HOMETOWN GRANTS

Designed to “jumpstart vital community projects” and plans to give more than \$25M in similar grants over 5 years. These small and rural town grants are valued up to \$50K each and have been awarded to 250 small and rural communities in 43 states totaling \$11M in grants awarded.

Arkansas cities received up to \$50K
(Russellville, Camden, Osceola, Clarksville)

PROJECT 10 MILLION

\$10.7B initiative aimed at delivering internet connectivity to millions of underserved households nationwide, especially in rural areas. The program’s goal is to make available free internet access and hardware to 10 million households over the next five years.

CONNECTING HEROES

10-year, \$7B commitment from T-Mobile to provide subsidized service and 5G access to first responder agencies. Additionally, T-Mobile ensures first responders have priority and preemption across our entire network for both voice and data.

INVESTMENT IN CAPACITY EXPANSION ACROSS ARKANSAS

We are currently expanding our network capabilities at venues throughout the state including stadiums, airports, and more.

NETWORK GROWTH

Our network team is constantly expanding the size and capacity of our top-rated 5G network.

CUSTOMER'S NETWORK EXPERIENCE

We're always upgrading and improving our network to bring faster speeds and more reliability to customers.

NETWORK RESILIENCE

We're working hard to add generator/backup power to ALL our sites, so that even during power outages our customers and first responders stay connected.
