For An Act To Be Entitled

11 AN ACT TO INCREASE THE SEVERANCE TAX RATE ON
12 NATURAL GAS; AND FOR OTHER PURPOSES.

Subtitle

15 AN ACT TO INCREASE THE SEVERANCE TAX
16 RATE ON NATURAL GAS.

19 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:

21 SECTION 1. Legislative findings and intent.

22 (a) The General Assembly has determined that the severance tax rate on
23 natural gas should be increased and that there should be different rates of
24 tax for different categories of natural gas.

25 (b) Amendment 19 of the Arkansas Constitution required this act to be
26 passed by at least three-fourths of the members of the Senate and at least
27 three-fourths of the members of the House of Representatives.

28 (c) In order to implement the increase in the severance tax rate, the
29 General Assembly has identified the following four categories of natural gas,
30 each as defined in Arkansas Code § 26-58-101:

31 (1) High-cost gas;

32 (2) Marginal gas;

33 (3) New discovery gas; and

34 (4) All natural gas that is not defined as high-cost gas,
35 marginal gas, or new discovery gas.

36 (d) To increase the severance tax rate, the General Assembly used the

1 method of levying a specific tax rate on each category so that any future
 2 legislative enactment that would have the effect of increasing the rate of
 3 severance tax on any of those categories of natural gas as defined by § 26-
 4 58-101 will also be subject to the three-fourths vote requirement of
 5 Amendment 19 of the Arkansas Constitution.

6
 7 SECTION 2. Effective January 1, 2009, Arkansas Code § 19-6-201(9),
 8 classifying and enumerating general revenues of this State, is amended to
 9 read as follows:

10 (9) Seventy-five percent (75%) of all severance taxes, with the
 11 exception of the taxes paid to sever timber and timber products, the
 12 severance tax collected on natural gas, and those portions of severance taxes
 13 designated as special revenues in § 19-6-301, as enacted by Acts 1947, No.
 14 136, and all laws amendatory thereto, §§ 26-58-101 – 26-58-103, 26-58-106 –

21 (57) Five percent (5%) of the severance tax collected on natural gas
 22 at the rates enacted by § 26-58-111(5).

23
 24 SECTION 4. Effective January 1, 2009, Arkansas Code § 19-6-301(18),

 28 taxes and twenty-five percent (25%) of all other severance taxes, with the
 29 exception of the severance tax collected on natural gas, as enacted by Acts
 30 1947, No. 136, and all laws amendatory thereto, §§ 26-58-101 – 26-58-103, 26-
 31 58-106 – 26-58-111, 26-58-114 – 26-58-116, 26-58-118 – 26-58-120, 26-58-123,

35 (B) Twelve (12) months following the expiration of the
36 original thirty-six (36) month period.

7 (a) The producer of a proposed or existing gas well may apply, at any

34

35 SECTION 12. EMERGENCY CLAUSE. It is found and determined by the
36 General Assembly that state and local roads and highways are in need of

1 substantial expansion, maintenance and repair, and that additional funding is
2 necessary to address this need. It is also found and determined that
3 increasing development and exploitation of natural gas resources in the
4 Fayetteville Shale Play and in other areas of this state has significantly
5 increased the burden and wear and tear on state and local roads and highway,
6 further exacerbating the need for maintenance and repair. It is also found
7 and determined that previous surpluses in state revenue have been largely
8 spent to improve public education and educational facilities in this state,
9 as was required by the Constitution as interpreted by the Arkansas Supreme
10 Court in the Lake View case and additional revenues must be generated from
11 other sources to address the needs of our roads and highways. It is further
12 found and determined that due to recent and dramatic increases in the price
13 of gasoline, and the fact that funds for highways are generated from a flat
14 per-gallon tax, the increasing use of more fuel-efficient vehicles has caused
15 a condition in which revenue for roads and highways has not kept pace with
16 the wear and tear caused by vehicular use. It is further found and
17 determined that immediate enactment of this bill is necessary to provide
18 adequate time for various administrative agencies of state government to
19 prepare the necessary reporting forms and instructions, to educate taxpayers
20 responsible for paying the additional taxes levied herein, and take other
21 steps necessary for the proper implementation and administration of this act.
22 Therefore, the General Assembly hereby finds and declares that an emergency
23 exists, pursuant to Article V, § 38 of the Arkansas Constitution, and this
24 Act, being necessary for the immediate preservation of the public peace,
25 health and safety, shall be in full force and effect from and after January
26 1, 2009.
