Re: Central Growth Pool Request

Dear Senator Davis and Representative Berry,

The Office of the State Treasurer respectfully requests to utilize the Central Growth Pool established by Arkansas Code Annotated 21-5-225 (f)(1). Our office is requesting one (1) position from the pool available to Constitutional offices. The position listed below is being requested to meet the needs of the Treasury office under my direction. Our office has an immediate need for an Executive Assistant to the Treasurer and Sr. Management Team. This position will also provide administrative support for three members of the executive team as well as relief and backup for Treasurer office tours as needed.

The office currently does not have a position available to meet these needs. Approval of the requested position will ensure that no current employee will be displaced during reorganization and Treasury administrative needs are met.

Position	Authorized Grade	Title	Salary LIM
New	New	Executive Assistant to the Treasurer	\$73,260.00

If you have any questions, don't hesitate to let me know. Thank you so much for your help with this issue.
