windows of the Franchise Holder, and copies will be available at the Racing Commission office.~~

~~3260. No tickets may be sold after the Totalisator has been locked or wagering ceased. Any claim by a person that a wrong ticket has been delivered to him/her must be made before leaving the mutuel ticket window. No claim shall be considered for tickets thrown away, lost, changed, destroyed, or mutilated beyond identification. Payment of wagers will be made only on presentation of appropriate pari-mutuel tickets.~~

~~3261. Should any emergency arise in connection with the operation of the pari-mutuel department not covered by these Rules and an immediate decision is necessary, the Director of Mutuels shall make the decision.~~

~~3262. A. If less than six (6) greyhounds start in a race, the Director of Mutuels shall be permitted to prohibit show wagering on that race;~~

~~B. If less than five (5) greyhounds start in a race, the said Director of Mutuels shall be permitted to prohibit both place and show wagering on the race; and,~~

~~C. If less than three (3) greyhounds start in a race, the said Director of Mutuels shall be permitted to prohibit wagering on that race.~~

~~3263. Wagering shall cease not later than off time.~~

~~3265. If an error is made in posting the pay off figures on the totalisator board, it shall be corrected promptly and only the correct amounts shall be used in the pay off, irrespective of the error on the tote board. If, because of a mechanical failure, it is~~

~~impossible to promptly correct the posted pay off, a statement shall be made over the public address system stating the facts and corrections.~~

~~3266. In the event of an irreparable breakdown of the Totalisator, or the ticket issuing machines, or both, during the wagering on a race, the wagering for that race shall be declared closed. The pay off for that race shall be computed on the sums wagered in each pool up to the time of the breakdown.~~

~~3267. If a greyhound wins and there is no money wagered on it to win, the Win Pool shall be apportioned among the holders of the place tickets on that greyhound, if any; otherwise, among holders of the show tickets.~~

~~3268. If no money has been wagered to place on a greyhound which is placed first or second in a race, the Place Pool for that race shall be apportioned among the holders of the place tickets on the other greyhound which was placed first or second.~~

~~3269. If no money has been wagered to show on a greyhound which is placed first, second, or third in a race, the Show Pool in that race shall be apportioned among the holders of show tickets on the other greyhounds which are placed first, second, or third in that race.~~

~~3272. Each Franchise Holder shall, in all cases of a mutuel pool, redistribute on winning tickets not less than the face of the winning ticket, plus the minimum payoff provided by law.~~

~~3273. Payments due on all wagers shall be made in conformity with the well established practice of the Pari-Mutuel System.~~

~~MINUS POOLS~~

~~3275. In the event of a Minus Pool, the deficiency shall be absorbed by the breaks accruing for that performance. In the event the breaks accruing for that performance are not sufficient to absorb such minus pool, the remaining deficiency will be borne solely by the Franchise Holder.~~

~~PARI-MUTUEL WAGERING RULES~~

~~5010.~~

~~A. The "Daily Double" is not a parlay and is a ticket to select the winner of the first half and the second half of two consecutive races.~~

~~B. The commission authorized by law is deducted from the sum total wagered in the daily double pool. The balance is called the "net pool."~~

~~C. The amount wagered on the winner of the first and the winner of the second half of a Daily Double is then divided into the "net pool." The quotient thus obtained is the pay-off price on the winners of the Daily Double for each dollar wagered on the winner of the first half and winner of the second half. Double said pay-off price to provide for a \$2.00 ticket.~~

~~5012.~~

~~A. No more than two "Daily Double," as determined by the Racing Commission, will be permitted during any single racing program.~~

~~B. No "Daily Double" wagering will be permitted except on the first and second races and such other two consecutive races of a racing program, with the bet being made in the first half, as permitted by the Racing Commission.~~

~~C. Before post time of the second half of the "Daily Double," there shall be posted on the tote board, or announced, the "pay-off" on each combination coupled with the winner of the first half of the "Daily Double," except in the case of a dead heat in the first half of the "Daily Double."~~

~~D. If no ticket is sold combining the two winners of the "Daily Double," the pool shall then be apportioned equally between those having tickets including the winner in the first race of the "Daily Double" and those having tickets including the winner in the last race of the "Daily Double" in the same manner in which a Place Pool is calculated and distributed.~~

~~E. If no ticket is sold on the winner of the FIRST race of the "Daily Double," the entire pool is apportioned to the holders of tickets on the winner of the SECOND race of the "Daily Double."~~

~~F. Likewise, if no ticket is sold on the winner of the SECOND race of the "Daily Double," the entire pool is apportioned to the holders of tickets on the winner of the FIRST race of the "Daily Double."~~

~~G. Should no ticket be sold containing the numbers of either winner, the pool shall be allotted to those having tickets on runners finishing next to the winners.~~

~~H. Should no ticket be sold that would require distribution of the Daily Double Pool to a winner under sub-section E, F, G, and H, a full and complete refund of the pool shall be made.~~

~~I. If a DEAD HEAT should result in either the first or second race of the "Daily Double," the total pool is figured as a "place pool."~~

~~J. A refund at cost value shall be made to all holders of purchased "Daily Double" tickets bearing the number of a runner in either race which has been scratched before the wagering on the "Daily Double" has ceased.~~

~~K. In the event any runner, or runners, in the first half of the "Daily Double" should be scratched by the Presiding Judge, the money wagered on any scratched runner, or runners, shall be deducted from the "Daily Double" pool and refunded to the purchaser, or purchasers, of tickets on the runner, or runners, so scratched.~~

~~L. Should any runner, or runners, be scratched by the Presiding Judge, in the last half of the "Daily Double," all tickets including such runners shall be deducted from the "Daily Double" pool; and the pool, thus formed, shall be distributed as a straight pool to the holders of tickets combining the winner of the first half with the runner or runners scratched and prevented from completing the "Daily Double."~~

~~M. In the event the first half of the "Daily Double" is canceled or declared a "No Race," a full and complete refund shall be made of all money wagered.~~

~~N. In the event the second half of the "Daily Double" is canceled or declared a "No Race," the entire net pool shall be distributed as a straight pool to holders of the tickets which include the winner of the first half of the "Daily Double."~~

~~O. In the event of a "Daily Double" consolation payoff, said consolation "Daily Double" shall be kept separate from the main "Daily Double" payoff.~~

~~5014. Cancellation of Jackpot Pool Wagers~~

~~A. Any wager offered by an Association that involves a jackpot carryover provision (ex. Twin Trifecta, Tri-Super, etc.) may be canceled by the management of the Franchise Holder under the following conditions:~~

~~1. There are at least two scratches or more in any race(s) in which either the first or second half of the jackpot wager is contested, or~~

~~2. If there are "late" scratches that occur once the performance is open to wagering amounting to at least two or more scratches in which either the first or second half of the jackpot wager is contested.~~

~~B. If, for any reason, the second half of any jackpot wager is canceled or not declared "official," the winning tickets holders who have cashed their ticket(s) on the first half and have received an exchange ticket, will be entitled to a proportionate distribution of the remaining amount of the current program's divided pool. The cumulative pool from previous programs will not be distributed in this case and will be carried over to the next performance.~~

~~C. Should the Franchise Holder cancel a jackpot wager under the provisions of this rule, the Franchise Holder may, at its discretion, substitute that canceled wager with another approved wager.~~

~~D. If the Franchise Holder should cancel a jackpot under the provisions of this rule, public address announcements will be made in a reasonable amount of time to inform the betting public of the cancellation and if there is a substitute wager being offered in its place.~~

~~**SIMULCAST and ITW RULES**~~

~~**General Provisions**~~

~~4000. **Purpose.** The Commission finds that, although wagering on ITW (Inter Track Wire) races provides additional revenue for the state treasury, the primary advantage of wagering on ITW races and simulcast races is the additional revenue it provides for purse supplements for live races conducted in this state. The Commission further finds it is in the public interest to encourage live racing, which promotes economic development in a variety of racing-related industries. Therefore, it is the Commission's intent to adopt and enforce rules relating to ITW and simulcast wagering in a manner that will encourage live racing and enhance the greyhound breeding and training industries, and enhance the horse breeding, owning, and training industries.~~

~~4001. ***Simulcast and/or ITW License.***~~

~~A. A license to operate a pari-mutuel racetrack in this state held by the Franchise Holder that has been granted live race dates includes as a part of its privileges the privilege of conducting pari-mutuel wagering on ITW races and to simulcast races conducted by the Franchise Holder. The conducting of pari-mutuel wagering on ITW races and the simulcasting of races conducted by the Franchise Holder is subject to the approval of the Commission.~~

~~B. The approval of any particular simulcasting or wagering on particular ITW races or programs is not binding on the Commission for other requests for approval of simulcasting or wagering on ITW races or programs.~~

~~C. Written approval is required for the proposed simulcasting schedule from the recognized greyhound owners' group or the recognized horsemen's group, or both as appropriate.~~

~~4002. **Approval of Wagering on ITW Races.** To receive approval of the Commission for wagering on an ITW race or program, the Franchise Holder must submit a request to the Commission. In considering whether or not to approve an ITW wagering request, the Commission shall consider:~~

- ~~(1) the financial stability of the Franchise Holder and the effect ITW wagering will have on the economic viability of the Franchise Holder;~~
- ~~(2) the operating experience of the Franchise Holder;~~
- ~~(3) the regulatory compliance and conduct of the Franchise Holder;~~
- ~~(4) the impact of the Franchise Holder's proposed ITW wagering on purses at the Franchise Holder's racetrack; and~~
- ~~(5) the public interest that will be served by the importation of the ITW signal.~~

~~4005. **ITW and Simulcasting Contracts.** All contracts executed by the Franchise Holder regarding ITW and simulcasting are subject to inspection by the Commission. The Franchise Holder shall maintain each contract regarding ITW and simulcasting for at least one year after the end of the term of the contract. The Franchise Holder shall make all contracts available to the Commission on request.~~

~~4008. **Duties of Receiving Location (ITW).**~~

~~A. A Franchise Holder that conducts pari-mutuel wagering on an ITW race acts as a receiving location on those dates. The receiving location shall:~~

- ~~1. Provide adequate communication facilities, enabling pari-mutuel data transmissions and data communications between totalisator systems of the sending racetrack and the receiving location.~~
- ~~2. If the receiving location participates in common pools, provide a direct telephone line and a facsimile machine, or other approved means, located in the mutuels area to transmit information to the sending racetrack in case of a system failure.~~
- ~~3. Display the audio and video signals of the races being simulcast to the patrons.~~

~~B. The Franchise Holder shall provide the reports of its ITW pari-mutuel operations to the Commission daily and all moneys due the State of Arkansas shall be paid to the Commission daily as provided in Arkansas Code § 23-1-11-509.~~

~~4010. **Duties of Sending Racetrack (Simuleast).**~~

~~A. A Franchise Holder that simulcasts races conducted by the Franchise Holder acts as a sending racetrack on the dates the races are conducted and simulcast.~~

~~B. A sending racetrack is responsible for the content of the simulcast and shall use all reasonable effort to present a simulcast which offers the viewers an exemplary depiction of the performance, a periodic display of wagering information, and continuity of programming between racing events.~~

~~C. The sending racetrack shall provide transmission equipment of acceptable broadcast quality that does not interfere with the closed circuit TV system of the receiving location. The sending racetrack must have the capability to transmit and receive wagering information via a data circuit. If the sending racetrack plans to form common pools, the racetrack shall provide a direct telephone line and a facsimile machine, or other approved means, located in the mutuals area to receive information from the receiving locations in case of a system failure.~~

~~D. Unless otherwise permitted by the Commission, a simulcast must contain in its video content:~~

- ~~(1) The date.~~
- ~~(2) A digital display of the actual time of day at the sending racetrack.~~
- ~~(3) The name of the sending racetrack.~~
- ~~(4) The number of the race being displayed.~~
- ~~(5) Any other relevant information available to patrons at the sending racetrack~~

~~E. At least 15 minutes before post time for the first race, the sending racetrack must be transmitting its signal to ensure proper operation of the transmission system.~~

~~4012. **Emergency Procedures.**~~

~~A. If a Franchise Holder is unable to establish or to maintain the audio or video signal from the sending racetrack, the Franchise Holder shall immediately notify the sending racetrack of the lost signal and may continue to accept wagers while attempting to establish the signal.~~

~~B. If the audio or video signal cannot be established or maintained, the Franchise Holder may continue to accept wagers on the signal provided:~~

- ~~1. An announcement is made to the public informing them that due to technical difficulties the audio or video signal has been lost.~~

~~C. If the sending racetrack loses the ability to transmit the audio or video signal, the sending racetrack:~~

- ~~1. Shall notify all receiving locations of the technical difficulties being experienced.~~
- ~~2. May continue to accept wagers from the receiving locations on that day's races.~~
- ~~3. May not accept wagers from the receiving locations for subsequent race days until the technical difficulties have been corrected.~~

~~4015. **Simulcast Officials.** The Director of Mutuels or the Director of Mutuel's designee shall be present on the Franchise Holder's grounds at all times that the Franchise Holder is accepting wagers on ITW races.~~

~~Simulcast and ITW at Greyhound Racetracks~~

~~4020.A. **Definitions.** For the purposes of this Rule, the term:~~

- ~~1. "**Franchise Holder**" means the holder of a franchise from the State of Arkansas to conduct greyhound racing and who, in addition to conducting pari-mutuel wagering on greyhound races on premises, has applied for permission to conduct such wagering on greyhound races and/or horse races being conducted at any other racetrack and simultaneously televised to the premises of the Franchise Holder, and who also sends the Franchise Holder's live signal simultaneously to other racetracks.~~
- ~~2. "**Host Racing Association**" means any entity which, pursuant to a license or other permission granted by the Host State, conducts greyhound or horse races.~~
- ~~3. "**Host State**" means the State in which the greyhound or horse race takes place.~~
- ~~4. "**ITW**" or "Inter Track Wire" means greyhound races and/or horse races conducted at another Host Racing Association which are simultaneously televised to the premises of the Franchise Holder who conducts pari-mutuel wagering on such races.~~
- ~~5. "**Simulcast**" or "**Simulcasting**" means greyhound races conducted live at the Franchise Holder's racetrack and televised simultaneously to the premises of other racetracks where pari-mutuel wagering is conducted on such races.~~

~~B. **Wagering Rules.** The rules generally applicable to greyhound racing shall apply to wagering on ITW races, except where they conflict with any provisions of these ITW / Simulcasting Rules or are not applicable because of inherent differences between wagering on races run on premises and ITW races.~~

~~C. **Distribution of moneys wagered:**~~

- ~~1. The Franchise Holder shall withhold from the amount wagered those amounts specified in Arkansas Code Annotated § 23-11-1-509.~~

~~However, if the percentages withheld at the Host Racing Association differ from the above percentages, the Franchise Holder may withhold the percentages of the Host Racing Association or the above percentages as the Franchise Holder elects.~~

~~2. The Franchise Holder shall pay to the state of Arkansas from the amount withheld pursuant to the provisions of sub-paragraph (1) above, the following per performance: two percent (2%) on all amounts wagered up to \$350,000.00; three percent (3%) of all amounts wagered between \$350,000.00 and \$500,000.00; and, six percent (6%) of all amounts over \$500,000.00.~~

~~3. Breaks shall be computed and disbursed in accordance with the provisions of Arkansas Code Annotated § 23-111-509.~~

~~4. After withholding the amounts specified in (1) above, the remainder of the moneys wagered shall be paid over to bettors holding winning pari-mutuel tickets as their respective interests may appear.~~

~~5. Unpresented winning tickets and the proceeds thereof shall be handled in accordance with the rules of the Arkansas Racing Commission.~~

~~COMMON POOL WAGERING~~

~~4030. General Provisions.~~

~~A. With the prior approval of the Commission, pari-mutuel pools offered by a Franchise Holder that is participating in a simulcast may be combined with corresponding wagering pools offered by the other racetracks participating in the simulcast to form a common pool. All corresponding pari-mutuel pools offered by two or more Associations on an interstate simulcast shall be combined to form a common pool.~~

~~B. A contract governing participation in a common pool must be available to the Commission for approval.~~

~~C. In determining whether to approve an interstate common pool that does not include the sending racetrack, the Commission shall consider and may approve use of a type of wager which is not used at the sending racetrack or other factors presented to the Commission.~~

~~D. The content and format of the visual display of racing and wagering information at facilities in other racing jurisdictions in the interstate common pool need not be identical to the information required to be displayed under these rules.~~

~~4035. Formation of Common Pool.~~

~~A. Wagering data shall be transmitted through a method authorized by this subsection, in the following order of preference:~~

- ~~(1) via a data circuit;~~
- ~~(2) via facsimile; or~~

~~(3) by voice.~~

~~B. Except as otherwise provided by this subsection, the odds and prices for a common pool shall be calculated in accordance with the laws and rules of the jurisdiction in which the sending racetrack is located. In determining the amount distributable to the wagerers, the total takeout required in the jurisdiction in which the sending racetrack is located shall be used. If the Franchise Holder desires, it may use the net pool pricing method for determining the payoff prices.~~

~~C. A Franchise Holder shall ensure that the necessary records are maintained regarding the amounts wagered at its racetrack for accounting, auditing, and reporting purposes.~~

~~4040. ***Distribution of Common Pool***~~

~~A. A wager is made at the place at which the pool originates.~~

~~B. The payoff attributable to the Franchise Holder shall be based on the actual winnings indicated by the totalisator wagering data.~~

~~C. The total takeout applicable to the wagers received in this state for a common pool shall be distributed in accordance with the Arkansas Code. A gain or loss caused by a difference in takeout totals shall be part of the Franchise Holder's revenue or expense from the interstate broadcast.~~

~~D. A surcharge or other withholding other than the takeout authorized by law shall be applied only in the jurisdiction imposing the surcharge of withholding.~~

~~4045. ***Breakage.*** The ratio of a Franchise Holder's allocation of the breakage to the total breakage in an interstate common pool must be equal to the ratio of the dollars contributed to the common pool from the Franchise Holder to the total amount of the common pool.~~

~~4050. ***Report to Commission.*** A Franchise Holder participating in a common pool shall submit to the Commission a report on the pool on the date of the performance for which the pool was formed. The report shall contain:~~

~~(1) the total amount of the common pool generated by wagers at the site of the Franchise Holder;~~

~~(2) the total winnings attributable to wagers received by the Franchise Holder; and~~

~~(3) the total commission derived from the Franchise Holder's share of the common pool.~~

~~4055. **Manual Merge.**~~

~~(A) If the receiving location's computer system fails to adequately transmit wagering data to the sending racetrack, the sending racetrack shall manually merge the pools if a manual merge will not endanger the pools at the sending racetrack and the sending racetrack permits a manual merge.~~

~~(B) To merge the pools manually, the receiving location's Director of Mutuels, or Director of Mutuel's designee, shall notify the sending racetrack via facsimile of the total amount in the pool, the total dollars on winning wagers, and the total dollars on the losing wagers in the pool.~~

~~4060. **Failure to Merge.**~~

~~(A) Except as otherwise provided by this section, if for any reason it becomes impossible to successfully merge a receiving location's wagers in the common pool via data circuit or manual merge, the Director of Mutuels, or the Director of Mutuel's designee, shall:~~

~~(1) announce to the public that the pools were not merged successfully and the pools will be refunded and refund the pools not successfully merged; or~~

~~(2) pay the winning wagerers based on the prices established at the Host racetrack.~~

~~(B) The mutuel manager or designee shall report the failure to merge any common pool to the Commission, and shall be filed no later than the day after the date the common pool failed to merge.~~

~~(C) A contract for common pools entered into by the Franchise Holder must contain a provision stating that the Franchise Holder is not liable for any measures taken which may result in a receiving location's wagers not being accepted into a common pool formed by the Association if for any reason:~~

~~(1) it becomes impossible to successfully merge the wagers placed in another state in the common pool formed by the Franchise Holder; or~~

~~(2) the Franchise Holder's Director of Mutuels or the Director of Mutuel's designee determines that attempting to transfer pool data from the receiving location will endanger the Franchise Holder's wagering pool.~~

~~EXACTA POOLS~~

~~5015. A. The Exaeta is a ticket selecting two (2) greyhounds, which must finish first and second in exact order.~~

~~B. The commission authorized by law is deducted from the sum total wagered in the exaeta pool. The balance is called the "net pool."~~

~~C. The amount wagered on the two (2) greyhounds finishing first and second in exact order is then divided into the "net pool." The quotient thus obtained is the pay-off price on the winning greyhounds finishing first and second for each dollar wagered and it includes the dollar wagered on the greyhounds finishing first and second. Triple said pay-off price to provide the pay-off for a \$3.00 ticket.~~

~~D. If no ticket is sold on the winning combination of an Exaeta Pool, the net pool shall be distributed as a Place Pool between holders of tickets selecting the winning greyhound to finish first and/or holders of tickets selecting the second place greyhound to finish second.~~

~~E. If no ticket is sold that would require distribution of the net Exact Pool to winner(s) as above defined, the Association shall make a complete and full refund of the Exaeta Pool.~~

~~F. In case of a dead heat between two greyhounds for first place, the net Exaeta Pool shall be calculated and distributed as a place pool to holders of tickets of the winning combination(s). In case of a dead heat between two greyhounds for second place, the net Exaeta Pool shall be figured as a place pool and distributed to holders of tickets combining the winning greyhound and the two greyhounds finishing second.~~

~~G. In the event of a dead heat for second place, if no ticket is sold on one of the two winning combinations, the entire net pool shall be calculated as a win pool and distributed to those holding tickets on the other winning combination. If no tickets combine the winning greyhound with either of the place greyhounds in the dead heat, the Exaeta Pool shall be calculated and distributed as a place pool to holders of tickets representing any interest in the net pool. If the winning combinations are both First/All and All/Second, and there is a dead heat for second, half of the Divided Total is assigned to the First/All combination, and each All/Second combination is assigned an equal share of the remaining half.~~

~~1237. The Commission Veterinarian, at his discretion, may administer a diuretic to any horse from which a urine sample is to be taken in order to expedite the test of the horse, unless the trainer of the horse shall have expressly requested otherwise in a signed statement delivered to the Commission Veterinarian prior to the administration by the Commission Veterinarian of the diuretic to the horse.~~

~~1238. Every owner or his authorized agent or trainer of any entry shall immediately, upon request by the Racing Commission, submit any entry of which he is the owner or authorized agent or trainer to any veterinarian designated by the Racing Commission for such examination or tests as said veterinarian may deem advisable. The Blood Doping Agents to be tested for shall include Erythropoietin, Darbepoetin, Oxyglobin, Hemopure and such other blood doping agents determined from time to time by the Commission Veterinarian.~~

~~(b) Notwithstanding any inconsistent provision of these Rules, the trainer of the horse shall not be subject to application of the trainer's responsibility penalty based solely on a finding by the laboratory that the Blood Doping Agent first detected in the initial positive test remains present in the horse in a subsequent sample taken from that horse for purposes of any subsequent test for Blood Doping Agents performed on the horse in an effort to determine the horse's eligibility to start and race again pursuant to subsection (a) of this Rule.~~

~~1247. If any owner, trainer, attendant or any person uses profane or indecent language to officials or otherwise disturbs the peace on the grounds of the franchise holder, he or she shall be liable for a fine, suspension, or both, or shall be ruled off.~~

Employees or patrons who are careless of the safety of themselves and others, negligent, insubordinate, dishonest, immoral, quarrelsome or otherwise vicious, or who do not conduct themselves in such manner and do not handle their personal matters while on the premises of any licensed track in such a way that the franchise holder or Racing Commission will not be subject to criticism or loss of good will, will be prohibited or removed from the premises of any track and denied wagering privileges.~~

~~1253. Stewards may exclude from all places under their control any person who has been excluded by the appropriate horse racing authority of any other state, territory or country from racing facilities located in such other state, territory or country. Stewards may decline to license, or may suspend any license theretofore granted to, and may exclude any person who they find has violated any of these Rules, provided any such suspension and exclusion shall be for a period not exceeding the license year and may fine any such licensee any amount up to and including \$2,500. All fines shall be paid to the Racing Commission. If the Stewards are of the opinion that the violation or violations involved warrant greater punishment, they shall so report to the Racing Commission. The Stewards shall make daily reports in writing to the Racing Commission of the rulings.~~

~~1254. When any licensee, horse or stable is suspended by the Stewards, such suspension shall immediately become effective on all other tracks under the jurisdiction of the Racing Commission until such time as the case in question is decided upon by the Racing Commission.~~

~~other than for the riders the jockey agent is licensed to represent.~~

~~**2182.** If, for good reason, a jockey agent is short of the jockey agent's permissible quota of jockeys and wishes to take on the task of making engagements for a rider not named in the jockey agent's license, the jockey agent must obtain permission from the Stewards and the Racing Commission before making any such engagements.~~

~~**2183.** If any jockey agent gives up the making of engagements for any rider, the jockey agent shall immediately notify the Stewards, the Racing Commission and the Racing Secretary, and the jockey agent shall turn over to the Stewards a list of any unfilled engagements the jockey agent may have made for that rider.~~

~~**2184.** Each jockey agent shall keep, on a form provided by the franchise holder, a record by races of all engagements made by the jockey agent or by others for the jockeys the jockey agent is handling. This record shall include the day and the hour of making of each engagement, and the calls shall be numbered in the order of their priority whenever more than one is given for any rider in any race. ~~(4) If after riding one (1) full year from the date of the apprentice's fifth (5th) winning mount, the apprentice jockey has failed to ride a total of forty (40) winners from the date of the apprentice's first winning mount, the apprentice shall continue to ride with a seven (7) pound weight allowance for one (1) more year from the date of the apprentice's fifth (5th) winning mount or until the apprentice has ridden a total of forty (40) winners, whichever comes first.~~

~~(b) An approval board will be established by the Stewards and will consist of designated jockeys, trainers, outriders, racing officials and the Official Starter. To assure that the applicant has successfully satisfied the qualifications and guidelines set forth in this section, an initial apprentice jockey's license may only be issued to an applicant who:~~

~~(9) shall be familiar with a jockey's responsibilities as defined by the Rules and Regulations, and may be tested in respect to his/her knowledge of a jockey's duties.~~

~~A temporary apprentice license may be issued by the Stewards upon notification of the recommendation of the approval board.~~

~~After riding in an adequate number of races, and when the stewards are satisfied that the applicant has demonstrated competence in his/her abilities to ride in races, a regular apprentice license will then be issued.~~

~~(e) Under exceptional circumstances, such as inability of an apprentice to ride because of service in the Armed Forces of the United States, personal injuries in the conduct of his or her duty, restrictions on racing or other valid reasons which interrupt the allowance period permitted under this Rule, the Racing Commission may extend the term of the apprentice allowance and/or such allowance period. The Racing Commission shall take jurisdiction on any applications for extensions in cases where personal injuries in the conduct of his or her duty and restrictions occurring at tracks licensed by the Racing Commission. In order to qualify for an extension of his or her apprentice allowance, an apprentice rider must have been rendered unable to ride for a period of not less than fourteen (14) consecutive days during the period in which he or she was entitled to an apprentice allowance. In the case of inability of an apprentice to ride because of service in the Armed Forces of the United States, the Racing Commission will take jurisdiction only on an apprentice allowance that was executed and filed at time of execution in this State. ~~**2212.** "Entry" shall mean according to the requirements of the test:~~

~~(a) A horse made eligible to run in a race.~~

~~(b) Two or more horses that are entered or run in a race and are coupled because of common ties. However, in any race where two or more horses owned by different owners but trained by the same trainer are entered or run in the race, the horses may run in said race as separate betting interests if approved by the Racing Secretary in coordination with the Stewards. Horses in claiming races with a claiming price of \$20,000 or greater may run as separate betting interests if approved by the Racing Secretary in coordination with the Stewards.~~

~~**2213.** A horse shall not be qualified to start in any race unless he has been and continues properly entered therein.~~

~~**2214.** For all races, the Racing Secretary is the person authorized to receive entries and declarations.~~

~~**2216.** The Racing Secretary may also allow entries to be made by telephone or other electronic means in a manner and form acceptable to the Racing Secretary.~~

~~**2217.** Any person having a recorded interest in a horse may enter that horse unless prohibited by the terms of the partnership papers registered with the Racing Commission.~~

~~2218. Joint subscriptions and entries may be made by any one or more of the owners. However, all partners and each of them shall be jointly and separately liable for all fees and forfeits.~~

~~2221. (a) The entries of any person, or the transfer of any entry, may be refused with or without either notice or reason being given therefor.~~

~~(b) The franchise holder, with permission from the stewards, shall have the right to refuse the acceptance of any nomination to any stakes race, and to revoke any previously accepted nomination, for any reason. If a nomination is denied or revoked, all nomination fees tendered or paid with respect to the horse for its nomination for such race shall be returned to the owner of the horse whose nomination was denied or revoked. Denial or refusal to allow a horse to enter or start because of race being postponed or cancelled; overfill of entries; failure to satisfy any eligibility condition; scratch by stewards for horse's actions in paddock, during warm-up, or in starting gate (including breaking through the gate), scratch by stewards on advice of track veterinarian, or scratch by stewards for violation of any other rule, shall not be grounds for refund of any nomination fee.~~

~~2222. No horse shall be allowed to enter or start in any flat race unless duly registered and named at the Registry Office of The Jockey Club (New York).~~

~~2222.1 No horse shall be allowed to start unless the registration papers are on file with the Racing Secretary.~~

~~2223. If a horse's name is changed, the horse's new name shall be registered with The Jockey Club (New York). The horse's old name, as well as the horse's new name, must be given in every entry list until the horse has run three (3) races. Both names must be printed on the official program for those three (3) races.~~

~~2224. At the time of entry of a horse starting for the first time, a certificate of registration shall be required by the Racing Secretary.~~

~~(a) No horse shall be entered or started unless in the care, custody and complete control of the licensed registered trainer. Program trainers are not permitted.~~

~~(b) No horse shall be permitted to start that has not been fully identified.~~

~~(c) No horse shall be allowed to race unless the horse has been lip tattooed. For good cause, the Stewards or the identifier may waive this requirement if the horse is~~

~~otherwise properly identified. However, the horse shall be tattooed thereafter within such time as set by the Stewards.~~

~~(d) Any person attempting to establish the identity of a horse or the horse's ownership shall be held to account, the same as the owner, and shall be subject to the same penalty in case of fraud or attempted fraud.~~

~~2225. No horse shall be permitted to enter or to start unless stabled on the grounds of the franchise holder, except with the permission of the Racing Secretary.~~

~~2228. No horse shall be permitted to start whose name and true ownership is not registered with the Racing Secretary.~~

~~2229. All ownerships in a horse, except a trainer's percentage of his winnings, shall be filed with the Racing Secretary before the horse shall start, as also shall every change in ownership thereafter during the Race Meeting.~~

~~2230. No horse may be entered in two or more races scheduled to run on the same day unless all of the races into which the horse is entered for such day are stakes races.~~

~~2231. To compete in a race, a horse must be eligible at the time of starting that race.~~

~~2232. A horse shall not be qualified to be entered or to start in any race if owned in whole or in part, or if under the management, directly or indirectly, of a disqualified or ineligible person.~~

~~2233. If an entry from any disqualified person or a disqualified horse is received, such entry shall be void and any money paid for such entry shall be returned, if the disqualification is disclosed forty-five (45) minutes before post time for the race. Otherwise, any such money shall be paid to the winner.~~

~~2234. No entry shall be accepted from husband or wife while either is disqualified.~~

~~2235. No horse on the schooling list shall be qualified to be entered or to start.~~

~~2236. No horse on the Official Starter's or Veterinarian's List shall be allowed to be entered or to start.~~

~~2237. If a horse is sold to a disqualified person, said horse's racing engagements shall be void as of the date of sale.~~

~~2238. No horse shall be allowed to enter or to start in any race if the owner of that horse is in arrears, except with the approval of the Stewards.~~

~~2239. In divided races, the starters in the separate divisions shall be determined by the Racing Secretary, provided, however, when it is determined that an overnight handicap will be divided, the event must be divided by listing the entries consecutively according to weights assigned, and assigning entries to each division from high weights to low weights. No entry will be permitted to start in one division to the exclusion of a single entry regardless of the type of conditions of any overnight race. However, an entry may be split into each division of the divided race and be treated as separate single entries. All divided races will be considered separate races.~~

~~2240. Entries in claiming races may be accepted for not more than two horses, whether they are owned by the same or different interests. At the time of entry, a preference must be made to the end that each interest may have an entry in each division should the race be divided.~~

~~2241. In making multiple entries to purse races, trainers and owners must signify a preference.~~

~~2242. In purse races at least eight horses in entirely different interests must enter and six or more must start, or the race may be declared off.~~

~~2243. The franchise holder shall have the right to withdraw or change any unclosed race.~~

~~2244. If a race is declared off because of insufficient entries, the franchise holder may split any overnight race that may have closed, and cause a new drawing for post positions.~~

~~2245. An entry in a sweepstakes is a subscription and cannot be withdrawn.~~

~~2246. A horse shall not be allowed to leave the paddock for a race if there remains unpaid any stake or entrance money payable with respect to that horse for the race, unless permission to leave and race shall have otherwise been granted by the Racing Secretary.~~

~~2247. If a horse is excused from the race by the Stewards before off time, the starting fee shall be refunded.~~

~~2248. If a horse is locked in the gate and if the conditions of that race include fees of any kind (nominating or starting), such fees, together with the jockey fees, shall be returned to the owner of any horse so prevented from participating in that race. If for any reason a race is not run, said fees shall be returned to the owners.~~

~~2249. The nominator is liable for the entrance money or stake, and the death of an entered horse or a mistake in his entry (if eligible) shall not release the nominator or transfer from such liability; nor shall the entrance money or stake of an eligible horse to any race which~~

~~is run off be returnable for the entry's failure to start for any cause.~~

~~**2250.** Except in a match race, no entry, subscription or right of entry under it shall become void on the death of the nominator or subscriber. Such rights shall follow the horse.~~

~~**2251.** Entries shall be closed at an established time. The Racing Secretary, however, may postpone the closing of entries for any day's racing schedule, with the approval of the Stewards.~~

~~**2252.** The franchise holder, through its Racing Secretary, shall establish the time of closing of entries, subject to the approval of the Racing Commission.~~

~~**2253.** In the absence of notice to the contrary, entrance and declarations for sweepstakes, which close during or on the eve of a Race Meeting, close at the office of the Racing Secretary, who shall make provision therefor. Closing at all other times for sweepstakes shall be at the office of the franchise holder.~~

~~**2254.** Except in overnight races, if the hour for closing of entries or for declarations is not stated, it is understood to be midnight at the close of the day specified.~~

~~**2255.** Nominations for stake races shall be valid if received or postmarked before midnight on the established day of closing of nominations as printed in the condition of the stakes.~~

~~**2256.** If a miscarriage of any nomination or declaration in a stake race is claimed, satisfactory proof that it was mailed or telegraphed must be presented within a reasonable time, or such evidence will not be considered.~~

~~**2257.** Entries that have closed shall be compiled without delay by the Racing Secretary and conspicuously posted.~~

~~**2258.** (a) The maximum number of starters in any race shall be limited to the number of starting positions afforded by the Association starting gate and extensions thereof. The maximum number of starters shall further be limited by the number of horses that, in the opinion of the Stewards, considering the safety of the horses and riders, can be afforded a fair and equal start. A fully paid entry in a stakes race, when denied the opportunity of starting because the number of entries exceeds the capacity of the starting gate and extensions thereof, will be entitled to refund of nomination and/or entry fee.~~

~~(b) In handicaps (stakes and overnights) preference will be given to high weights. In allowance stakes, if the number of entries exceeds the limitations of the starting gate and extensions thereof, preference will be given to horses that have accumulated the highest earnings, excluding earnings won in restricted races. For the purpose of this preference, a~~

~~restricted race shall mean (i) a State Bred Race (a race where entries are restricted to horses qualifying under State Breeding programs), (ii) a Sales Restricted Race (a race where entries are restricted by origin of purchase). On restricted stakes races for Arkansas-breds, total earnings in EITHER open or restricted races will determine preference to start.~~

~~(c) In the event part or all of a purse for a race is sponsored and provided by a party other than the franchise holder, the conditions imposed on the race by the sponsor for the selection of starters and the distribution of that part of the purse provided by the third party for the sponsored race shall supersede any contrary provisions of these Rules, if approved by the Racing Commission.~~

~~**2259.** In a purse race, twelve (12) horses only will be drawn to compete. (See Rules 2279-2289 for disposition of excess entries.)~~

~~**2260.** Purse distribution will be paid back on the following basis: winner 60%, place 20%, show 10%, fourth 5% and fifth 3%, and the remaining 2% shall be divided and paid equally among the other official starters in the race (i.e., sixth through last).~~

~~**2261.** No alterations shall be made in any entry after the closing of entries, but an error may be corrected.~~

~~**2262.** The entry of any horse that has been excused from starting on account of sickness or physical disability will not be accepted for forty-eight (48) hours after such excuse.~~

~~**2263.** Any horse that has been the subject of fraudulent practice may be disqualified by the Stewards for no longer period than the duration of the meeting.~~

~~**2263(A)**~~

~~(a) Any horse exhibiting a positive response to a test for the presence of any antibodies of any blood doping agent, including, but not limited to, Erythropoietin, Darbepoetin, Oxyglobin and Hemopure, (a "Blood Doping Agent") shall be ineligible to start or race until the owner or trainer, at his or her own expense, provides proof, in a form and substance acceptable to the Stewards, of a subsequent negative test result for antibodies of Blood Doping Agents from a laboratory approved by the Commission, provided any such test sample and test must be obtained and conducted under collection and test procedures acceptable to the Commission Veterinarian. The Blood Doping Agents to be tested for shall include Erythropoietin, Darbepoetin, Oxyglobin, Hemopure and such other blood doping agents determined from time to time by the Commission Veterinarian.~~

~~(b) Notwithstanding any inconsistent provision of these Rules, the trainer of the horse shall not be subject to application of the trainer's responsibility penalty based solely on a finding~~

~~by the laboratory that the Blood Doping Agent first detected in the initial positive test remains present in the horse in a subsequent sample taken from that horse for purposes of any subsequent test for Blood Doping Agents performed on the horse in an effort to determine the horse's re-eligibility to start and race again pursuant to subsection (a) of this Rule.~~

EQUIPMENT CHANGES

~~2265. Permission for any change of equipment from that which a horse carried in his last previous race can be obtained only from the Stewards, and must be obtained before the closing of entries for the race in which the horse is to run with changed equipment.~~

~~2266. Permission for a horse to add blinkers to his equipment or to discontinue the use of them must be approved by the Starter before being granted by the Stewards.~~

DECLARATIONS AND SCRATCHES

~~2267. No horse shall be considered scratched or declared out of an engagement until the owner or his authorized agent or some person deputed by him shall have given due notice in writing to the Racing Secretary.~~

~~2268. No horse in an overnight race shall be scratched without the approval of the Stewards.~~

~~2269. For stake races, if a horse is not named through the entry box at the usual time of closing, the horse is automatically out.~~

~~2270. The declaration or scratch of a horse out of an engagement is irrevocable.~~

~~2271. Scratches from stake races will close forty five (45) minutes before post time.~~

~~2272. Declarations and scratches from purse races shall be made to the Racing Secretary by the owner or his authorized agent or some person deputed by him, before the time stipulated by the regulations of the franchise holder.~~

~~2273. If the miscarriage of any declaration, by mail or otherwise, is alleged, satisfactory proof of such miscarriage shall be required of the complainant; otherwise, the declaration shall not be accepted as of the time alleged.~~

POSTPONEMENT AND CANCELLATION OF RACES

~~2274. If the whole or a part of a racing program is cancelled, any race involved may be rescheduled by the Racing Commission.~~

~~2275. If a stake race is declared off, all subscriptions and fees paid in connection with that race shall be refunded.~~

~~2276. Public notice shall be given at the earliest practicable time if a published race is declared off.~~

~~2277. No race that has closed with sufficient entries shall be declared off except by the Stewards in their discretion.~~

~~2278. The Stewards may postpone a race from one race day to the next race day.~~

PREFERRED AND ALSO ELIGIBLE LISTS

~~2279. The Racing Secretary shall keep a list of all horses excluded from races because of too many entries, and horses on such list are to have preference in any race in which they may afterwards be entered in accordance with the regulations adopted by the Racing Secretary for the Race Meeting. This shall be known as the preferred list.~~

~~2280. The Racing Secretary may, in his sole discretion, decide for any Race Meeting whether or not there shall be an also-eligible list.~~

~~2281. If more than twelve (12) horses are entered for any purse race, a list of names not to exceed six (6) may be drawn from the overflow entries and listed as eligible to start, if originally carded horse or horses are excused from the race. A new drawing shall be taken from all horses on the also-eligible list, and their order of eligibility and post positions shall be determined by the sequence in which they are drawn. The owner or trainer of any horse on the also-eligible list shall, if he does not intend to start, so notify the Racing Secretary not later than scratch time.~~

~~2282. If the entries in a race exceed eighteen (18) and the also-eligible list is being used, then those in excess of eighteen (18) not drawn automatically go on the preferred list.~~

~~2283. If the also-eligible list is not being used, all horses in excess of twelve (12) not so drawn as eligibles, or also eligibles, automatically go on the preferred list.~~

~~2284. Division of the preferred list with regard to claiming price and/or to distance shall be made at the discretion of the Racing Secretary, but whichever system is adopted shall be maintained for the entire Race Meeting.~~

~~2286. The name of no horse shall be placed on the preferred list if the owner thereof did not accept when presented the opportunity of starting.~~

~~2287. Horses whose names appear in the entries and have an opportunity to start,~~

~~EXCEPTING HORSES ENTERED IN SWEEPSTAKES, will be given no consideration whatsoever should they be entered for the following day and the race overfill.~~

~~2288. A copy of the preferred list will be posted each day by 7 a.m., and any claim of error must be made by 12 noon of that same day.~~

~~2289. In entering horses on the preferred list, a claim of preference must be made at time of entry and noted on the entry, or the preference shall be lost. No claim of error will be considered by the Stewards if the person making the claim has signed an entry not marked in keeping with this Rule.~~

POST POSITION

~~2290. Post positions shall be determined publicly by lot in the presence of the Racing Secretary or his deputy, one or more Stewards or their deputies, and at least one trainer licensed by the Racing Commission.~~

~~2291. Beginning from the inside rail, the horses shall take their positions at the post in keeping with the numerical order resulting from the public drawing.~~

WEIGHT PENALTIES AND ALLOWANCES

~~2292. Weight penalties are obligatory.~~

~~2293. Weight allowance is obligatory except by permission of a Steward. Such permission must be obtained at time of entry.~~

~~2294. Weight allowance, including apprentice allowance, must be claimed at time of entry or prior to the drawing of the races.~~

~~2295. Said weight allowance shall not be abandoned after the posting of entries except by consent of the Stewards.~~

~~2296. Penalties and allowance of weight are not cumulative, unless so declared by the conditions of a race.~~

~~2297. A horse shall start with only the allowance of weight entitled at the time of starting, regardless of the claimed allowance at the time of entry.~~

~~2298. Horses incurring weight penalties for a race shall not be entitled to any of the weight allowances for that race.~~

~~2299. Horses not entitled to the first weight allowance in a race shall not be entitled to the second and so on.~~

~~2300. Omission to claim a weight allowance is not cause of disqualification.~~

~~2301. Claim of weight allowance to which a horse is not entitled shall not disqualify unless protest is made in writing and lodged with the Stewards at least sixty (60) minutes before post time of the race in question.~~

~~2302. No horse shall incur a weight penalty or be barred from any race for having been placed second or lower in any race.~~

~~2303. No horse shall be given a weight allowance for failure to finish second or in any lower place in any race.~~

~~2304. Penalties incurred in steeplechase or hurdle races shall not apply to races on the flat or vice versa.~~

~~2305. Allowances due in steeplechase or hurdle races shall not apply to races on the flat or vice versa.~~

~~2306. Penalties shall not be invoked nor allowances made in arriving at the weights to be carried in matches or in private sweepstakes.~~

~~2307. No horse shall receive allowance of weight or be relieved of extra weight for having been beaten in one or more races, provided this Rule shall not prohibit maiden allowances or allowances to horses which have not won within a specified period or which have not won a race of specified value.~~

~~2308. When the decision of a race is in dispute, all horses involved in the dispute with respect to the winner's credit shall be liable to all weight penalties attached to the winnings of that race until a winner has been adjudged.~~

~~2309. Reports, records and statistics as published by The Daily Racing Form, Equibase or other publications recognized as official by the Stewards shall be considered official in determining eligibility, allowances and penalties, but may be corrected.~~

~~2311. No horse shall incur a weight penalty for a placement from which he is disqualified, but a horse placed through the disqualification of another horse shall incur the weight penalties of that placement. No such placement, however, shall make a horse ineligible to a race that already has been run.~~

~~2312. A horse involved in a Dead Heat for the first place shall be liable to weight~~

~~penalty for the amount received.~~

~~2313.~~ The following is the scale of weights for age, and shall be carried when not otherwise specified in the condition of the race.

WEIGHING IN

~~2314. After a race has been run and after he has pulled up the horse he has ridden, the jockey shall ride promptly to the finish line and there dismount, after obtaining permission from the Judges, and present himself to the Clerk of Scales to be weighed in.~~

~~2315. If a jockey is prevented from riding his mount to the finish line because of an accident or of illness either to himself or his horse, he may walk or be carried to the scales, or he may be excused by the Stewards from weighing in.~~

~~2316. Except by permission of the Stewards, every jockey must upon returning to the finish line unsaddle the horse he has ridden, and no person shall touch said horse except by his bridle.~~

~~2317. No person shall assist a jockey in removing from his horse the equipment that is to be included in the jockey's weight, except by permission of the Stewards.~~

~~2318. No person shall throw any covering over any horse at the place of dismounting until the jockey has removed the equipment that is to be included in his weight.~~

~~2319. No jockey shall before weighing in willfully touch any person or thing other than the equipment that is to be included in his weight.~~

~~2320. Each jockey shall in weighing in carry over to the scales all pieces of equipment with which he weighed out. Thereafter he may hand it to his attendant.~~

~~2321. In the event a jockey weighs in following the running of the race more than two (2) pounds short of the weight that the jockey was assigned in the race, the Clerk of Scales shall immediately so notify the Stewards, and the Stewards shall investigate and when warranted take disciplinary action against the individual or individuals responsible for the violation. When warranted, such action shall include disqualification of the horse from receiving what would~~

~~otherwise be its share of the purse. In the event that a horse is disqualified pursuant to this Rule after the declaration of the race as "Official," such disqualification shall not affect the results of the race for pari-mutuel wagering purposes or in so far as the payout to patrons is concerned. In the event a jockey weighs in following the running of the race more than two (2) pounds short of the weight that the jockey was assigned in the race and the Clerk of Scales so notifies the Stewards before the declaration of the race as "Official," the jockey's mount shall be disqualified for all purposes, including for purposes of pari-mutuel wagering and in so far as the payout to patrons is concerned.~~

~~**2322.** When a horse is disqualified under Rule 2321 and there is evidence of fraud or attempted fraud, any other horse in the race owned or controlled by the same interest or trained by the same trainer also shall be disqualified.~~

~~**2323.** No jockey shall weigh in at more than two (2) pounds over the weight at which he weighed out, except in so far as said weight may have been affected by the elements.~~

WEIGHING OUT

~~**2324.** The specified jockeys shall be weighed out for their respective mounts in each race by the Clerk of Scales not less than ten (10) minutes before the time fixed for the race. In case of a substitution of riders after the original rider has been weighed out, the substitute rider shall be weighed as promptly as possible and the name of the substitute and his weight publicly announced and posted.~~

~~**2325.** A jockey's weight shall include his/her clothing, boots, goggles, saddle and its attachments, etc.~~

~~**2326.** None of the following items should be included in a jockey's weight: whip, or a substitute for a whip, protective helmet, head number, bridle, bit, reins or saddle cloth.~~

~~**2327.** No bridle shall exceed two (2) pounds in weight, and no whip (or substitute for a whip) shall exceed one (1) pound in weight unless approved by the Stewards.~~

~~**2328.** Seven (7) pounds is the limit of the overweight any horse is allowed to carry.~~

~~**2329.** The franchise holder shall provide the only attendants who will be permitted to assist jockeys in weighing out.~~

PADDOCK TO POST

~~**2331.** Permission must be obtained from a Steward to exercise a horse between races.~~

~~**2332.** When a horse is being so warmed up before entering the paddock, his official~~

~~program number must be displayed by the rider.~~

~~**2333.** In a race, each horse shall carry a conspicuous saddlecloth number corresponding to his number on the official program. In the case of an Entry, each horse making up the Entry shall carry the same number with a distinguishing letter. For example, 1, 1A, 1X. In the case of a Field, the horses comprising the Field shall carry an individual number; i.e. 12, 13, 14, 15 and so on.~~

~~**2334.** Horses must be in the paddock at least twenty minutes before post time, or at the time appointed by the Stewards.~~

~~**2335.** Every horse must be saddled in the paddock or designated saddling area.~~

~~**2336.** All horses shall parade such a distance as is reasonable and proper in the opinion of the Stewards, unless excused by the Paddock Judge as provided in Rule 2023. If a horse is so excused from parading and is led to the post, he must pass over the same route as that followed by the parade.~~

~~**2337.** All horses shall carry their respective weights from paddock to post and during the running of the race.~~

~~**2338.** Parading horses shall pass the Stewards' stand in the numerical order of their exhibited number. Only a horse being led by the parade leader, or excused from parading, may parade out of numerical order.~~

~~**2339.** In the discretion of the Stewards, parading horses maybe allowed to break out of numerical order after passing from in front of the stands, or may be required to maintain their order until arrival at the post.~~

~~**2340.** After the horses enter the track, no jockey shall dismount and no horse shall be entitled to the care of an attendant without consent of the Stewards or the Starter.~~

~~**2341.** In case of accident to a jockey or to his mount or equipment, the Stewards or the Starter may permit the jockey to dismount and the horse to be cared for during the delay, and may permit all jockeys to dismount and all horses to be attended during the delay.~~

~~**2342.** If a jockey is thrown on the way from the paddock to the post, the horse must be remounted, returned to the point where the jockey was thrown and then proceed over the route of the parade to the post.~~

~~**2343.** If the jockey is so injured on the way to the post as to require another jockey, the horse shall be taken to the paddock, another jockey obtained and then ridden over any uncompleted portion of the exact route of the parade to the starting point.~~

~~2344. If a horse leaves the course while moving from paddock to post, he shall return to the course at the nearest practical point to that which he left the course, and shall complete his parade to the post from the point at which he left the course.~~

~~2345. No person shall willfully delay the arrival of a horse at the post.~~

POST TO FINISH

~~2347. When clear, a horse may be taken to any part of the course, but no horse shall cross or weave in front of other horses in such a way as to impede them or constitute or cause interference or intimidation that affects the outcome of the race.~~

~~2348. No horse or jockey shall willfully jostle another horse.~~

~~2349. During a race, no jockey shall carelessly and/or willfully strike or touch another jockey or another jockey's horse or equipment for the purpose of interfering with that horse or jockey.~~

~~2350. No jockey shall unnecessarily cause his horse to shorten his stride with a view to complaint.~~

~~2351. All horses shall be ridden out in every race. A jockey shall not ease up or coast to the finish without reasonable cause, even if the horse has no apparent chance to win prize money. A jockey shall give a best effort during a race, and each horse shall be ridden to win.~~

~~2352. If two horses run in one interest in any race, each shall give best effort. The practice of declaring to win with one or the other of such horses will not be allowed.~~

~~2353. The Stewards shall take cognizance of foul riding and may entertain reports from other racing officials of the Race Meeting whether or not formal complaint is made, but no complaint shall be considered which comes from any person other than the jockey, trainer or owner of the horse interfered with.~~

~~2354. No owner, trainer or jockey shall complain frivolously that his horses were crossed or jostled.~~

~~2356. The time for the first horse to cross the finish line shall be the official time of the race.~~

PROTESTS

~~2357. A protest, except a protest involving fraud, may be filed only by the owner (or his~~

~~authorized agent), trainer or jockey of a horse engaged in the race over which the protest is made, or by a racing official of the Race Meeting.~~

~~**2358.** A protest involving fraud may be made by any person.~~

~~**2359.** A protest, except a claim growing out of happenings in the running of the race, must be made in writing signed by the complainant and filed with the Stewards at least sixty (60) minutes before post time of the race in question. To merit consideration, any protest over the status of an alleged maiden must be made in writing, signed by the complainant and filed with the Stewards at least two (2) hours before the programmed post time for the first race of the day on which the protested maiden is scheduled to run.~~

~~**2360.** A protest against a horse engaged in a race, and filed with the Stewards not less than sixty (60) minutes before post time, shall receive immediate consideration. In default of proof within thirty (30) minutes of post time that the horse is qualified to start, the horse may be disqualified from starting.~~

~~**2361.** To merit consideration, a protest against the programmed distance of a race must be made at least thirty (30) minutes before post time for that race, but nothing in this Rule shall affect the Rule for races run at a wrong distance as compared with the official program.~~

~~**2362.** To merit consideration, a protest against a horse based on a happening in a race must be made to the Stewards before the placing of the horses for that race has been officially confirmed.~~

~~**2363.** Jockeys wishing to claim a foul or otherwise protest a happening in a race must do so by communicating to the outrider as promptly as practical following the running of the race. If the jockey's horse is pulled up prior to reaching the outrider, the jockey must proceed to the outrider in order to request a claim of foul or protest. The outrider must wait for those horses that pass the outrider before they are pulled up (and for the jockeys on horses pulled up prior to reaching the outrider to have had the opportunity to communicate a foul or protest claim to the outrider) before communicating a no claim/no protest status to the Stewards. If for any reason the outrider is unable to communicate to the Stewards, the Stewards shall not declare the race "Official" until the jockeys riding the first five (5) horses to finish shall have weighed in. Any jockey who has requested to register a claim of foul or protest also must contact the Stewards promptly upon dismounting. If the outrider is not confident regarding the decision to permit the quick official, the outrider shall so notify the Stewards and request a hold, and in such event the race shall not be declared "Official" by the Stewards until after either (i) the outrider shall have subsequently released the hold and notified the Stewards of no claim/no protest status or (ii) the jockeys riding the first five horses to finish have been weighed in.~~

~~**2364.** A person or persons lodging a protest must pay all the costs and expenses incurred in determining the objection unless his objection is upheld, in which case the cost shall be paid~~

~~by the offender.~~

~~**2365.** Pending the determination of a protest, any money or prize won by a protested horse, or any other money affected by the outcome of the protest shall be paid to and held by the Racing Secretary until the protest is determined.~~

~~**2366.** (a) If a protest (except for foul riding) against a horse that has won or has been placed is sustained by the Stewards, the horse shall be assigned to last position in the race, and the other horses in the race shall be advanced accordingly in the order of their finish.~~

~~(b) The Stewards are vested with the power to determine the extent of the disqualification in case of fouls. They may place the offending horse behind such horses as in their judgement it interfered with, or they may place it last.~~

~~**2367.** In the case of a disqualification, the Stewards shall immediately make public the reason for the disqualification, and the same shall be announced over the public address system.~~

~~**2368.** A protest may not be withdrawn without permission of the Stewards.~~

~~**2369.** No person shall make frivolous protests.~~

~~**2370.** The Stewards shall keep a record of all protests and complaints and of any action taken thereon, and shall report both daily to the Racing Commission.~~

~~**2371.** If a horse be disqualified for a foul under these Rules, any other horse in the race owned wholly or in part by the same interest or trained by the same trainer may also be disqualified.~~

WINNINGS

~~**2374.** Winnings shall include all net monies won in all countries, up to the time appointed for the start, including walkovers and forfeits, but not second and third money nor the value of a prize not in money.~~

~~**2375.** Winnings during a year shall be reckoned from January 1st of that year.~~

~~**2376.** Winner or non-winner of a specified sum means winner or non-winner of a single race of that value to the winner, unless otherwise stated.~~

~~**2377.** In computing the value of a series of races in which an extra sum of money is won by the winning of two or more races of the series, the extra amount shall not be included in the horse's winnings until the series, or that part of it, is finished, and hence the extra amount is definitely ascertainable. When ascertained, it shall be added to the race which determines the~~

~~extra amount.~~

~~2378. Foreign winnings shall be estimated on the basis of the normal rate of exchange prevailing on the day of the winnings.~~

~~2379. All franchise racing holders, owners, trainers, jockeys, agents, grooms and platers, and all licensees are deemed to accept the conditions under which franchise holder conducts the race meeting. Any person shall, before he/she terminates or discontinues his/her employment, engagement or activities under such accepted conditions, give the person's employer or other party for whom the person works, as the case may be, at least seven (7) days notice in writing of his/her intention to terminate or discontinue his/her employment, engagement or activities, provided, the employer or other party for whom the person works may waive the requirement of such advance notice. The Commission may, upon notice to all parties of interest, conduct a hearing or hearings with respect to any termination or discontinuance of employment, engagement or activities and if the Commission shall find that the cause for said termination or discontinuance of employment, engagement or activities under such accepted conditions is unreasonable or unlawful or contrary to the rules, regulations and conditions of the Commission, or the statutes of the State of Arkansas, or in bad faith or detrimental to the public interest or against the best interest of racing, or if the Commission shall find that the licensee or said persons have failed to give the required written notice herein provided, or in any other manner violated these Rules, it may, in its discretion, revoke, cancel, withdraw or suspend the licenses of any such trainer, jockey, agent, groom, plater, and other licensee, or may forever prohibit said person or persons from engaging in any activities at any race track in State of Arkansas, or take other appropriate disciplinary action in the circumstances.~~

DEAD HEATS

~~2381. When two or more horses run a Dead Heat, the Dead Heat shall not be run off.~~

~~2382. The owners of the horses in a Dead Heat shall divide equally the purse money involved.~~

~~2383. If a Dead Heat is for the first place, each horse shall be considered a winner of the amount received according to the preceding Rule.~~

~~2384. When a Dead Heat is run for second place and an objection is made to the winner of the race, and sustained, the horses that ran the Dead Heat, shall be deemed to have run a Dead Heat for first place.~~

~~2385. Owners shall divide equally all monies and other prizes; and if no agreement can be reached as to which of them shall receive a cup, plate or other indivisible prize, they shall draw lots for it in the presence of one or more of the Stewards.~~

~~2386. In a Dead Heat for first place, the winning jockeys shall receive 10% of the winning purse, and in all other cases the jockeys involved shall divide equally the sum total of the fees they would have received individually had one beaten the other, or others. Likewise, the owners of the horses involved shall pay their equal share of the jockey's fees.~~

~~MUTUELS~~

~~2387. When two or more horses run in a race and are coupled because of common ties, they are called an "Entry", and a wager on one of them shall be a wager on all of them.~~

~~2388. When the individual horses competing in a race exceed the numbering capacity of the totalisator, the highest numbered horse within the capacity of the totalisator and all horses of a higher number shall be grouped together and called the "Field", and a wager on one of them shall be a wager on all of them.~~

~~2389. With the approval of the proper officers of the franchise holder, the following Rules will apply.~~

~~(a) If less than six interests qualify horses to start in a race, the Manager of the Pari-mutuel Department shall be permitted to prohibit show wagering on that race.~~

~~(b) If less than five interests qualify horses to start in a race, the said Manager shall be permitted to prohibit both place and show wagering on that race.~~

~~(c) If less than three interests qualify horses to start in a race, and both of the horses qualified are coupled as an Entry, the said Manager shall be permitted to prohibit wagering on that race.~~

~~(d) The said Manager may prohibit wagering on any particular horse in any race.~~

~~2390. Before the wagering starts on each race, the morning line showing "Odds" on each horse may be posted on the public board. Entries shall be listed as one horse, and likewise the Field shall be listed as one horse.~~

~~2391. After wagering has begun on each race and immediately after there is \$1,000 (more or less, depending on circumstances) in the Straight Pool, the "Approximate Odds" on each horse must be computed at each cycle of the Tote Board. Said "Approximate Odds" shall agree with the amount wagered on each horse in the Straight Pool. There shall be a minimum of four sets (and more under proper circumstances) of "Approximate Odds" posted during the wagering on each race. These "Odds", however, are approximate and not the exact figures used in the payoff.~~

~~2392. Wagering shall cease not later than off time, and no tickets shall be sold after the totalisator has been locked or wagering ceased.~~

~~2393. If, for any reason other than power failure or accidental locking, the pari-mutuel ticket issuing machines are closed during the wagering on a race, and before off time, they shall remain closed until after the race. Wagering shall cease on that race, and the payoff for that race shall be computed on the sums then wagered in each pool.~~

~~2394. If a horse or horses are locked in the gate, the proper racing official shall promptly notify the Manager of the Pari-mutuel Department of the name and number of said horse or horses.~~

~~2395. At the end of each race, the Placing Judges shall advise the Manager of the Pari-mutuel Department of the official placement of the horses, and no payoff shall be made until the receipt of such notice.~~

~~2396. Whenever the Tote Board fails mechanically and is obviously unreliable as to the amounts wagered, the payoff shall be computed on the sums then wagered in each pool as shown by the recapitulation of the sales registered by each ticket issuing machine.~~

~~2397. If an error is made in posting the payoff figures on the Tote Board, it shall be corrected promptly and only the correct amounts shall be used in the payoff, irrespective of the error on the Tote Board. If, because of mechanical failure, it is impossible to promptly correct the posted payoff, a statement shall be made over the public address system stating the facts and corrections.~~

~~2398. In the event of an irreparable breakdown of the totalisator or the ticket issuing machines or both during the wagering on a race, the wagering for that race shall be declared closed. The payoff for that race shall be computed on the sums wagered in each pool up to the time of the breakdown.~~

~~2399. In all cases when a horse has been excused by the Stewards after wagering has started, but before off time, all money wagered on the horse so excused shall be deducted from the pool and be refunded.~~

~~2400. If a horse is left at the post at off time, there shall be no refund; provided, however, if one horse or more is prevented from leaving the post at off time because of being locked in the gate, the money wagered on said horse or horses so locked in the gate shall be deducted from the pool and be refunded.~~

~~2401. If no horse finishes in a race, all money wagered on that race shall be refunded.~~

~~2402. If two or more horses in a race are coupled on the same mutuel ticket, there shall be no refunds unless all of the horses so coupled are excused before off time or all of the horses so coupled are locked in the gate.~~

~~2403. If a jockey weighs in more than two (2) pounds short of the weight that the jockey was assigned in the race, and his mount is disqualified by the Stewards in consequence of short weight prior to the declaration of the race as "Official," all moneys wagered on said horse shall be deducted from the pool and refunded. If a jockey weighs in more than two (2) pounds short of the weight that the jockey was assigned in the race, and his mount is disqualified by the Stewards in consequence of short weight after the results of the race have been declared "Official," the moneys wagered on said horse shall not be deducted from the pool or refunded and such disqualification shall not affect the results of the race for pari mutuel wagering purposes or in so far as the pay out to patrons is concerned.~~

~~2404. In the case of an Entry, if one of the jockeys riding the Entry weighs in short of weight by more than two (2) pounds and his mount is disqualified by the Stewards in consequence of short weight prior to the result of the race being declared "Official," no refund shall be made unless the other portion of the Entry also is disqualified by the Stewards for short weight prior to the result of the race being declared "Official," in which case all moneys wagered on the Entry so disqualified prior to the results of the race being declared "Official" shall be deducted from the pool and refunded. This Rule applies with equal effect to the Field. See Rule 2321 and 2403 in the event a jockey weighs in short of weight by more than two (2) pounds after the results of the race have been declared "Official." Such resulting disqualification of the mount (after the results of the race have been declared "Official") shall not affect the results of the race for pari mutuel wagering purposes or in so far as the payout to patrons is concerned.~~

~~2405. In the case of a race postponed beyond the day originally scheduled, all money wagered on said race shall be refunded.~~

~~2406. If a race is declared off by the Stewards after wagering begins on that race, all money wagered on that race shall be refunded.~~

~~2407. If a horse wins and there is no money wagered on that horse to win, the Straight Pool shall be apportioned among the holders of the place tickets on that horse, if any; otherwise, among holders of the show tickets on that horse.~~

~~2408. If no money has been wagered to place on a horse which is placed first or second in a race, the Place Pool for that race shall be apportioned among the holders of the place tickets on the other horse which was placed first or second.~~

~~2409. If no money has been wagered to show on a horse which is placed first, second or third in a race, the Show Pool in that race shall be apportioned among the holders of show tickets on the other horses which are placed first, second or third in that place.~~

~~2410. If only one horse finishes in a race, the Place and Show Pools shall be apportioned among the holders of place and show tickets on that horse.~~

~~2411. If only two horses finish in a race, the Show Pool shall be apportioned among the holders of show tickets on those two horses.~~

~~2412. Any ruling of the Stewards with regard to the reward of purse money made after the sign "Official" has been purposely displayed by the Placing Judges shall have no bearing on the mutuel payoff.~~

~~2413. Whenever there is a difference in any pool or pools; i.e., a difference between the sum total of the wagers on the individual horses as compared with the grand total as shown by the Tote Board, the larger amount shall be used as the basis for computing the payoff. The said larger amount shall be used as the base on which the commissions are computed and paid to the franchise holder and to the Racing Commission respectively, except that at racetracks which use equipment such as computers, which make it possible to determine immediately the correct amount of money wagered, the correct amount so determined shall be used as the basis for computing the payoff and commissions. In cases where the lesser amount is used, the Racing Commission auditor on duty must be in agreement with the figure used.~~

~~2414. The Manager of the Pari-mutuel Department shall furnish a copy of all calculating sheets to the Racing Commission.~~

~~2415. Payments due on all wagers shall be made in conformity with the well-established practice of the pari-mutuel system. Money wagered on winning tickets is returned in full, plus the profits. The practice is to work in dollars and not in the number of tickets. The break permitted by Law is deducted in all of the calculations arriving at the payoff price; i.e., the odd cents over any multiple of ten cents of winnings per dollar wagered are deducted.~~

~~2416. Any claim by a person that a wrong ticket has been delivered to him must be made before leaving the mutuel ticket window. No claim shall be considered thereafter and no claim shall be considered for tickets thrown away, lost, changed, destroyed or mutilated beyond identification. Payment of wagers will be made only on presentation of appropriate pari-mutuel tickets.~~

~~2417. Should an emergency arise in connection with the operation of the pari-mutuel department not covered by these Rules and an immediate decision is necessary, the Manager of the Pari-mutuel Department shall make the decision. The Manager of the Pari-mutuel Department shall be properly and timely advised by the Racing Secretary, prior to the beginning of wagering of each race, of the horses that will compete in the race.~~

~~2418. No minor shall be allowed to wager, and no jockey in colors shall enter the~~

~~betting area.~~

~~2419. The minimum payout on all winning wagers shall be equal to the amount wagered plus ten percent (10%) (i.e., the minimum payout on a \$1.00 wager shall be \$1.10, the minimum payout on a \$2.00 wager shall be \$2.20, etc.). However, in the event of a minus pool, the minimum payout on \$2.00 wagers shall be \$2.10.~~

~~**STEPS IN CALCULATING THE PAYOFF IN WIN POOL**~~

~~2420. (a) The commission authorized by law is deducted from the sum total wagered in the Win Pool. The balance is called the "Net Pool".~~

~~(b) The amount wagered on the winner is then divided into the "Net Pool". The quotient thus obtained is the payoff price on the winner for each dollar wagered, and it includes the dollar wagered on the winner.~~

~~**STEPS IN CALCULATING THE PAYOFF IN A PLACE POOL**~~

~~2421. (a) The commission authorized by law is deducted from the sum total wagered in the Place Pool. The balance is called the "Net Pool".~~

~~(b) The sum total of the amount wagered in the Place Pool on the horses placed first and second is deducted from the "Net Pool". This gives a remainder, which is the profit or winnings. The said profit is divided into two equal parts between those who wagered in the Place Pool, on the winner and those who wagered on the horse that was placed second.~~

~~(c) Using the amount wagered in the Place Pool on the winner "to Place" as a divisor and one half of the profits of the Place Pool as specified in (b) as a dividend, the quotient thus obtained is the profit per dollar wagered in the Place Pool on the winner "to Place".~~

~~(d) Using the amount wagered in the Place Pool on the horse placed second "to Place" as a divisor and the other half of the profits as specified in (b) as a dividend, the quotient thus obtained is the profit per dollar wagered in the Place Pool on the second horse "to Place".~~

~~(e) In each of the next above paragraphs (c) and (d), the profit per dollar wagered is the resultant. The sums wagered on the horses placed first and second must be returned, therefore add to the quotient the dollar taken out of the "Net Pool" in (b). The result is the payoff for each dollar wagered on horses placed first and second in the Place Pool.~~

~~**STEPS IN CALCULATING THE PAYOFF IN A SHOW POOL**~~

~~2422. (a) The commission authorized by law is deducted from the sum total wagered in the "Show Pool". The balance is called the "Net Pool".~~

~~(b) The sum total of the amount wagered in the Show Pool on the horses placed first, second and third is deducted from the "Net Pool". This gives a remainder, which is the profit or winnings. The said profit is divided into three equal parts among those who wagered in the Show Pool on the winner, the second horse and the third horse.~~

~~(c) Using the amount wagered in the Show Pool on the winner "to Show" as a divisor and one third of the profits of the Show Pool as specified in (b) as a dividend, the quotient thus obtained is the profit per dollar wagered in the Show Pool on the winner "to Show".~~

~~(d) Using the amount wagered in the Show Pool on the horse placed second "to Show" as a divisor and one third of the profits as specified in (b) as a dividend, the quotient thus obtained is the profit per dollar wagered in the Show Pool on the second horse "to Show".~~

~~(e) Using the amount wagered in the Show Pool on the horse placed third "to Show" as a divisor and one third of the profits as specified in (b) as a dividend, the quotient thus obtained is the profit per dollar in the Show Pool wagered on the third horse "to Show".~~

~~(f) In each of the next above paragraphs (c), (d) and (e), the profit per dollar wagered is the resultant. The sums wagered on the horses placed first, second and third must be returned, therefore add to the quotient the dollar taken out of the "Net Pool" in (b). The result is the payoff price for each dollar wagered on horses placed first, second and third in the Show Pool.~~

~~STEPS IN CALCULATING THE PAYOFF IN DEAD HEATS~~

~~2423. In the case of a Dead Heat in the Straight Pool, the payoff prices shall be figured as in a Place Pool.~~

~~(a) In the case of a Dead Heat for second in the Place Pool, the winner of the race receives its half share of the profits in that pool; and each of the two horses that Dead Heat for second receives one half of the remaining half of the profit.~~

~~(b) In the case of a Dead Heat for third or "Show" in the Show Pool, the first and second horses each receive a normal one third of the profits in that pool; and the two horses that Dead Heat for third each receive one half of the remaining third of the profits.~~

~~(c) Where two or more horses racing for one interest, or Field horses participate in Dead Heats, each horse of the Entry or Field is entitled to his/her proportionate share of the profits in the Pool in which the Dead Heat occurs and the other pools affected. For~~

~~example: Where two horses of an Entry or Field "Dead Heat" for win, the win and place prices are calculated as Straight Pools, and the Entry is entitled to two thirds of the profits of the Show Pool.~~

DAILY DOUBLE

~~2424. (a) Two Daily Doubles will be permitted during any single racing program.~~

~~(b) If no ticket is sold combining the two winners of the Daily Double, the pool shall then be apportioned equally between those having tickets including the winner in the first race of the Daily Double and those having tickets including the winner in the last race of the Daily Double in the same manner in which a Place Pool is calculated and distributed.~~

~~(c) If no ticket is sold including the winner of the first race of the Daily Double, then the entire pool will be paid to the holders of tickets which include the winner of the last race of the Daily Double.~~

~~(d) Likewise, if no ticket is sold including the winner of the last race of the Daily Double, the entire pool will be paid to the holders of tickets which include the winner of the first race of the Daily Double.~~

~~(e) If no ticket is sold including a winner of either race of the Daily Double, then the pool shall be paid to holders of tickets which include the horses finishing second in the two races of the Daily Double.~~

~~(f) If no ticket is sold that would require distribution of the Daily Double pool to a winner under the sub-sections (b), (c), (d) and (e) of Rule 2424, the Association shall make a complete and full refund of the Daily Double Pool.~~

~~(g) There shall be a refund of Daily Double wagers in the event of a horse being scratched before the betting on the Daily Double has closed. (This refund is to apply only to wagers on the horse scratched.)~~

~~(h) It is required that a complete tabulation of sale or "take-off" of all combinations of tickets in the Daily Double Pool be made, and a copy of said "take off" be in the hands of the Racing Commission auditor as soon as practicable.~~

~~(i) In the event a horse is scratched or excused in the second half of the Daily Double, after the first half is official, all tickets combining the scratched horse with the winner of the first half of the Daily Double shall be paid a price per dollar denomination calculated as follows: The net Daily Double Pool (gross pool less commission) shall be divided by the purchase price of all tickets combining the winner of the first half, and the quotient thus obtained shall be the price to be paid to holders of tickets combining the winner of the first half and the~~

~~scratched or excused horse in the second half. The entire consolation pool (number of eligible tickets times the consolation), shall be deducted from the Daily Double Pool.~~

~~(j) Before the running of the race comprising the last half of the Daily Double Pool, there shall be displayed in a prominent place, easily visible from the grandstand, clubhouse and bleachers, the payoff of each combination coupled with the winner of the first half of the Daily Double.~~

~~(k) In case of a Dead Heat for winner in the first half of the Daily Double, the payoff of the Daily Double need not be posted until after the running of the second half of the Daily Double, owing to the complicated calculations involved. However, announcement of this fact must be made over the loudspeaker and notice to this effect be posted on Tote Board at the conclusion of first half of Daily Double.~~

~~(l) If a Dead Heat should result in either the first or second race of the Daily Double, the total pool is figured as a Place Pool.~~

EXACTA WAGERING

~~**2424.1** The Exaeta Pool is a contract by the purchaser of one (1) ticket combining two (2) horses in a single race, selecting the two (2) horses that will subsequently finish first and second in that race. Payment of the ticket shall be made only to the purchaser who has selected the same order of finish as officially posted.~~

~~(a) The exaeta is not a "parlay" and has no connection with or relation to the win, place and show betting and will be calculated as an entirely separate pool.~~

~~(b) If no ticket is sold on the winning combination of an Exaeta Pool, the net pool shall be distributed equally between holders of tickets selecting the winning horse to finish first and/or holders of tickets selecting the second place horse to finish second.~~

~~(c) If no ticket is sold that would require distribution of an Exaeta Pool to winner as above defined, the Association shall make a complete and full refund of Exaeta Pool.~~

~~(d) In case of a Dead Heat between two (2) horses for first place, the net Exaeta Pool shall be calculated and distributed as a place pool to holders of tickets of the winning combinations. In case of a Dead Heat between two (2) horses for second place, the Exaeta Pool shall be figured as a place pool, the holders of tickets combining the winning horse and the two (2) horses finishing second participating in the payoff.~~

~~(e) In the event of a Dead Heat for second place, if no ticket is sold on one (1) of the two (2) winning combinations, the entire net pool shall be calculated as a Win Pool and distributed to those holding tickets on the other winning combination. If no tickets combine the~~

~~winning horse with either of the place horses in the Dead Heat, the Exacta Pool shall be calculated and distributed as a Place Pool to holders of tickets representing any interest in the net pool.~~

~~(f) In the event of any Entry finishing first and second, the net Exacta Pool shall be distributed to holders of tickets selecting the Entry to win combined with the horse finishing third.~~

MINUS POOL

~~2425. In the event of a Minus Pool, the deficiency shall be absorbed by the breaks accruing for that day. In the event the breaks accruing for that day are not sufficient to absorb such Minus Pool, the remaining deficiency will be borne solely by the franchise holder.~~

CLAIMING

~~2426. In Claiming Races on the flat, any horse is subject to claim by any owner in good standing or by a person who has been issued a "claiming authorization". However, no owner may claim a horse at Oaklawn unless that owner (either individually or through co-ownership, partnership, limited liability company, corporation or other entity in which the owner owns an equity interest): (1) has foal papers on file in the Oaklawn racing office with respect to a horse eligible to race at Oaklawn, and (2) either (i) has had an "official start" in a prior race at Oaklawn during the current race meet or (ii) was an "official starter" in the race in which the claim is submitted. For example, if an owner (who has not previously had an "official start" in a prior race at Oaklawn during the current race meet) owns in whole or in part Horse A entered in an Oaklawn race, the owner may, if otherwise in compliance with applicable rules, submit a claim for another horse in the race, but that claim shall be void if Horse A fails to become an "official starter" in the race.~~

CLAIMING AUTHORIZATION:

~~(a) The Stewards or their appointed representatives shall issue a claiming authorization to any person who makes application therefor on forms prescribed for that purpose and who:~~

- ~~(1) meets all requirements for the issuance of an owner's license;~~
- ~~(2) is not presently involved, and does not have a spouse presently involved, as an owner of a horse in thoroughbred racing;~~
- ~~(3) has an agreement with a licensed trainer to take charge of, care for and train any horse claimed pursuant to the claiming authorization (and the holder of a claiming authorization and the trainer shall each promptly notify the Stewards~~

~~in writing if such agreement is terminated before a horse is successfully claimed);~~

~~(4) has at least the amount of the claim on deposit or credited with the horsemen's bookkeeper; and~~

~~However, notwithstanding the foregoing, a claiming authorization may not be issued to any thoroughbred horse trainer licensed as such in any jurisdiction less the trainer is a member of a partnership, limited liability company, corporation or other entity that would otherwise be eligible for a claiming authorization and the claim is being made by that partnership, limited liability company, corporation or other entity.~~

~~(b) The claiming authorization shall be valid for the calendar year in which it is issued or until such time as the person to whom the authorization was issued becomes a horse owner, either through use of the claiming authorization or through private purchase.~~

~~(c) The same fee charged for an owner's license shall be payable to the Board by the applicant prior to issuance of a claiming authorization. The holder of a claiming authorization shall not, by virtue thereof, be entitled to admission to the grandstand, clubhouse, or other spectator facility at prices less than those charged the general public.~~

~~(d) An application for claiming authorization may be denied or revoked for any reason that would justify denial, suspension or revocation of an owner's license. Any person whose claiming authorization is denied or revoked shall have the same rights to notice and hearing as an owner whose license is denied, suspended or revoked.~~

~~(e) A holder of a claiming authorization who has not previously been granted an owner's license will be issued an owner's license without payment of any additional fees.~~

~~**2426 A.** At the time of entry into a claiming race, the owner (or trainer acting under authorization from the owner) may opt to declare a horse ineligible to be claimed provided: (a) the horse has not been an official starter in a race at any racetrack for a minimum of 120 days since its last race as an official starter; (b) the horse's last race as an official starter was a claiming race in which the horse was eligible to be claimed; (c) the horse is entered for a claiming price equal to or greater than the claiming price at which it last started as an official starter; (d) failure to declare the horse ineligible at the time of entry may not be remedied; and (e) ineligibility to be claimed shall apply only to the first start as an official starter following each such 120-day or longer layoff.~~

~~**2427.** A claim maybe made by an authorized agent, but agent may claim only for the account of those for whom he is licensed as agent.~~

~~**2428.** No person shall claim his own horse or cause his own horse to be claimed,~~

~~directly or indirectly, for his own account.~~

~~2429. No person shall claim more than one horse from any one race.~~

~~2430. When a stable consists of horses owned by more than one person and trained by the same trainer, not more than one claim may be entered on behalf of such stable in any one race.~~

~~2431. The claiming price of each horse in a claiming race shall be printed in the official program, and all claims for said horse shall be for the amount so designated.~~

~~2432. Each claim shall be made in writing on a form supplied by the franchise holder. It shall be properly signed and enclosed in an envelope provided for the purpose by the Racing Secretary. The envelope shall have no identification mark on it, but it shall be marked with the number of the race. It shall be sealed and deposited in a locked box provided for this purpose by the Racing Secretary.~~

~~2433. No money or its equivalent shall be put in the claiming box. For a claim to be valid the person making the claim must have a credit balance in his account with the franchise holder's horseman's account of not less than the amount of the claim (plus any applicable sales tax).~~

~~All claims shall be deposited in the claiming box at least fifteen (15) minutes before the established post time of the race out of which the claim is made.~~

~~2434.~~

~~(a) Claims are irrevocable except as otherwise provided in subsection (e) of this Rule.~~

~~(b) At the time of filing the claim form, claimants shall have the right to designate on the claim form a request for a post race test of the claimed horse for anabolic steroids and blood doping agents determined from time to time by the Commission Veterinarian, including, but not limited to, Erythropoietin, Darbepoetin, Oxyglobin and Hemopure, (a "Blood Doping Agent"). In the event a request for the post race test for anabolic steroids and Blood Doping Agents is marked on the successful claimant's claim form, the claimed horse shall be taken to the test barn immediately after the race, a blood sample shall be drawn from the horse by the Commission Veterinarian or Commission Veterinarian's assistant, and the sample shall be submitted to a Commission approved laboratory to test for the presence of anabolic steroids and Blood Doping Agent antibodies. The blood sample shall be taken, contained and submitted to the Commission approved laboratory in accordance with the rules and procedures, including split samples, applicable to other post race tests for foreign substances. The Blood Doping Agents to be tested for shall include Erythropoietin, Darbepoetin, Oxyglobin, Hemopure and such other blood doping agents determined from time to time by the Commission Veterinarian.~~

~~(e) The successful claimant shall be responsible for paying the cost for the test for anabolic steroids and Blood Doping Agents. This cost shall be posted by the Commission Veterinarian and shall be deducted from the successful claimant's account with the horse men's bookkeeper.~~

~~(d) If for any reason the claimed horse is unable to go to the test barn following the race, the Commission Veterinarian or Commission Veterinarian's Assistant will make reasonable efforts to reach the horse and draw a blood sample for testing. If for any reason the Commission Veterinarian or Commission Veterinarian's Assistant is unable or otherwise fails to draw a blood sample, the successful claimant's right to revoke the claim under this Rule shall be forfeited.~~

~~(e) The successful claimant shall have the right to void the claim if the Stewards determine that the blood sample from the claimed horse exhibited a positive response to the antibody test for any Blood Doping Agent under the testing guidelines established by the Commission Veterinarian or for anabolic steroids; provided, any such revocation of the claim must be submitted in writing to the Stewards within the forty eight (48) hour period after the Stewards' decision on the positive test result is made public, as set forth below.~~

~~(f) Once the Stewards' determination of the positive test result for anabolic steroids and a Blood Doping Agent is made public, the successful claimant shall have forty eight (48) hours thereafter to exercise his or her right to revoke the claim. Such revocation must be in writing and must be submitted to the Stewards within said forty eight (48) hour time period. If no such revocation is received by the Stewards within the designated forty eight (48) hour time period, the successful claimant shall forfeit the right to revoke the claim.~~

~~(g) If the successful claimant revokes the claim in accordance with this Rule, the Stewards shall order that (i) the horse be returned promptly to the former owner from whom the horse was claimed, and (ii) the claim money be returned promptly to the claimant revoking the claim, regardless of any appeals, hearings or other delays of any type.~~

~~(h) The successful claimant shall be responsible for all expenses for the care and maintenance of the horse from the time the horse is transferred to the claimant until the time the horse is returned to the prior owner following revocation of the claim in accordance with this Rule.~~

~~**2435.** When claiming time has expired, the claiming box shall be delivered to the Racing Secretary or the Racing Secretary's deputy. The Racing Secretary or the Racing Secretary's deputy shall open the box, and thereafter all claims are in their possession. The claiming box shall be available in the office of the Racing Secretary each racing day until fifteen (15) minutes before scheduled post time of each race. Whereafter, the claiming box shall be available in the possession of the Racing Secretary or the Racing Secretary's deputy.~~

~~2436. The Racing Secretary or the Racing Secretary's deputy, shall open the claim envelope for each race as soon as, but not until, the horses for said race enter the track on the way from paddock to post; and immediately thereafter check with the horsemen's bookkeeper to ascertain whether or not the proper credit balance has been established with the franchise holder.~~

~~2437. The Stewards may at any time, in their discretion, require any person filing a claim to make affidavit in writing that he is claiming in accordance with the Rules.~~

~~2438. Claims that are made not in keeping with the Rules shall be void.~~

~~2439. A claimed horse shall run in the interest and for the account of the owner from whom claimed.~~

~~2440. Title to a claimed horse shall be vested in the successful claimant at the time the horse becomes a starter. A horse is a starter when the stall doors of the starting gate open in front of it at the time the starter dispatches the horses.~~

~~2441. Any horse that has been claimed shall, after the race has been run, be taken to the paddock for delivery to the claimant. However, if a urine or other test is to be made, the horse shall be taken to the test barn and the test made immediately. Thereafter, possession of the horse shall be delivered to the claimant.~~

~~2442. A horse claimed shall not be delivered by the original owner to the successful claimant until written authorization is given by the Racing Secretary.~~

~~2443. No person shall refuse to deliver to the person legally entitled thereto a horse claimed out of a claiming race.~~

~~2444. If more than one claim is filed for the same horse, the title to the horse shall be determined by lot under the direction and supervision of one or more of the Stewards.~~

~~2445. For a period of twenty (20) days after the claim, a claimed horse shall not start in a race in which the determining eligibility price is less than twenty five percent (25%) more than the price at which it was claimed. The day claimed shall not count for purposes of counting the applicable twenty (20) day period, and for this purpose the immediate following calendar day after the day claimed shall be the first day. The horse shall be entitled to enter whenever necessary so that the horse may start on the twenty first (21st) calendar day following the claim, for any claiming price.~~

~~2446. No horse claimed in a claiming race shall be sold or transferred, wholly or in part, to anyone within thirty (30) days after the day claimed except in another claiming race. Further, when a horse is claimed at a recognized race meeting under rules that are at variance with this Rule, title to such horse shall be recognized in Arkansas to follow the rule of the race meeting~~

~~under which it was claimed.~~

~~2447. No claimed horse shall remain in the same stable or under the care or management of the owner or trainer from whom claimed.~~

~~2448. A horse claimed at a recognized race meeting under rules which are at variance with those of Arkansas shall, while racing in Arkansas, pay the penalties imposed on claimed horses by the Arkansas Rules, and shall pay any additional penalty imposed by the rules under which it was claimed.~~

~~2449. The engagements of a claimed horse pass automatically with the horse to the claimant. Notwithstanding any designation of sex or age appearing on the racing program or in any racing publication, the claimant of a horse shall be solely responsible for determining the age or sex of the horse claimed.~~

~~2450. The holder of a claim, whether it be a mortgage, bill of sale or lien of any kind against a horse, shall be required to file the same with the Racing Secretary previous to the time the horse is entered. Failure to do so shall forfeit his rights in the winnings of the horse previous to the time his claim is properly filed.~~

~~2451. No person shall enter a horse in a claiming race without disclosing its true ownership.~~

~~2453. An allegation of ownership of a horse entered in a claiming race will not be considered after closing time for claims on that race.~~

~~2454. No person shall offer or enter into an agreement to claim or not to claim, or attempt to prevent another person from claiming, any horse in a claiming race.~~

~~2455. No person shall attempt by intimidation to prevent any one from running a horse in any claiming race for which it is entered.~~

~~2456. No owner or trainer shall make any agreement for the protection of each other's horses in a claiming race.~~

~~2457. Any horse claimed at Oaklawn Jockey Club will not be eligible to start at any other track until the current Oaklawn meeting is closed, unless approved by the Stewards. See also Rule 2458 below for additional restrictions on starting horses at other racetracks after the current Oaklawn meeting is closed.~~

~~2458(a). Except as otherwise provided in this Rule 2458, no horse claimed during an Oaklawn race meet shall be eligible to race at another track for a period of thirty (30) days~~

~~following the end of the Oaklawn racing season unless the claimed horse has subsequently run back in another race at Oaklawn following the claim.~~

~~(b) Horses claimed during the final fifteen (15) scheduled race days of an Oaklawn race meet are excepted from the requirements of Rule 2458(a).~~

~~(e) Horses entered in good faith in a subsequent race at Oaklawn with appropriate conditions that are unable to run back before of failure of the subsequent race at Oaklawn to fill or failure to draw in from the also eligible list may be excepted from the requirements of Rule 2458(a), if approved by the Racing Secretary and Stewards.~~

~~(d) Horses also may be excused from the requirements of Rule 2458(a) with approval by the Racing Secretary and Stewards in other appropriate circumstances where the horse was unable for good cause to run back in a subsequent race at Oaklawn.~~

~~2460. OAKLAWN JOCKEY CLUB CLASSIX RULES~~

~~(a) The Classix pari-mutuel pool is not a parlay and has no connection with or relation to any other pari-mutuel pool conducted by Oaklawn, nor to any Win, Place and Show Pool shown on the totalisator, nor to the Rules governing the distribution of such other pools.~~

~~(b) The Classix pari-mutuel Pool consists of amounts contributed for a selection for win only in each of six races designated by Oaklawn. Each person purchasing a Classix ticket shall designate the winning horse in each of the six races comprising the Classix.~~

~~(c) Those horses constituting an Entry of coupled horses or those horses coupled to constitute the Mutuel Field in a race comprising the Classix shall race as a single wagering interest for the purpose of the Classix pari-mutuel pool calculations and payouts to the public. However, if any part of either an Entry or the Field racing as a single wagering interest is a starter in a race the Entry or the Field selection shall remain as the designated selection to win that race for the Classix calculation and the selection shall not be deemed a scratch.~~

~~(d) The Classix pari-mutuel pool shall be handled as follows:~~

~~(1) The net amount in the Classix pari-mutuel pool will be divided into the Major Share (75%) and the Minor (Consolation) Share (25%).~~

~~(A) The Major Share (75%) will be distributed among holders of Classix tickets which correctly designate the official winner in each of the six races comprising the Classix.~~

~~(B) The Minor Share (25%) will be distributed among the holders of Classix tickets which correctly designate the most official~~

~~winners, but fewer than six, of the six races comprising the Classix.~~

~~(2) In the event there is no pari-mutuel ticket properly issued which correctly designates the official winner in each of the six races comprising the Classix, the Major Share (75%) shall not be distributed, but shall be carried over to the next racing day and be added to the Major Share for distribution among holders of Classix tickets which correctly designate the official winner in each of the six races comprising the Classix.~~

~~(3) The management of Oaklawn reserves the right to cancel (terminate) Classix wagering. Public notice must be given at least seventy-two (72) hours prior to the date of cancellation (termination).~~

~~(4) Should no distribution be made pursuant to subsection (D) (1) (A) of this Rule on the last day of Oaklawn's meeting in which Classix wagering is offered (held), then that portion of the distributable pool and all monies accumulated therein shall be distributed to the holders of tickets correctly designating the most winning selections of the six races comprising the Classix for that day.~~

~~(e) In the event a Classix pari-mutuel ticket designates a selection in any one or more of the races comprising the Classix and that selection is scratched, excused or determined by the Stewards to be a non-starter in the race, the actual favorite, as evidenced by the amounts wagered in the win pool at the time of the start of the race, will be substituted for the non-starting selection for all purposes, including pool calculations and payoffs.~~

~~(f) In the event of a Dead Heat for win between two or more horses in any Classix race, all such horses in the Dead Heat for win shall be considered as winning horses in the race for the purpose of calculating the pool.~~

~~(g) No Classix shall be refunded except when all six legs are cancelled or declared as "No Contest". The refund shall apply only to the Classix pool established on that racing card. Any net pool carryover accrued from a previous Classix feature shall be further carried over to the next scheduled Classix Pool operated by Oaklawn.~~

~~In the event that any number of races less six comprising the Classix are completed, one hundred percent (100%) of the net pool for the Classix shall be distributed among holders of pari-mutuel tickets that designate the most winners in the completed races. No carryover from a previous day shall be added to the Classix pool in which less than six races have been completed. Any net pool carryover accrued from a previous Classix feature shall be further carried over to the next scheduled Classix Pool operated by Oaklawn.~~

~~(h) No parimutuel ticket for the Classix Pool shall be sold, exchanged or canceled after the time of the closing of wagering in the first of the six races comprising the Classix, except for such refunds on Classix tickets as required by these Rules, and no person~~

~~shall disclose the number of tickets sold in the Classix Pool, or the number or amount of tickets sold in the Classix Pool, or the number or amount of tickets selecting winners of the Classix races, until such time as the Stewards have determined the last race comprising the Classix each day to be official.~~

~~(i) A Classix pari-mutuel ticket shall constitute a binding contract between the holder of the ticket and Oaklawn, and said ticket shall constitute an acceptance of the Classix Rules.~~

PICK-3 WAGERING

~~2461.~~

~~(a) The Pick-3 pari-mutuel Pool is not a parlay and has no connection with or relation to any other pari-mutuel pool conducted by the Association, nor to any Win, Place or Show pool, nor to the Rules governing the distribution of such other pools.~~

~~(b) A valid Pick-3 ticket shall be evidence of a binding contract between the holder of the ticket and the racing Association, and the said ticket shall constitute an acceptance of Pick-3 provisions and Rules.~~

~~(c) The Pick-3 pari-mutuel Pool consists of amounts contributed for a selection for win only in each of three consecutive races designated by the Association with prior approval of the Racing Commission. Each person purchasing a Pick-3 ticket shall designate the winning horse in each of the three races comprising the Pick-3.~~

~~(d) Those horses constituting an Entry of coupled horses or those horses coupled to constitute the Field in a race comprising the Pick-3 shall race as a single wagering interest for the purpose of the Pick-3 pari-mutuel Pool calculations and payouts to the public. However, if any part of either an Entry or the Field racing as a single interest is a starter in a race, the entry or the field selection shall remain as the designated selection to win in that race for the Pick-3 calculation, and the selection shall not be deemed a scratch.~~

~~(e) The net amount in the pari-mutuel Pool subject to distribution among winning ticket holders shall be distributed among the holders of tickets that correctly designate the winners in all three races comprising the Pick-3.~~

~~(f) If no ticket is sold combining the three winners of the Pick-3, the net amount in the Pick-3 pari-mutuel Pool shall be distributed among holders of tickets which include the winners of at least two of the three races comprising the Pick-3.~~

~~(g) If no ticket is sold combining at least two winners of the Pick-3, the net amount in the Pick-3 pari-mutuel Pool shall be distributed among holders of tickets which~~

~~include the winner of any one race comprising the Pick 3.~~

~~(h) If no ticket is sold that would require distribution of the Pick 3 Pool to a winner under this Rule, the Association shall make a complete and full refund of the Pick 3 Pool.~~

~~(i) If for any reason one of the races comprising the Pick 3 is cancelled, the net amount of the Pick 3 pari-mutuel Pool shall be distributed as provided above in subsections (f), (g) and (h) of this Rule.~~

~~(j) If for any reason two or more of the races comprising the Pick 3 are cancelled, a full and complete refund will be made of the Pick 3 Pool.~~

~~(k) In the event a Pick 3 ticket designates a selection in any one or more of the races comprising the Pick 3 and that selection is scratched, excused or determined by the Stewards to be a non-starter in the race, the actual favorite, as evidenced by the amounts wagered in the Win Pool at the time of the start of the race, will be substituted for the non-starting selection for all purposes, including pool calculations and payoffs.~~

~~(l) In the event of a Dead Heat for win between two or more horses in any Pick 3 race, all such horses in the Dead Heat for win shall be considered as winning horses in the race for the purpose of calculating the pool.~~

~~(m) No pari-mutuel ticket for the Pick 3 Pool shall be sold, exchanged or cancelled after the time of the closing of wagering in the first of the three races comprising the Pick 3, except for such refunds on Pick 3 tickets as required by this Rule, and no person shall disclose the number of tickets sold in the Pick 3 pool or the number or amount of tickets selecting winners of Pick 3 races until such time as the Stewards have determined the last race comprising the Pick 3 to be official.~~

~~Trifecta Wager~~

~~2462.~~

~~(a) The Trifecta requires selection of the first three (3) finishers, in their exact order for a single race.~~

~~(b) The Net Trifecta Pool shall be distributed to winning wagers in the following precedence, based upon the official order of finish:~~

~~(1) As a single-priced pool to those whose combination finished in correct sequence, as the first three betting interests.~~

~~(2) If there are no such wagers in (1), then as a single priced pool to those whose combination included, in correct sequence, the first two betting interests.~~

~~(3) If there are no such wagers in (1) or (2), then as a single priced pool to those whose combination correctly selected the first place betting interest only.~~

~~(4) If there are no such wagers in (1), (2) or (3), then the entire pool shall be refunded on Trifecta wagers for that race.~~

~~(c) If less than three (3) betting interests finish and the race is declared official, payoffs will be made based upon the order of finish of those interests completing the race. The balance of any selection beyond the number of betting interests completing the race shall be ignored.~~

~~(d) If there is a Dead Heat for first involving:~~

~~(1) Contestants representing three (3) or more betting interests, all of the wagering combinations selecting three (3) betting interests that correspond with any of the betting interests involved in the Dead Heat shall share in a profit split.~~

~~(2) Contestants representing two (2) betting interests, both of the betting interests, irrespective of order, along with the third place betting interests shall share in a profit split.~~

~~(e) If there is a Dead Heat for second, all of the combinations correctly selecting the winner combined with any two (2) of the betting interests involved in the Dead Heat for second shall share in a profit split.~~

~~(f) If there is a Dead Heat for third, all wagering combinations correctly selecting the first two (2) finishers, in correct sequence, along with any of the betting interests involved in the Dead Heat for third shall share in a profit split.~~

~~(g) Entries coupled as a single wagering interest and a Field of horses when designated as a single wagering interest are permitted. Such a single wagering interest constitutes an individual wagering selection, and a scratch of any horse that is part of an Entry or the Field shall not constitute a scratch of the single wagering interest.~~

~~(h) For Trifecta races, at least six (6) betting interests shall be carded; provided, if only five (5) betting interests are carded, or if scratches occurring after opening the Trifecta Pool reduce the race to five (5) betting interests, Trifecta wagering on the race will still~~

~~be permitted, with permission from the Stewards. However, in no event shall Trifecta wagering be allowed on a race with fewer than five (5) betting interests.~~

Quinella Wager

~~2463.~~

~~(a) The Quinella is not a parlay and has no connection with or relation to the Win, Place and Show Pools. All tickets on the Quinella will be calculated in a separate pool.~~

~~(b) All Quinella tickets will be for the win and place combination only. When purchasing a Quinella ticket, two (2) horses are selected, which must finish 1-2 or 2-1. For example, if numbers 3 and 6 are selected, they must come in 3 first and 6 second, or 6 first and 3 second.~~

~~(c) Entries or Field horses in a race comprising the quinella shall race as single wagering interests for the purpose of pari-mutuel pool calculations and payouts to the public. If, in the event that any part of the Entry or the Field is a starter, there shall be no refund to persons wagering on such Entry or Field. In the event any part of an Entry or the Field finishes first, the order of finish of all other horses making up such Entry or Field will be disregarded in determining which horse finished second for the purpose of this Rule.~~

~~(d) Should any horse or horses entered in a Quinella race be scratched or excused by the Stewards after wagering has commenced, or should any horse or horses be prevented from racing because of the failure of stall doors on the starting gate to open, all tickets including such horse or horses shall be deducted from the Quinella Pool and refunded to the purchasers of tickets on the horse or horses so excused or prevented from racing.~~

~~(e) Should there be no tickets sold on the winning combination in a Quinella race, any and all Quinella tickets bearing the number of individual win horse and any and all Quinella tickets bearing the number of the individual place horse shall be deemed winning tickets, and the payoff shall be calculated as a Place Pool.~~

~~(f) Should there be no tickets sold on the winning combination in a Quinella race and should there be no Quinella tickets sold bearing the number of the individual win horse, any and all Quinella tickets bearing the number of the individual place horse shall be deemed winning tickets, and the payoff shall be calculated as a Win Pool.~~

~~(g) Should there be no tickets on the winning combination in a Quinella race, and should there be no Quinella tickets sold bearing the number of the individual place horse, any and all tickets bearing the number of the individual win horse shall be deemed winning~~

~~tickets, and the payoff shall be calculated as a Win Pool.~~

~~(h) Should there be no tickets on the winning combinations in a Quinella race, and should there be no Quinella tickets sold bearing the number of the individual win horse, and should there be no Quinella tickets sold bearing the number of the individual place horse, the Quinella shall be deemed "No Contest," and all money in the Quinella shall be promptly refunded.~~

~~(i) Should, after an official start is effected, only one horse finish the Quinella race, the total money is figured as a Win Pool, with those who have picked that one horse in the race participating in the pool.~~

~~(j) Should a two (2) horse Dead Heat for win result in a Quinella race, the two horses involved in the Dead Heat shall be the winners of the Quinella race.~~

~~(k) Should a multiple Dead Heat for win result in a Quinella race, all horses involved in the Dead Heat shall be winners of the Quinella and payoffs figured accordingly. Example: Should numbers 1, 3 and 5 Dead Heat for win, the winning Quinella combinations would be 1-3, 1-5, 3-1, 3-5, 5-1, 5-3. The net pool, after deducting the amount wagered on the winning combinations, will be equally distributed in payoff calculations on the winning combinations.~~

~~(l) Should a two (2) horse Dead Heat for place result in a Quinella race, the total pool is calculated as a Place Pool.~~

~~(m) Should a multiple Dead Heat for place result in a Quinella race, all combinations coupling the winning horse with the individual place horses shall be winners of the Quinella race, and payoffs calculated accordingly.~~

BingoBet™ WAGER

~~2464.~~

~~(a) **Summary:** The BingoBet™ is a pari-mutuel wager placed on a bingo-style ticket played through a pari-mutuel system. The BingoBet™ is a single race wager in which runners are selected and placed in eight boxes arranged in a square of three columns and three rows. The middle box is a free box.~~

~~(1) The first column contains the runner numbers selected to finish first (win); the second column contains the runner numbers selected to finish first or second (win or place); the third column contains the runner numbers selected to finish first, second or third (win, place or show).~~

~~(2) A wager contains one winning BingoBet™ combination, called a "bingo," for each straight line of boxes (which may include the free middle box) that matches these finishers either vertically, horizontally, or diagonally.~~

~~(3) A single wager may contain as many as eight winning bingos.~~

~~(4) If a wager wins both diagonal bingos and no others, forming the shape of the letter "X," an additional Perfect X Pool is paid.~~

~~(5) If a wager wins all eight bingos, the Carryover Pool is paid out.~~

~~(b) Entering a wager. The customer has the option to:~~

~~(1) Select a single runner, whose number will randomly appear in at least one of the eight number boxes, and allow the computer to randomly assign runner numbers to the other seven boxes.~~

~~(2) Allow the computer to randomly assign runner numbers to all eight boxes.~~

~~(c) Wager amount. The minimum BingoBet™ wager shall be \$1. Wagers may be restricted to specific denominations.~~

~~(d) Cancellation of wager. Claims for cancellation of a BingoBet™ wager may be made only if the wager does not contain the requested runner number, and only if the claim is made before the customer leaves the window.~~

~~(e) Carryover Pool and Seed Pool Percents. After wagering closes for a BingoBet™ race and commissions have been deducted from the gross pool:~~

~~(1) An additional percentage of the gross pool may be deducted and added to the Carryover Pool brought forward from previous races.~~

~~(2) Another percentage of the gross pool may be deducted and added to the Seed Pool brought forward from previous races.~~

~~(3) Another percentage of the gross pool may be deducted and added to the Perfect X Pool brought forward from previous races.~~

~~(4) The remaining amount is the net Bingo Bet™ Pool.~~

~~(5) The designated percentages to be deducted may be changed, and shall be posted at least a day in advance of the performance in which the change takes effect.~~

~~(f) Net BingoBet™ Pool Distribution.~~

~~(1) The net BingoBet™ Pool payoffs shall be calculated based on separate winning bingos, regardless of whether they appear on a single wager, so that a winning BingoBet™ wager can be paid the sum of the payoffs for several winning bingos.~~

~~(2) Wagers which select enough winning bingos to be eligible for distribution of the Carryover pool shall not be included in the number of winning bingos for the net BingoBet™ Pool distribution.~~

~~(3) The net BingoBet™ Pool shall be divided by the number of \$1 winning bingos. The resulting quotient, rounded down in accordance with established pari-mutuel practice, is the payoff for each \$1 winning bingo.~~

~~(4) If there are no wagers that win the net BingoBet™ Pool, then the net BingoBet™ Pool shall be added to the Carryover Pool for distribution as described below.~~

~~(g) Perfect X Pool Distribution. The Perfect X Pool shall be distributed among those BingoBet™ wagers which contain both diagonal bingos and no others, forming the shape of the letter "X," which includes all four corner boxes and the free middle box, but none of the other four boxes.~~

~~(1) The Perfect X Pool shall be divided by the number of \$1 BingoBet™ wagers which qualify as Perfect X winners. The resulting quotient, rounded down in accordance with established pari-mutuel practice, and added to the payoff due for two \$1 winning bingos, is the payoff for each such \$1 wager.~~

~~(2) If there are no wagers that win the Perfect X Pool, it shall be carried forward to the next corresponding BingoBet™ race.~~

~~(h) Carryover Pool Distribution. The Carryover Pool shall be distributed among those BingoBet™ wagers which contain all eight winning bingos, i.e. wagers in which all eight boxes contain selections which match the proper finishers, in addition to the free middle box.~~

~~(1) The Carryover Pool shall be divided by the number of \$1 BingoBet™ wagers which select all eight winning bingos. The resulting quotient, rounded down in accordance with established pari-mutuel practice, is the payoff for each such \$1 wager.~~

~~(2) A guaranteed minimum amount may be designated for the Carryover Pool, such that if the Carryover Pool is won before it reaches this minimum, then the guaranteed minimum amount shall be distributed.~~

~~(3) If the Carryover Pool is not distributed, it shall be carried forward to the next corresponding BingoBet™ race.~~

~~(4) When the Carryover Pool has been won, the Seed Pool, if any, shall become the new Carryover Pool for the next BingoBet™ race.~~

~~(i) Entries and Fields. In a contest involving coupled Entries and Fields, only the highest placed member of the coupling is included in the order of finish for the BingoBet™. For example, if the actual order of finish is 1/1A/2/3, then the official order of finish for the BingoBet™ is 1/2/3.~~

~~(j) Dead Heat. If there is a Dead Heat for first, second or third place in the race, the runners involved in the Dead Heat shall all be considered as finishing in the position for which there was a dead heat. For example, if runners 1 and 2 are in a Dead Heat for first, then both 1 and 2 are considered first. If runner 3 came in next, it is still third.~~

~~(k) Scratches. Should a runner be scratched:~~

~~(1) The actual favorite, as evidenced by the amounts bet in the Win Pool when betting on the race is closed, shall be substituted for that runner.~~

~~(2) If the amount bet in the Win Pool is identical on two or more favorites, the favorite with the lowest program number shall be substituted for that runner.~~

~~(l) Refunds. The entire gross BingoBet™ Pool for the race shall be refunded if:~~

~~(1) less than seven (7) wagering interests remain live in the race;~~

~~(2) less than three (3) wagering interests finish the race; or~~

~~(3) the race is cancelled or declared "no contest."~~

~~SUPERFECTA POOL~~

~~**2465.**~~

~~(a) The Superfecta requires the selection of the first four (4) finishers, in their exact order, for a single race.~~

~~(b) The net Superfecta Pool shall be distributed to winning wagers in the following precedence, based upon the official order of finish:~~

~~(1) As a single price pool to those whose combination finished in correct sequence as the first four (4) betting interests.~~

~~(2) If there are no such wagers in (1), then as a single price pool to those whose combination included, in correct sequence, the first three (3) betting interests.~~

~~(3) If there are no such wagers in (1) or (2), then as a single price pool to those whose combination included, in correct sequence, the first two (2) betting interests.~~

~~(4) If there are no such wagers in (1), (2) or (3), then as a single price pool to those whose combination correctly selected the first place betting interest only.~~

~~(5) If there are no such wagers in (1), (2), (3) or (4), then the entire pool shall be refunded on Superfecta wagers for that race.~~

~~(e) If less than four (4) betting interests finish and the race is declared official, payoffs will be made based upon the order of finish of those betting interests completing the race. The balance of any selection beyond the number of betting interests completing the race shall be ignored.~~

~~(d) If there is a Dead Heat for first involving:~~

~~(1) Contestants representing four (4) or more betting interests, all of the wagering combinations selecting four (4) betting interests that correspond with any of the betting interests involved in the Dead Heat shall share in a profit split.~~

~~(2) Contestants representing three (3) betting interests, all of the wagering combinations selecting the three (3) Dead Heated betting interests, irrespective of order, along with the fourth place betting interest shall share in a profit split.~~

~~(3) Contestants representing two (2) betting interests, both of the wagering combinations selecting the two Dead Heated betting interests, irrespective of order, along with the third place and fourth place betting interests shall share in a profit split.~~

~~(e) If there is a Dead Heat for second involving:~~

~~(1) Contestants representing three (3) or more betting interests, all of the wagering combinations correctly selecting the winner combined with any of the three (3) betting interests involved in the Dead Heat for second shall share in a profit split.~~

~~(2) Contestants representing two (2) betting interests, all of the wagering combinations correctly selecting the winner, the two (2) Dead Heated betting interests, irrespective of order, and the fourth place betting interest shall share in a profit split.~~

~~(f) If there is a Dead Heat for third, all wagering combinations correctly selecting the first two (2) finishers, in correct sequence, along with any two (2) of the betting interests involved in the Dead Heat for third shall share in a profit split.~~

~~(g) If there is a Dead Heat for fourth, all wagering combinations correctly selecting the first three (3) finishers, in correct sequence, along with any of the betting interests involved in the Dead Heat for fourth shall share in a profit split.~~

~~(h) Entries coupled as a single wagering interest and a Field of horses when designated as a single wagering interest are permitted. Such a single wagering interest shall constitute an individual wagering selection, and a scratch of any horse that is part of an Entry or the Field shall not constitute a scratch of the single wagering interest.~~

~~(i) In the event that more than one (1) component of a Field or coupled Entry finishes within the first four (4) finishing positions, the first member of the Field or coupled Entry to finish shall determine the position (first, second, third or fourth) of the single betting interest. The net pool shall then be distributed to those whose selection included the Field or coupled Entry and each of the other three (3) betting interests in accordance with the priorities otherwise set forth in this Superfecta Rule.~~

~~(j) For Superfecta races, at least eight (8) betting interests shall be carded. However, if scratches occurring after opening the Superfecta Pool reduce the race to seven (7) betting interests, Superfecta wagering on the race shall still be permitted, but in no event shall Superfecta wagering be allowed on a race with fewer than seven (7) betting interests.~~

PICK 4 WAGERING

2466.

~~(a) The Pick 4 requires selection of the first place finisher in each of four (4) designated races. The Association shall designate the four (4) races comprising the Pick 4, with prior approval of the Racing Commission. Any changes to the approved Pick 4 format shall require prior approval from the Racing Commission.~~

~~(b) The net Pick 4 pool shall be distributed as a single price pool among the holders of valid tickets that designate the first place finisher in the greatest number of races comprising the Pick 4, based upon the official order of finish. For example, the net amount in the Pick 4 pool shall be distributed among the holders of valid tickets that correctly designate the official winner of all four (4) races comprising the Pick 4. If there is no valid ticket sold that~~

~~correctly designates the official winner of all four (4) of the Pick 4 races, the net amount in the Pick 4 pool shall be distributed among the holders of valid tickets that correctly designate the official winner of any three (3) of the races comprising the Pick 4. If there is no valid ticket sold that correctly designates the official winner of at least three (3) of the Pick 4 races, the net amount in the Pick 4 pool shall be distributed among the holders of valid tickets that correctly designate the official winner of any two (2) of the races comprising the Pick 4. If there is no valid ticket sold that correctly designates the official winner of at least two (2) of the Pick 4 races, the net amount in the Pick 4 pool shall be distributed among the holders of valid tickets that correctly designate the official winner of any one (1) of the races comprising the Pick 4. If there are no winning wagers (i.e., if there is no valid ticket sold that correctly designates the official winner of at least one (1) of the Pick 4 races), the Pick 4 pool shall be refunded.~~

~~(e) If there is a dead heat for first in any of the Pick 4 races involving:~~

~~(1) horses representing the same betting interest, the net Pick 4 pool shall be distributed as if no dead heat occurred.~~

~~(2) horses representing two (2) or more betting interests, all such horses in the dead heat for win shall be considered as winning horses in the race for purposes of calculating the Pick 4 pool and payouts to the public.~~

~~(d) Should a betting interest in any of the Pick 4 races be scratched, the actual favorite, as evidenced by total amounts wagered in the Win pool at the host association for the race at the close of wagering on that race, shall be substituted for the scratched betting interest for all purposes of the Pick 4, including Pick 4 pool calculations. In the event that the Win pool total at the host association for the race at the close of wagering on that race for two (2) or more favorites is identical, the substitute selection shall be the betting interest with the lowest program number. The totalisator shall produce reports showing each of the wagering combinations with substituted betting interests which became winners as a result of the substitution, in addition to the normal winning combination.~~

~~(e) Those horses constituting an Entry of coupled horses or those horses coupled to constitute the Field in a race comprising the Pick 4 shall race as a single wagering interest for purposes of the Pick 4 pool calculations and payouts to the public. If only part of an Entry or part of the Field racing as a single interest scratch and any part of the Entry or part of the Field racing as a single interest is a starter in the race, the Entry or the Field selection shall remain as the designated selection to win in that race for the Pick 4 calculation, and the selection of the Entry or Field, as the case may be, shall not be deemed a scratch.~~

~~(f) The Pick 4 pool shall be canceled and all Pick 4 wagers for that Pick 4 shall be refunded if at least three (3) contests included as part of such Pick 4 are canceled or declared "no contest."~~

~~(g) If one (1) or two (2) contest(s) included as part of a Pick 4 are canceled or declared “no contest”, the net Pick 4 pool shall be distributed as a single price pool among the holders of valid tickets that designate the first-place finisher in the greatest number of remaining Pick 4 races for that Pick 4.~~

~~(h) Providing information to any person regarding covered combinations, amounts wagered on specific combinations, number of tickets sold, or number of live tickets remaining is strictly prohibited until such time as the Stewards have determined the last race comprising the Pick 4 to be official. This shall not prohibit necessary communication between totalisator and pari-mutuel department employees for processing of pool data.~~

~~(i) The Association may suspend previously approved Pick 4 wagering with the prior approval of the Racing Commission.~~

(1) 3 Exact Order: The player's selections correctly match the first three finishers of the bonus race in exact order.
(2) 3 Any Order: The player's selections correctly match the first three finishers of the bonus race in any order.~~

- ~~(3) Third Second First: The player's selections match the first three finishers of the bonus race in reverse order.~~
 - ~~(4) Top 2 Exact Order: The player's top two selections correctly match the first two finishers of the bonus race in exact order, and the player's third selection is ignored.~~
 - ~~(5) Top Pick Wins Race: The player's top selection correctly matches the first (winning) finisher of the bonus race, and the player's second and third selections are ignored.~~
 - ~~(6) Top 2 Exact Order Only: The player's top two selections correctly match the first two finishers of the bonus race in exact order, but the player's third selection matches nothing.~~
 - ~~(7) Top Pick Wins Race Only: The player's top selection correctly matches the first (winning) finisher of the bonus race, but the player's second and third selections match nothing.~~
 - ~~(8) 3 Any Order Consolation: The player's selections fail to match any other way to win in the bonus race, but do correctly match the first three finishers of the first race in any order.~~
- 6) Payment Calculation:**
- ~~a) The winning price for a pool shall be calculated as follows:~~
 - ~~(1) The entire amount in the pool after takeout shall be divided by the maximum number of unit bets, then:~~
 - ~~(2) If there are other ways to win this pool that specify a multiple, the result shall be further divided by the largest multiple, then:~~
 - ~~(3) The result shall be rounded down if necessary for price round off (breakage), then:~~
 - ~~(4) The result shall be raised if necessary to the minimum payoff amount, then:~~
 - ~~(5) The result shall be multiplied by the actual number of unit bets wagered, then:~~
 - ~~(6) If the way to win this pool specifies a multiple, the result shall be further increased by that multiple.~~
 - ~~(7) Only for players who purchase the maximum number of unit bets in one wager, if this way to win has been designated to be paid the Maximum Bet Jackpot pool, then that amount shall be added to the winning price, rounded down if necessary for price round off (breakage).~~
 - ~~b) When a wager qualifies for more than one way to win, only the largest single amount qualified for shall be paid.~~
 - ~~c) Each way to win has a minimum payoff amount for winning wagers, which shall be posted.~~
 - ~~d) In the case of a minus pool, the minimum payoff amount shall not be less than the amount of one unit bet wagered.~~
 - ~~e) If two players qualify to win the same pool within a short time, the first winner shall be paid an amount calculated from the current pool and the second shall be paid an amount calculated from the new pool, which may begin with the minimum payoff amount.~~
- 7) Dead Heat:** A race that has a dead heat for first, second, or third shall not be used for Instant Double wagering.
- 8) Coupled Entries, Mutuel Fields:**

- ~~a) A race involving coupled entries or mutuel fields shall not be used for Instant Double wagering if there are two or more betting interests live for a single horse number.~~
- ~~b) The one remaining live betting interest of a coupled entry or mutuel field shall be represented by its horse number without a letter. For example, horse number "1" represents either horse "1" or "1A".~~
- ~~9) **Seed Pool:** To cover the cases when one of the minimum payoff amounts is paid, the Seed Pool is accumulated from a designated percent of wagers.~~
 - ~~a) Each time the application of the minimum payoff results in a payoff amount in excess of the actual amount available in the pool, the shortfall shall be deducted from the Seed Pool.~~
 - ~~b) After a pool is paid, the actual amount of the pool may be seeded from the Seed Pool to a specified initial amount.~~
 - ~~c) While the Seed Pool is below a designated threshold amount, the allotments to the other pools are each decreased and the difference shall increase the allotment to the Seed Pool.~~
- ~~10) **Racing Commission Approval:**~~
 - ~~a) The takeout rate may not exceed seventeen percent (17%).~~
 - ~~b) The method of apportioning wagers to each of the pools shall be set by the franchise holder and reported to the Racing Commission.~~
 - ~~c) The method of seeding pools shall be set by the franchise holder and reported to the Racing Commission.~~
 - ~~d) The number of pools and specific ways to win, and specific ways to qualify for the Bonus Game, declared from time to time by the franchise holder from the list set forth above (or other similar ways approved by the Racing Commission), shall be set by the franchise holder and reported to the Racing Commission.~~
 - ~~e) The Bonus Race selection method shall be approved by the Racing Commission.~~
 - ~~f) Should the Instant Double pools be designated for termination or mandatory distribution on a specific date, a method approved by the Racing Commission shall be used.~~
 - ~~g) The percents for apportioning the wager among takeout and the various pools will be posted.~~

2485(B).

- ~~1. Only wagers that are pari-mutuel and processed through a recognized pari-mutuel totalizator system may be accepted. Wagers placed in accordance with the Instant Double rules adopted by the Racing Commission contemporaneously herewith are pari-mutuel.~~
- ~~2. Races shall be randomly selected from a historical library of actual races that have previously been run. Only races that were run at licensed racetracks may be used. It shall not be necessary that each patron be wagering on the same race.~~
- ~~3. All wagers, less the applicable takeout, will be placed in pari-mutuel pools as approved by the Racing Commission. The takeout may not exceed 17%.~~
- ~~4. Minimum payout on winning wagers will be 10 cents on the dollar, unless that results in a minus pool, in which event, the minimum payout on winning wagers may be as low as the amount of the wager itself. The effective breakage will be 10 cents on the dollar, except when minimum payouts are less than 10 cents on the dollar.~~
- ~~5. The total amount in each pari-mutuel pool shall be posted at all times.~~
- ~~6. Minimum payouts shall be posted at all times.~~
- ~~7. The tax rate will be the same as for simulcasting.~~
- ~~8. Except as provided in Ark Code Ann. Section 23-110-405(b)(3)(B), no purse and construction fund amounts will be withheld from the wager or included as part of the takeout. Except as provided in Ark Code Ann. Section 23-110-405(b)(3)(B), no portion of the takeout shall be allocated to the purse and construction fund.~~
- ~~9. Oaklawn will receive this simulcast product on replayed races from RaceTech, LLC pursuant to agreements with the racetracks where the races were actually run, and shall relay the product to Southland (and ultimately later on to other racetracks). Southland (and eventually other racetracks) will wager through Oaklawn's pools.~~
- ~~10. Reports and tax payments to the State will be made on a monthly basis.~~

PURSE, CONSTRUCTION
AND PATRONAGE AND TOURISM PROMOTION FUND

2500.

~~(a) Pursuant to Ark. Code Ann. Section 23-110-407(a)(3)(A), the franchise holder shall retain four and one half percent (4.5%) of all moneys wagered on races where the wagerer is required to select one (1) horse, and three and one half percent (3.5%) of all moneys wagered on races where the wagerer is required to select more than one (1) horse (i.e., the "Purse, Construction, and Patronage and Tourism Promotion Moneys"), which retained amounts shall be reflected in a separate account on the franchise holder's books designated "Purse, Construction and Patronage and Tourism Promotion Fund." In addition, the franchise holder shall retain and deposit into the Purse, Construction and Patronage and Tourism Promotion Fund account the amount required to be withheld by the franchise holder for such purposes pursuant to Ark. Code Ann. Section 23-110-405(b)(3)(B), and such amounts shall likewise be considered Purse, Construction, and Patronage and Tourism Promotion Moneys.~~

~~(b) The Purse, Construction and Patronage and Tourism Promotion Fund account shall be established and maintained in federally insured financial institutions selected by the franchise holder. Such financial institutions shall be located in the State of Arkansas, provided, however, if the franchise holder obtains a loan for construction purposes from a financial institution located outside the State of Arkansas, the Purse, Construction and Patronage and Tourism Promotion Fund account may be maintained there as long as the loan is outstanding. All such funds shall be maintained in interest bearing accounts whenever reasonably possible. Purse, Construction, and Patronage and Tourism Promotion Moneys shall be used only for purses and construction, for debt service on money borrowed by the franchise holder for construction, or for promotions to encourage patronage and tourism consistent with the provisions of Ark. Code Ann. Section 23-110-407(a)(3).~~

~~(c) (A) "Construction", as used in this Rule, shall include all items and expenditures incurred in keeping the overall racing facility in the best possible condition for the patrons, horsemen, and franchise holder, including, without limitation, land acquisition (provided that the franchise holder submits plans for utilizing the acquired land for an approved purpose within five (5) years of the acquisition), new construction with related equipment, and reconstruction, renovation, reconditioning, and repairing of facilities with related equipment.~~

~~(B) "Construction", as used in this Rule, shall not include ordinary or routine maintenance of the overall racing facility and shall not include the construction or improvement of areas of the racing facility not generally accessible by, or used for the benefit of, either the horsemen or patrons, or both.~~

~~(C) "Construction", as used in this Rule, shall not apply to office furniture, office telephones, or other office equipment primarily devoted to the use of the franchise holder and providing little or no benefit to either horsemen or patrons, or both.~~

~~(d) The franchise holder may be reimbursed only for construction and patronage and tourism promotion expenditures from the Purse, Construction, and Patronage and Tourism Promotion Fund after submitting a claim that itemizes each expenditure listing the~~

~~specific expenditure and the payee of the expenditure and stating in specific terms with respect to construction expenditures how the expenditure jointly benefits the patrons, horsemen, and franchise holder.~~

~~(e) The Racing Commission shall have jurisdiction and shall seek the assistance of the Department of Finance and Administration ("DF&A") to check and verify compliance by the franchise holder with the provisions of this Rule. The Racing Commission shall make periodic determinations as to compliance under this Rule and under such other rules and regulations as the Racing Commission shall adopt.~~

~~(f) The franchise holder must deliver to the Racing Commission any documents reasonably requested by the Racing Commission, and the franchise holder must deliver to DF&A any documents reasonably requested by DF&A, to check and verify compliance with this Rule, within thirty (30) days of receiving a written request for the documents. If the Racing Commission does not receive the documents requested by the Racing Commission within the time period provided, or if the DFA does not receive the documents requested by DF&A within the time period provided (and the Director of the DF&A so notifies the Racing Commission), no reimbursement shall be approved from the Purse, Construction, and Patronage and Tourism Promotion Fund until the documents are delivered.~~

~~(g) The franchise holder may seek prior approval from the Racing Commission for expenditures. The application for the approval must contain the information required by subsection (d) of this Rule; provided if the exact amount of the expenditure is not then known, the franchise holder shall use its best estimate, and if the precise contractor or payee is not then known, the franchise holder may provide that information prior to final approval of the expenditure by the Racing Commission as set forth below. The initial approval will be subject to a final approval by the Racing Commission that the expenditures were made for the approved purposes in compliance with the requirements of this Rule and Ark. Code Ann. Section 23-110-407(a)(3), and the Racing Commission shall seek assistance from the DF&A to verify that the expenditures were made for the approved purposes.~~

~~(h) The franchise holder shall be solely responsible for planning and accomplishing all construction and for accountings. Before undertaking any construction project estimated to cost \$100,000 or more, the franchise holder shall give the Committee (identified in subsection (l) of this Rule) at least fifteen (15) days notice of the proposed project and its estimated cost, which notice shall contain sufficient information to adequately apprise the Committee of what is being undertaken. If the Committee wants a meeting concerning the proposed project, it shall advise the franchise holder within the fifteen (15) days. If there is no request for a meeting, the franchise holder may proceed with the project. If there is a request for a meeting, the franchise holder may proceed after the meeting in accordance with the action taken by the Committee at the meeting. If the estimated cost of a Project is less than \$100,000, the franchise holder may proceed immediately but must notify the Committee within sixty (60) days of the project and its estimated cost, which notice shall contain sufficient information to~~

~~adequately apprise the Committee of what is being undertaken. If the Committee wants a meeting concerning the proposed project it shall advise the franchise holder within fifteen (15) days after receipt of the notice. If there is no request for a meeting, the franchise holder may proceed with the project. If there is a request for a meeting, the franchise holder may proceed after the meeting in accordance with the action taken by the Committee at the meeting.~~

~~(i) On or before June 1 of each year the franchise holder shall file a report with the Committee reflecting the purpose and amounts of expenditures for construction and promotions to encourage patronage and tourism during the preceding calendar year. The report shall be accompanied by a statement from the franchise holder's independent certified public accounting firm that the report accurately reflects the purposes and amounts of construction and patronage and tourism promotion expenditures. Also, on or before June 1 of each year the franchise holder shall file a report with the Committee specifying the amount of Purse, Construction and Patronage and Tourism Promotion Moneys used for purses during the preceding calendar year.~~

~~(j) The Purse, Construction and Patronage and Tourism Promotion Moneys shall not be subject to the provisions of any contract or agreement between the franchise holder and the organization representing horsemen, to the end that any contractual obligations for the use of moneys for purses shall not apply to any expenditures for construction or patronage and tourism promotion out of the Purse, Construction and Patronage and Tourism Promotion Moneys, and any expenditures for purses out of the Purse, Construction and Patronage and Tourism Promotion Moneys shall be in addition to contractual purse obligations affecting moneys other than the Purse, Construction and Patronage and Tourism Promotion Moneys. The franchise holder shall determine the amount of the Purse, Construction and Patronage and Tourism Promotion Moneys to be used for the authorized purposes, except that at least one half (1/2) of the Purse, Construction and Patronage and Tourism Promotion Moneys must be used for purses.~~

~~(k) No expenditures shall be made from the Purse and Construction Fund to any construction company, material supplier or other entity directly involved in an actual construction project in which an officer, director, employee or shareholder of the franchise holder or their spouse, children or grandchildren have any type of significant financial interest, or receive significant financial benefits.~~

~~(l) The Racing Commission shall appoint a three member committee, to include the Director of the Department of Finance & Administration (the "Committee"), to examine and to approve or disapprove, in whole or in part, the reports filed by the franchise holder pursuant to subsection (i) of this Rule. Committee action shall be reported to the full Racing Commission for approval or ratification, but the franchise holder may proceed on the basis of any Committee action until it shall be notified that the full Commission has taken contrary action. The Committee may, in its discretion, have an auditor from the Department of Finance & Administration conduct an audit of all deposits and expenditures of Purse,~~

~~Construction and patronage and Tourism Promotion Fund Moneys for any calendar year. In that event, the franchise holder shall make available to the auditor all records necessary for the audit.~~

~~(m) As authorized by Ark. Code Ann. Section 23-110-407(a)(3), accountings for expenditures for construction and patronage and tourism promotion out of the Purse, Construction and Patronage and Tourism Promotion Fund Moneys may utilize a multi year approach based on a multi year program being undertaken by the franchise holder so that accountability for expenditures may be based on expenditures made during the entire multi year period out of the Purse, Construction and Patronage and Tourism Promotion Fund Moneys derived during the multi year period; provided that the multi year period shall not exceed five (5) years, unless the Racing Commission makes a specific determination that a longer period is necessary to finance long term construction projects for the joint benefit of patrons, horsemen, and the franchise holder. Authorized expenditures will be determined on the basis of what is expended during the entire multi year period and not on what is expended in any one year. For example, if in the first year less is expended for construction than the eligible amount, the unused amount will carry over to the next year and if in that year more is expended than the eligible amount plus any carry over, the excess shall be carried forward to the next year and credited against the franchise holder's expenditures, and so forth.~~

~~(n) If money is borrowed for an authorized purpose, then Purse, Construction and Patronage and Tourism Promotion Fund Moneys may be used for debt service (principal, interest and service charges) on the loan. The franchise holder shall account to the Racing Commission for expenditures from the proceeds of any loan, to insure that eligible items are involved.~~

~~(o) If the amount of approved expenditures exceeds the balance of the Purse, Construction, and Patronage and Tourism Promotion Fund, the excess amount will remain payable to the franchise holder out of the Purse, Construction, and Patronage and Tourism Promotion Fund; provided that, with respect to expenditures incurred by the franchise holder on or after January 1, 2001, interest shall not accrue on the deficit balance, unless the interest is payable to an unrelated third party lender with respect to indebtedness directly incurred to finance construction expenditures as contemplated by this Rule and Ark. Code Ann. Section 23-110-407(a)(3).~~

~~(p) If the franchise holder makes any expenditure of Purse, Construction and Patronage and Tourism Promotion Moneys in good faith and it is subsequently determined that all or part of that expenditure does not qualify as an authorized purpose under this Rule or Ark. Code Ann. Section 23-110-407(a)(3), the franchise holder may use the unqualified amount for another purpose that is qualified. If, after the franchise holder is afforded that opportunity, there is a final determination that there remains at the end of the applicable multi year period an amount that represents an unauthorized expenditure, that amount shall be paid to the Racing Commission for the use and benefit of the State of Arkansas.~~

Instant Racing Purse & Awards

~~2700. The franchise holder shall pay to the Racing Commission for deposit in the Arkansas Racing Commission Purse and Awards Fund, to be used for purse supplements, breeders' awards, owners' awards, and stallion awards as provided in Ark. Code Ann. Section 23-110-409, an amount equal to one percent (1%) of the "net takeout" from pari-mutuel wagering at the franchise holder's racetrack facility under the Electronic 1-2-3 (thoroughbred) Rules. For this purpose, "net takeout" shall be the amount of the applicable takeout from the wagering pool remaining after payments for system and race rights usage fees.~~

~~Preamble to the Uniform Classification Guidelines of Foreign Substances~~

~~The Preamble to the Uniform Classification Guidelines was approved by the RCI Drug Testing and Quality Assurance Program Committee (now the Drug Testing Standards and Practices Program Committee) on August 26, 1991. Minor revisions to the Preamble were made by the Drug Classification subcommittee (now the Veterinary Pharmacologists Subcommittee) on September 3, 1991.~~

~~"The Uniform Classification Guidelines printed on the following pages are intended to assist stewards, hearing officers and racing commissioners in evaluating the seriousness of alleged violations of medication and prohibited substance rules in racing jurisdictions. Practicing equine veterinarians, state veterinarians, and equine pharmacologists are available and should be consulted to explain the pharmacological effects of the drugs listed in each class prior to any decisions with respect to penalties to be imposed. The ranking of drugs is based on their pharmacology, their ability to influence the outcome of a race, whether or not they have legitimate therapeutic uses in the racing horse, or other evidence that they may be used improperly. These classes of drugs are intended only as guidelines and should be employed only to assist persons adjudicating facts and opinions in understanding the seriousness of the alleged offenses. The facts of each case are always different and there may be mitigating circumstances which should always be considered. These drug classifications will be reviewed frequently and new drugs will be added when appropriate."~~

~~Notes Regarding Classification Guidelines~~

- ~~• Where the use of a drug is specifically permitted by a jurisdiction, then the jurisdiction's rule supersedes these penalty guidelines.~~
- ~~• Regulators should be aware that a laboratory report may identify a drug only by the name of its metabolite. The metabolite might not be listed here, but the parent compound may be.~~
- ~~• These classes of drugs are intended only as guidelines and should be employed only to assist persons adjudicating facts and opinions in understanding the seriousness of the alleged offenses.~~
- ~~• The facts of each case are different and there may be mitigating circumstances that should be considered.~~
- ~~• These drug classifications will be reviewed periodically. New drugs will be added or some drugs may be reclassified when appropriate.~~

Classification Criteria

The RCI Drug Classification Scheme is based on 1) pharmacology, 2) drug use patterns, and 3) the appropriateness of a drug for use in the racing horse. Categorization is decided using the following general guidelines:

- **Pharmacology.** Drugs that are known to be potent stimulants or depressants are placed in higher classes, while those that have (or would be expected to have) little effect on the outcome of a race are placed in lower classes.
- **Drug Use Patterns.** Some consideration is given to placement of drugs based on practical experience with their use and the nature of positive tests. For example, procaine positives have in the past been associated primarily with the administration of procaine penicillin, and this has been taken into consideration in the placement of procaine into Class 3 instead of Class 2 with other injectable local anesthetics.
- **Appropriateness of Drug Use.** Drugs that clearly are intended for use in equine therapeutics are placed in lower classes. Drugs that clearly are not intended for use in the horse are placed in higher classes, particularly if they might affect the outcome of a race. Drugs that are recognized as legitimately useful in equine therapeutics but could affect the outcome of a race are placed in the middle or higher classes.

The list includes most drugs that have been reported as detected by racing authority laboratories in the United States, Canada, the United Kingdom and other Association of Official Racing Chemists (AORC) laboratories, but does not include those which would seem to have no effect on the performance of the horse or drug detectability. For example, it does not include antibiotics, sulfonamides, vitamins, anthelmintics, or pangamic acid, all of which have been reported.

The list contains many drugs that have never been reported as detected. Usually, these are representatives of chemical classes that have the potential for producing an effect, and in many cases, for which at least one drug in that chemical class has been reported.

Most drugs have numerous effects, and each was judged on an individual basis. There are instances where there is a rather fine distinction between drugs in one category and those in the next. This is a reflection of a nearly continuous spectrum of effects from the most innocuous drug on the list to the drug that is the most offensive.

Classification Definitions

- **Class 1:** Stimulant and depressant drugs that have the highest potential to affect performance and that have no generally accepted medical use in the racing horse. Many of these agents are Drug Enforcement Agency (DEA) schedule II substances. These include the following drugs and their metabolites: Opiates, opium derivatives, synthetic opioids and psychoactive drugs, amphetamines and amphetamine-like drugs as well as related drugs, including but not limited to apomorphine, nikethamide, mazindol, pemoline, and pentylenetetrazol. Though not used as therapeutic agents, all DEA Schedule 1 agents are included in Class 1 because they are potent stimulant or depressant substances with psychotropic and often habituating actions.
- **Class 2:** Drugs that have a high potential to affect performance, but less of a potential than drugs in Class 1. These drugs are 1) not generally accepted as therapeutic agents in racing horses, or 2) they are therapeutic agents that have a high potential for abuse. Drugs in this class include: psychotropic drugs, certain nervous system and cardiovascular system stimulants, depressants, and neuromuscular blocking agents. Injectable local anesthetics are included in this class because of their high potential for abuse as nerve blocking agents.
- **Class 3:** Drugs that may or may not have generally accepted medical use in the racing horse, but the pharmacology of which suggests less potential to affect performance than drugs in Class 2. Drugs in this class include bronchodilators, anabolic steroids and other drugs with primary effects on the autonomic nervous system, procaine, antihistamines with sedative properties and the high-ceiling diuretics.
- **Class 4:** This class includes therapeutic medications that would be expected to have less potential to affect performance than those in Class 3. Drugs in this class include less potent diuretics; corticosteroids; antihistamines and skeletal muscle relaxants without prominent central nervous system (CNS) effects; expectorants and mucolytics; hemostatics; cardiac glycosides and anti-arrhythmics; topical anesthetics; antidiarrheals and mild analgesics. This class also includes the non-steroidal anti-inflammatory drugs (NSAIDs), at concentrations greater than established limits.
- **Class 5:** This class includes those therapeutic medications for which concentration limits have been established by the racing jurisdictions as well as certain miscellaneous agents such as dimethylsulfoxide (DMSO) and other medications as determined by the regulatory bodies. Included specifically are agents that have very localized actions only, such as anti-ulcer drugs, and certain anti-allergic drugs. The anticoagulant drugs are also included.

- **Prohibited Practices:**

- A) ~~The possession and/or use of a drug, substance or medication, specified below, on the premises of a facility under the jurisdiction of the regulatory body for which a recognized analytical method has not been developed to detect and confirm the administration of such substance; or the use of which may endanger the health and welfare of the horse or endanger the safety of the rider or driver; or the use of which may adversely affect the integrity of racing:~~
 - 1) ~~Erythropoietin~~
 - 2) ~~Darbepoietin~~
 - 3) ~~Oxyglobin~~
 - 4) ~~Hemopure~~
- B) ~~The possession and/or use of a drug, substance, or medication on the premises of a facility under the jurisdiction of the regulatory body that has not been approved by the United States Food and Drug Administration (FDA) for use in the United States.~~
- C) ~~The practice, administration, or application of a treatment, procedure, therapy or method identified below, which is performed on the premises of a facility under jurisdiction of a regulatory body and which may endanger the health and welfare of the horse or endanger the safety of the rider or driver, or the use of which may adversely affect the integrity of racing:~~

~~Drug Classification Scheme~~

- ~~**Class 1:** Opiates, opium derivatives, synthetic opioids, psychoactive drugs, amphetamines, and all DEA Schedule I substances (see <http://www.usdoj.gov/dea/pubs/scheduling.html>), and many DEA Schedule II drugs. Also found in this class are drugs that are potent stimulants of the CNS. Drugs in this class have no generally accepted medical use in the racing horse and their pharmacologic potential for altering the performance of a racing horse is very high.~~
- ~~**Class 2:** Drugs placed in this category have a high potential for affecting the outcome of a race. Most are not generally accepted as therapeutic agents in the racing horse. Many are products intended to alter consciousness or the psychic state of humans, and have no approved or indicated use in the horse. Some, such as injectable local anesthetics, have legitimate use in equine medicine, but should not be found in a racing horse. The following groups of drugs are placed in this class:~~
 - ~~A. Opiate partial agonists, or agonist-antagonists.~~
 - ~~B. Non-opiate psychotropic drugs. These drugs may have stimulant, depressant, analgesic or neuroleptic effects.~~
 - ~~C. Miscellaneous drugs, which might have a stimulant effect on the CNS.~~
 - ~~D. Drugs with prominent CNS depressant action.~~
 - ~~E. Anti-depressant and antipsychotic drugs, with or without prominent CNS stimulatory or depressant effects.~~
 - ~~F. Muscle blocking drugs – those that have a direct neuromuscular blocking action.~~
 - ~~G. Local anesthetics that have a reasonable potential for use as nerve-blocking agents (except procaine).~~
 - ~~H. Snake venoms and other biologic substances that may be used as nerve-blocking agents.~~
- ~~**Class 3:** Drugs placed in this class may or may not have an accepted therapeutic use in the horse. Many are drugs that affect the cardiovascular, pulmonary and autonomic nervous systems. They all have the potential of affecting the performance of a racing horse. The following groups of drugs are placed in this class:~~
 - ~~A. Drugs affecting the autonomic nervous system that do not have prominent CNS effects, but which do have prominent cardiovascular or respiratory system effects. Bronchodilators are included in this class.~~
 - ~~B. A local anesthetic that has nerve-blocking potential but also has a high potential for producing urine residue levels from a method of use not related to the anesthetic effect of the drug (procaine).~~
 - ~~C. Miscellaneous drugs with mild sedative action, such as the sleep-inducing antihistamines.~~
 - ~~D. Primary vasodilating/hypotensive agents.~~
 - ~~E. Potent diuretics affecting renal function and body fluid composition.~~
 - ~~F. Anabolic and/or androgenic steroids and other drugs.~~

- ~~**Class 4:** Drugs in this category comprise primarily therapeutic medications routinely used in racehorses. These may influence performance, but generally have a more limited ability to do so. Groups of drugs assigned to this category include the following:~~
 - ~~A. Non-opiate drugs that have a mild central antipyretic effect.~~
 - ~~B. Drugs affecting the autonomic nervous system that do not have prominent CNS, cardiovascular, or respiratory effects:~~
 - ~~1. Drugs used solely as topical vasoconstrictors or decongestants.~~
 - ~~2. Drugs used as gastrointestinal antispasmodics.~~
 - ~~3. Drugs used to void the urinary bladder.~~
 - ~~4. Drugs with a major effect on CNS vasculature or smooth muscle of visceral organs.~~
 - ~~C. Antihistamines that do not have a significant CNS depressant effect. This does not include the H2 blocking agents, which are in Class 5.~~
 - ~~D. Mineralocorticoid drugs.~~
 - ~~E. Skeletal muscle relaxants.~~
 - ~~F. Anti-inflammatory drugs. These drugs may reduce pain as a consequence of their anti-inflammatory action.~~
 - ~~1. Non-steroidal anti-inflammatory drugs (NSAIDs). (Aspirin-like drugs).~~
 - ~~2. Corticosteroids (glucocorticoids).~~
 - ~~3. Miscellaneous anti-inflammatory agents.~~
 - ~~G. Less potent diuretics.~~
 - ~~H. Cardiac glycosides and antiarrhythmic agents.~~
 - ~~1. Cardiac glycosides.~~
 - ~~2. Antiarrhythmic agents (exclusive of lidocaine, bretylium, and propranolol).~~
 - ~~3. Miscellaneous cardiotonic drugs.~~
 - ~~I. Topical Anesthetics – agents not available in injectable formulations.~~
 - ~~J. Antidiarrheal drugs.~~
 - ~~K. Miscellaneous drugs:~~
 - ~~1. Expectorants with little or no other pharmacologic action.~~
 - ~~2. Stomachics.~~
 - ~~3. Mucolytic agents.~~
- ~~**Class 5:** Drugs in this category are therapeutic medications for which concentration limits have been established by the racing jurisdictions as well as certain miscellaneous agents. Included specifically are agents that have very localized actions only, such as anti-ulcer drugs, and certain antiallergic drugs. The anticoagulant drugs are also included.~~
