32 ESTABLISHMENT OF A "GROWTH POOL". (a) The Arkansas Department of Higher
33 Education shall establish and maintain for the ~~2001-2003~~ 2003-2005 biennium a
34 pool of three hundred (300) nonclassified positions at a salary level not to
35 exceed ~~\$-105,169~~ \$107,904 per year. These positions are to be used by the
36 University of Arkansas for Medical Sciences in the event that the personal

1 services needs of the University during the ~~2001-2003~~ 2003-2005 biennium
2 exceed the number of positions allocated to the University by the
3 Legislature. The University shall provide justification to the Arkansas
4 Department of Higher Education for the need to allocate titles from this
5 "growth pool". No classifications will be assigned to the pool until such
6 time as specific positions are requested by the University, approved by the
7 University Board or their designee, and approved by the Legislative Council.
8 Furthermore, the Office of Personnel Management (OPM) of the Division of
9 Management Services of the Department of Finance and Administration shall
10 establish and maintain for the ~~2001-2003~~ 2003-2005 biennium a pool of three
11 hundred (300) classified positions at up to a grade 26. These positions are
12 to be used by the University of Arkansas for Medical Sciences in the event
13 that the personal services needs of the University during the ~~2001-2003~~ 2003-
14 2005 biennium exceed the number of positions in a classification allocated to
15 the University by the Legislature. The University shall provide justification
16 to OPM for the need to allocate titles from this "growth pool". No
17 classifications will be assigned to the pool until such time as specific
18 positions are requested by the University, recommended by OPM, and approved
19 by the Legislative Council.

20 (b) Determining the number of personnel to be employed by a state agency is
21 the prerogative of the General Assembly and is usually accomplished by
22 delineating the maximum number of personnel by identifying the job titles and
23 the maximum grade or salary attached to those salaries. The General Assembly
24 has determined that the University of Arkansas for Medical Sciences could be
25 operated more efficiently if some flexibility is given to that institution.
26 That flexibility is being accomplished by providing growth pools in
27 subsection (a) of this section and since the General Assembly has granted the
28 institution broad powers under the growth pool concept, it is both necessary
29 and appropriate that the General Assembly maintain oversight of the
30 utilization of the growth pool by requiring prior approval of the Legislative
31 Council in the utilization of the growth pool. Therefore, the requirement of
32 approval by the Legislative Council is not a severable part of this section.
33 If the requirement of approval by the Legislative Council is ruled
34 unconstitutional by a court of competent jurisdiction, this entire section is
35 void.

36 If the agency requests continuation of a "Growth Pool" position(s) as

1 established herein during the next biennium, the position(s) must be
2 requested as a new position(s) in the agencies biennial budget request.
3 The provisions of this section shall be in effect only from ~~July 1, 2001~~ July
4 1, 2003 through ~~June 30, 2003~~ June 30, 2005.

23 SECTION 39. LEGISLATIVE INTENT. It is the intent of the General Assembly
24 that any funds disbursed under the authority of the appropriations contained
25 in this act shall be in compliance with the stated reasons for which this act
26 was adopted, as evidenced by the Agency Requests, Executive Recommendations
27 and Legislative Recommendations contained in the budget manuals prepared by
28 the Department of Finance and Administration, letters, or summarized oral
29 testimony in the official minutes of the Arkansas Legislative Council or
30 Joint Budget Committee which relate to its passage and adoption.

31
32 SECTION 40. EMERGENCY CLAUSE. It is found and determined by the General
33 Assembly, that the Constitution of the State of Arkansas prohibits the
34 appropriation of funds for more than a two (2) year period; that the
35 effectiveness of this Act on July 1, 2003 is essential to the operation of
36 the agency for which the appropriations in this Act are provided, and that in

1 the event of an extension of the Regular Session, the delay in the effective
2 date of this Act beyond July 1, 2003 could work irreparable harm upon the
3 proper administration and provision of essential governmental programs.
4 Therefore, an emergency is hereby declared to exist and this Act being
5 necessary for the immediate preservation of the public peace, health and
6 safety shall be in full force and effect from and after July 1, 2003.
