26	SECTION 1. Leg	islative findings.			
27	The General Ass	embly of the State of Arkansas has de	termined that t	here	
28	is an immediate need	for more money in order to maintain a	and operate the		
29	public schools in this	s state. These improvements are nece	essary to provid	e	
30	for an adequate educa	tion for Arkansas students. The Gene	eral Assembly ha	s	
31	determined that the c	urrent ad valorem property tax of twe	enty-five (25) m	ills	
32	established by Amendm	ent 74 of the Arkansas Constitution f	for maintenance	and	
33	operation is inadequate for the maintenance and operation of public schools.				
34	The General Assembly finds that the best way to provide a quality education				
35	is by increasing the uniform rate of ad valorem property tax under Amendment				
36	74 of the Arkansas Constitution to twenty-eight (28) mills.
