Braiden Fowler

Conway, Arkansas 72032

Dear Mr. Fowler,

The Arkansas Legislature is in the process of reviewing the legislation by which signatures are gathered for initiatives presented by the people. Recently, you were retained to gather signatures in Arkansas. To help us make sure the process is compliant with the current laws of Arkansas, and to help us determine modifications to future laws, we would like to ask of you to provide responses to a few brief questions. We will have a meeting on this matter with the Joint Performance Review (JPR) Committee on **Tuesday, October 1, 2024, at 1:00 P.M. in Room A of the Big MAC Building, One Capitol Mall, Little Rock, AR**, should you be able to attend and would like to be available to provide additional insight. Please see the questions below:

- 1) How did you become aware of the opportunity to gather signatures in Arkansas?
  
- 2) We noticed that your home address was blacked out and replaced with an address in Conway, Arkansas on the signature page. (See attachment)
  - a. Was it you that blacked out your address? (Please circle your answer)  
Yes                      No                      Unknown
  
  - b. Were you instructed to black out your address? If so, by who?
  
  - c. Considering the original address you wrote on your signature page, did you consider that to be the home where you live? (Please circle your answer)  
Yes                      No

- 3) Were you compensated for your efforts as you were promised, and if so, were you fully paid what you were owed? If you could, please provide who you were paid by (for clarification, we are not interested in the amount, only that you were fully compensated for what you agreed to and who paid you).
  
- 4) Who provided you the affidavit to sign? (See attached affidavit)
  
  
  
  
  
  
  
  
  
  
- 5) Please provide any additional insight that you think would be helpful to the committee's assessment of the process.
