Dear Senator Davis and Representative Warren:

The Office of Personnel Management submits the attached information from the Department of Finance and Administration (DFA) for reporting purposes. Special language included within Act 170 of 2026, notes that extra help positions within the Revenue Services Division of DFA are exempt from the 1,500-hour limitation that is typically assigned to all extra help positions. This special language stipulates that a report should be filed with the Arkansas Legislative Council or Joint Budget Committee when any of these positions are occupied for a time exceeding seven (7) months. In accordance with the act, DFA has submitted the list of employees representing the number of extra help positions meeting this criteria. The same special language is included in Act 40 of 2026 pertaining to DFA, Office of Child Support Enforcement, but there are no positions to report that meet this criteria.
