RE: Joint Performance Review Committee Reporting Requirements for Act 276 of 2021

Senator Boyd and Representative Eaves:

According to Arkansas Code Annotated § 25-1-106, as amended by Act 276 of 2021, no later than August 1 of each even-numbered year, each state board and commission shall provide the Joint Performance Review Committee (herein referred to as the "Committee") with a report of the regularly scheduled meeting dates for the state board or commission for the previous two (2) fiscal years, including the attendance record of each member and the number of meetings that were convened.

The Committee is required to report its findings and any recommendations concerning the constitutional board or commission to the Arkansas Legislative Council no later than December 1 of each even-numbered year and may draft legislation to implement the recommendations.

Findings:

The Bureau of Legislative Research utilized a previously conducted survey of all state boards and

commissions to send notices of Act 276 of 2021, the reporting requirements and deadlines, and the point of contact to submit these reports to all entities that were listed as active in 2024 on the following dates: June 19, 2026; September 17, 2026; and October 5, 2026.

According to the Bureau of Legislative Research, the following is noted:

1. There are approximately 218 state boards and commissions.
2. There are approximately 57 Arkansas Constitution Amendment 33 Entities, yet these entities are not required to submit an Act 276 of 2021 report.

As of the date of this report, approximately two-hundred and thirteen (213) boards and commissions have complied, and five (5) boards and commissions have not complied, with the requirements of Arkansas Code Annotated § 25-1-106. Many state boards and commissions were not included in this report due to being abolished, repealed, or consolidated through prior passed legislation, falling under the definition of a "constitutional board or commission" by Arkansas Constitution Amendment 33, or not being required to submit an Act 276 of 2021 report. Attached is a list of Amendment 33 entities who have complied, a list of the remaining state boards and commissions who have complied, and a list of boards and commissions who have not complied with Act 276 of 2021 for this biennium. **[Attachments A-B]**

Following the August 1 reporting deadline, the Committee met on October 19, 2026, to discuss Act 276 of 2021. On November 12, 2026, the Committee met to adopt the final report of Act 276 of 2021 report submissions to be submitted to the Arkansas Legislative Council. The Committee did not recommend draft legislation to be included in this report.
