

**Department of Transformation and Shared Services**

Governor Sarah Huckabee Sanders

Secretary Joseph Wood

Director Kay Barnhill

July 19, 2023

The Honorable Breanne Davis, Co-Chairperson
The Honorable Mark Berry, Co-Chairperson
Uniform Personnel Classification and
Compensation Plan Subcommittee
Arkansas Legislative Council
State Capitol Building, Room 315

Dear Senator Davis and Representative Berry:

The Office of Personnel Management (OPM) submits a request to establish a Labor Market Rate up to 2% for employees who will be impacted by the loss of shift differential pay when they are on paid leave. There are ten departments with approximately 2,000 employees working evening, night, or weekend shifts. Employees are eligible to earn an additional 6% on evening shift, 12% on night shift, and up to 20% on weekend shifts. Past practice from departments has been to pay the shift differential to employees when they are on paid leave. This practice will change on July 23, 2023, and employees will no longer be eligible to receive shift pay when they are not working. OPM is requesting a Labor Market Rate up to 2% for each employee to help reduce the financial burden this will have on employees.

Upon approval of this Labor Market Rate, a department or agency may apply the 2% increase to the base salary of the employees currently receiving shift differential. This increase will not allow an employee's salary to exceed the maximum pay level for their grade. This increase will offset the loss of shift differential on leave that they are currently receiving; thereby, most employees should not experience a pay cut. This is a one-time adjustment and will not be in effect after September 1, 2023. The approximate cost including matching for this Labor Market Rate is \$547,029 in general revenue.

Your approval is greatly appreciated.

Sincerely,

A handwritten signature in blue ink that reads "Kay Barnhill".

Kay Barnhill, Director
Office of Personnel Management
