Acts 2025, No. 575, and **Arkansas Code § 12-61-106** authorize the Department of the Military to enter into public-private partnerships and to amend the law concerning gifts received by the Department of the Military. The Act will require a new rule to be promulgated outlining the details of the program. The rules are scheduled on the ALC agenda for June 2026.

12 CAR § 132-101, et seq., and **Arkansas Code §12-61-106** authorize the Department of the Military to gain assistance in enlisting soldiers or airmen into the Arkansas National Guard who are not otherwise excluded from the program by the terms contained therein. When a soldier, airman, or veteran exercises personal initiative resulting in the enlistment of a recruit, the State of Arkansas, by and through the offices of the Adjutant General, will enter into an agreement with the soldier, airman, or veteran whereby they will receive compensation in the form of a voucher payment. The rule will be amended to expand the program, aiming to increase enlistment and retention and alleviate any current confusion regarding its practical application. The rules are scheduled on the ALC agenda for June 2026.

Sincerely,
