7
8 SECTION 6. EMERGENCY CLAUSE. It is found and determined by the
9 General Assembly of the State of Arkansas that due to the coronavirus 2019
10 (COVID-19) pandemic, the Governor removed barriers to the use of telemedicine
11 in an attempt to combat the coronavirus 2019 (COVID-19) pandemic; that these
12 emergency actions will expire when the emergency proclamation expires, which
13 could occur quickly; that on February 26, 2021, the Governor announced that
14 the public health emergency was extended but that the Governor was going to
15 lift some regulations related to the pandemic; that removing barriers to the
16 use of telemedicine ensured that the citizens of Arkansas had the services
17 that they needed, and removing these emergency proclamations regarding
18 telemedicine would greatly disadvantage and harm the citizens of Arkansas who
19 are utilizing telemedicine for healthcare services; that this bill maintains
20 the policy changes allowed under the emergency proclamation, which would
21 allow the citizens of Arkansas greater access to the use of telemedicine for
22 healthcare services; and that this act is immediately necessary to ensure
23 that the citizens of Arkansas have access to healthcare services provided via
24 telemedicine. Therefore, an emergency is declared to exist, and this act
25 being immediately necessary for the preservation of the public peace, health,
26 and safety shall become effective on:

27 (1) The date of its approval by the Governor;

28 (2) If the bill is neither approved nor vetoed by the Governor,
29 the expiration of the period of time during which the Governor may veto the
30 bill; or

31 (3) If the bill is vetoed by the Governor and the veto is
32 overridden, the date the last house overrides the veto.
