4

5 WHEREAS, the creation of the Arkansas Code of 1987 Annotated would not

9 every day since; and  
10

15

16 WHEREAS, Mr. Henderson was also heavily involved in the addition of  
17 markup language to bills of the General Assembly, the creation of the  
18 legislative drafting manual that established the fundamentals of bill  
19 drafting in this state, and the development of the bill review process now  
20 used for all draft legislation prior to its filing; and  
21

22 WHEREAS, the staff of the Arkansas Code Revision Commission merged with  
23 the bureau in 2005, resuming Mr. Henderson's tenure with the bureau; and  
24

25 WHEREAS, Mr. Henderson is a key member of the bureau's leadership team,  
26 and his wisdom and intellect will be greatly missed; and  
27

28 WHEREAS, following his retirement, the bureau will continue to use the

30 serve as a legacy that lives on far beyond his retirement; and  
31

32 WHEREAS, in addition to his distinguished state service, Mr. Henderson  
33 has benefitted the state and his community in many other ways, including
