MISSION STATEMENT: To create a safer, more desirable atmosphere for state aeronautical activities while improving airports to better serve Arkansas communities and industry.

Arkansas Department of Aeronautics

ADA receives revenue funding from a Special Revenue account derived from the sales tax paid on aircraft, aviation fuel, aviation related products, parts and labor.

NO GENERAL REVENUE FUNDS ARE USED!!

Our appropriation is \$15,000,000.00 per year.

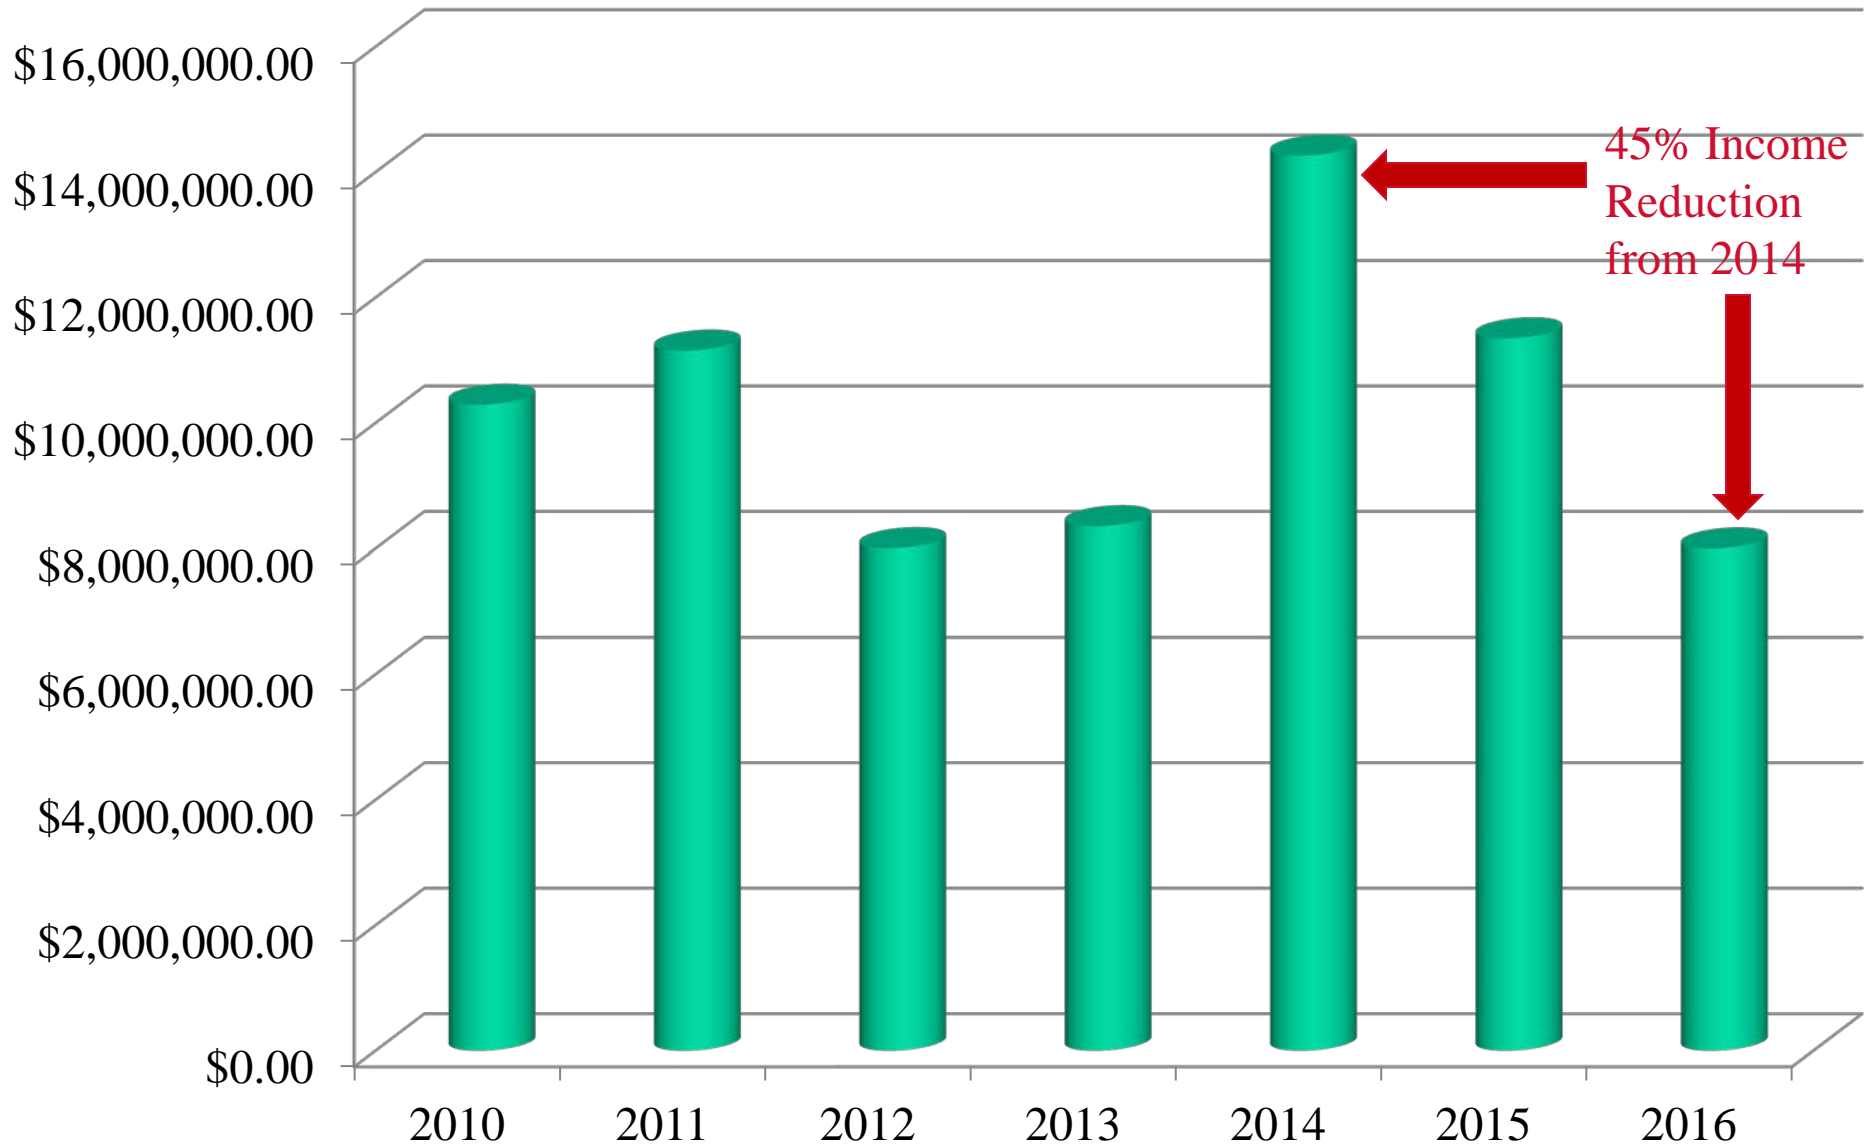

All 92 public owned / public use airports are eligible for funding on a reimbursable, matching basis and all Arkansas airports are actively participating in this grant program.
