SUBJECT: SPECIAL LANGUAGE REQUIREMENT

Section 24 of Act 772 of 2017, the FY 18 Appropriation Bill for ACC, requires the agency to submit a quarterly caseload and vacancy report for the classifications of Parole/Probation Officer, Assistant Area Manager, and Area Manager. The attached spreadsheet has been developed to comply with the act.

As a summary, at the end of the first quarter there were 17 vacant parole/probation officer positions, no vacant Assistant Area Manager positions, and one vacant Area Manager position. There were 58,354 offenders on supervision; however, only 50,649 of them were calculated against 347 filled parole/probation officer positions, which brings ACC's caseload ratio to 146:1. This calculation did not include our Specialty Assignment Officers who occupy 126 positions as authorized in Act 772.
