The Honorable David Wallace, Chair The Honorable Jim Wooten, Chair Arkansas Legislative council-Personnel Subcommittee State Capitol Building Little Rock, AR 72201

Dear Senator Wallace and Representative Wooten:

The Division of Higher Education (DHE) submits a request from University of Arkansas-Division of Agriculture for your review. The University of Arkansas-Division of Agriculture has requested the second language plan differential to determine and provide differential pay for an employee who has demonstrated proficiency in a second language. The differential pay request is based upon ACA §21-5-221 which states:

"A second language differential of up to ten percent (10%) may be authorized for an employee who has the demonstrated ability and skill to communicate in a language other than English, including American Sign Language, and that skill is determined by the agency of institution to be directly related to the effective performance of the job duties for the position occupied by the employee."

The institution has submitted the following differential pay plan for this request based on four levels of proficiency:

Advanced	10%
Fluent	7.5%
Intermediate	5%
Beginning/Basic	2.5%

As required, the request contains the name and location of the testing facility, the levels of proficiency tested at the facility and indicates if the proficiency test was oral or written or a combination of both. Additionally, the second language must be utilized at least 25% of the time in performing job duties. According to University of Arkansas-Division of Agriculture, the employee will be expected to speak Spanish at least 35% of the time in this job. Employees receiving the differential whose job duties change and no longer require the use of the second language will cease to receive the differential. According

to the University of Arkansas -Division of Agriculture, the employee understands this possible outcome.

JUSTIFICATION:

The University of Arkansas-Division of Agriculture, has requested a differential of 7.5% for the position and employee listed below:

Pam,

Imelda Perez is an Administrative Professional II. She is the face of the Washington Co. Extension office who greets walk-in clientele and answers incoming phone calls. She interacts with the public all day, every day. She explains our programs, how to fill out soil/plant disease/forage/manure/water reports for analysis, how to get families signed up for 4-H membership/events in the online RegPack site. She also serves as a translator between Spanish-speaking clientele and Washington Co Extension staff to answer clientele questions in person, by phone, by email and through Extension social media accounts.
