9 AN ACT TO ADOPT THE ADVANCED PRACTICE REGISTERED  
10 NURSE COMPACT IN ARKANSAS; AND FOR OTHER PURPOSES.  
11

## Subtitle

12  
13 TO ADOPT THE ADVANCED PRACTICE  
14 REGISTERED NURSE COMPACT IN ARKANSAS.  
15  
16

17 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:  
18

19 SECTION 1. Arkansas Code Title 17, Chapter 87, is amended to add an  
20 additional subchapter to read as follows:

21 Subchapter 9 – Advanced Practice Registered Nurse Compact  
22

23 17-87-901. Text of compact.

24 The Advanced Practice Registered Nurse Compact is enacted into law and  
25 entered into by this state with all states legally joining therein and in the  
26 form substantially as follows:  
27

28 ADVANCED PRACTICE REGISTERED NURSE COMPACT  
29

30 ARTICLE I  
31

32 Findings and Declaration of Purpose  
33

34 a. The party states find that:

35 1. The health and safety of the public are affected by the  
36 degree of compliance with APRN licensure requirements and the effectiveness

1 of enforcement activities related to state APRN licensure laws;

2 2. Violations of APRN licensure and other laws regulating the  
 3 practice of nursing may result in injury or harm to the public;

4 3. The expanded mobility of APRNs and the use of advanced  
 5 communication and intervention technologies as part of our nation's health  
 6 care delivery system require greater coordination and cooperation among  
 7 states in the areas of APRN licensure and regulation;

8 4. New practice modalities and technology make compliance with  
 9 individual state APRN licensure laws difficult and complex;

10 5. The current system of duplicative APRN licensure for APRNs  
 11 practicing in multiple states is cumbersome and redundant for healthcare  
 12 delivery systems, payors, state licensing boards, regulators and APRNs;

13 6. Uniformity of APRN licensure requirements throughout the  
 14 states promotes public safety and public health benefits as well as providing  
 15 a mechanism to increase access to care.

16 b. The general purposes of this Compact are to:

17 1. Facilitate the states' responsibility to protect the public's  
 18 health and safety;

19 2. Ensure and encourage the cooperation of party states in the  
 20 areas of APRN licensure and regulation, including promotion of uniform  
 21 licensure requirements;

22 3. Facilitate the exchange of information between party states  
 23 in the areas of APRN regulation, investigation and adverse actions;

24 4. Promote compliance with the laws governing APRN practice in  
 25 each jurisdiction;

26 5. Invest all party states with the authority to hold an APRN  
 27 accountable for meeting all state practice laws in the state in which the  
 28 patient is located at the time care is rendered through the mutual  
 29 recognition of party state privileges to practice;

30 6. Decrease redundancies in the consideration and issuance of  
 31 APRN licenses; and

32 7. Provide opportunities for interstate practice by APRNs who  
 33 meet uniform licensure requirements.

34  
 35 ARTICLE II  
 36

g. “Current significant investigatory information” means:

1. Investigative information that a licensing board, after a preliminary inquiry that includes notification and an opportunity for the APRN to respond, if required by state law, has reason to believe is not groundless and, if proved true, would indicate more than a minor infraction;  
or

2. Investigative information that indicates that the APRN represents an immediate threat to public health and safety regardless of

1 whether the APRN has been notified and had an opportunity to respond.

2 h. "Encumbrance" means a revocation or suspension of, or any  
3 limitation on, the full and unrestricted practice of nursing imposed by a  
4 licensing board in connection with a disciplinary proceeding.

12 same role and population focus as the APRN is licensed in the home state.

13 l. "Multistate licensure privilege" means a legal authorization  
14 associated with an APRN multistate license that permits an APRN to practice  
15 as an APRN in a remote state, in the same role and population focus as the  
16 APRN is licensed in the home state.

17 m. "Non-controlled prescription drug" means a device or drug that is  
18 not a controlled substance and is prohibited under state or federal law from  
19 being dispensed without a prescription. The term includes a device or drug

22 complies with federal law.

23 n. "Party state" means any state that has adopted this Compact.

24 o. "Population focus" means one of the six population foci of  
25 family/individual across the lifespan, adult-gerontology, pediatrics,  
26 neonatal, women's health/gender-related and psych/mental health.

27 p. "Prescriptive authority" means the legal authority to prescribe  
28 medications and devices as defined by party state laws.

29 q. "Remote state" means a party state that is not the home state.

30 r. "Role" means one of the four recognized roles of certified  
31 registered nurse anesthetists (CRNA), certified nurse-midwives (CNM),  
32 clinical nurse specialists (CNS) and certified nurse practitioners (CNP).

33 s. "Single-state license" means an APRN license issued by a party  
34 state that authorizes practice only within the issuing state and does not  
35 include a multistate licensure privilege to practice in any other party  
36 state.

 5 practice and create the methods and grounds for imposing discipline except  
 6 that prescriptive authority shall be treated in accordance with Article III.f  
 7 and g of this Compact. "State practice laws" does not include:

8               1. A party state's laws, rules, and regulations requiring  
 9 supervision or collaboration with a healthcare professional, except for laws,  
 10 rules, and regulations regarding prescribing controlled substances;

11              2. the requirements necessary to obtain and retain an APRN  
 12 license, except for qualifications or requirements of the home state.

13  
 14                                      ARTICLE III

15  
 16                                      General Provisions and Jurisdiction

17  
 18       a. A state must implement procedures for considering the criminal  
 19 history records of applicants for initial APRN licensure or APRN licensure by  
 20 endorsement. Such procedures shall include the submission of fingerprints or  
 21 other biometric-based information by APRN applicants for the purpose of  
 22 obtaining an applicant's criminal history record information from the Federal  
 23 Bureau of Investigation and the agency responsible for retaining that state's  
 24 criminal records.

25       b. Each party state shall require an applicant to satisfy the  
 26 following APRN uniform licensure requirements to obtain or retain a  
 27 multistate license in the home state:

28               1. Meets the home state's qualifications for licensure or  
 29 renewal of licensure, as well as, all other applicable state laws;

30               2. i. Has completed an accredited graduate-level education  
 31 program that prepares the applicant for one of the four recognized roles and  
 32 population foci; or

33                ii. Has completed a foreign APRN education program for one  
 34 of the four recognized roles and population foci that (a) has been approved  
 35 by the authorized accrediting body in the applicable country and (b) has been  
 36 verified by an independent credentials review agency to be comparable to a

1 licensing board-approved APRN education program;

2 3. Has, if a graduate of a foreign APRN education program not  
3 taught in English or if English is not the individual's native language,  
4 successfully passed an English proficiency examination that includes the  
5 components of reading, speaking, writing and listening;

6 4. Has successfully passed a national certification examination  
7 that measures APRN, role and population-focused competencies and maintains  
8 continued competence as evidenced by recertification in the role and  
9 population focus through the national certification program;

10 5. Holds an active, unencumbered license as a registered nurse  
11 and an active, unencumbered authorization to practice as an APRN;

12 6. Has successfully passed an NCLEX-RN® examination or  
13 recognized predecessor, as applicable;

14 7. Has practiced for at least 2,080 hours as an APRN in a role  
15 and population focus congruent with the applicant's education and training.  
16 For purposes of this section, practice shall not include hours obtained as  
17 part of enrollment in an APRN education program;

18 8. Has submitted, in connection with an application for initial  
19 licensure or licensure by endorsement, fingerprints or other biometric data  
20 for the purpose of obtaining criminal history record information from the  
21 Federal Bureau of Investigation and the agency responsible for retaining that  
22 state or, if applicable, foreign country's criminal records;

23 9. Has not been convicted or found guilty, or has entered into  
24 an agreed disposition, of a felony offense under applicable state, federal or  
25 foreign criminal law.

26 10. Has not been convicted or found guilty, or has entered into  
27 an agreed disposition, of a misdemeanor offense related to the practice of  
28 nursing as determined by factors set forth in rules adopted by the  
29 Commission;

30 11. Is not currently enrolled in an alternative program;

31 12. Is subject to self-disclosure requirements regarding current  
32 participation in an alternative program; and

33 13. Has a valid United States Social Security number.

34 c. An APRN issued a multistate license shall be licensed in an  
35 approved role and at least one approved population focus.

36 d. An APRN multistate license issued by a home state to a resident in

1 that state will be recognized by each party state as authorizing the APRN to  
2 practice as an APRN in each party state, under a multistate licensure  
3 privilege, in the same role and population focus as the APRN is licensed in  
4 the home state.

5 e. Nothing in this Compact shall affect the requirements established  
6 by a party state for the issuance of a single-state license, except that an  
7 individual may apply for a single-state license, instead of a multistate  
8 license, even if otherwise qualified for the multistate license. However, the  
9 failure of such an individual to affirmatively opt for a single state license  
10 may result in the issuance of a multistate license.

11 f. Issuance of an APRN multistate license shall include prescriptive  
12 authority for noncontrolled prescription drugs.

13 g. For each state in which an APRN seeks authority to prescribe  
14 controlled substances, the APRN shall satisfy all requirements imposed by  
15 such state in granting and/or renewing such authority.

16 h. An APRN issued a multistate license is authorized to assume  
17 responsibility and accountability for patient care independent of any  
18 supervisory or collaborative relationship. This authority may be exercised in  
19 the home state and in any remote state in which the APRN exercises a  
20 multistate licensure privilege.

21 i. All party states shall be authorized, in accordance with state due  
22 process laws, to take adverse action against an APRN's multistate licensure  
23 privilege such as revocation, suspension, probation or any  
24 other action that affects an APRN's authorization to practice under a  
25 multistate licensure privilege, including cease and desist actions. If a  
26 party state takes such action, it shall promptly notify the administrator of  
27 the coordinated licensure information system. The administrator of the  
28 coordinated licensure information system shall promptly notify the home state  
29 of any such actions by remote states.

30 j. Except as otherwise expressly provided in this Compact, an APRN  
31 practicing in a party state must comply with the state practice laws of the  
32 state in which the client is located at the time service is provided. APRN  
33 practice is not limited to patient care, but shall include all advanced  
34 nursing practice as defined by the state practice laws of the party state in  
35 which the client is located. APRN practice in a party state under a  
36 multistate licensure privilege will subject the APRN to the jurisdiction of

1 the licensing board, the courts, and the laws of the party state in which the  
2 client is located at the time service is provided.

3 k. Except as otherwise expressly provided in this Compact, this  
4 Compact does not affect additional requirements imposed by states for  
5 advanced practice registered nursing. However, a multistate licensure  
6 privilege to practice registered nursing granted by a party state shall be  
7 recognized by other party states as satisfying any state law requirement for  
8 registered nurse licensure as a precondition for authorization to practice as  
9 an APRN in that state.

10 l. Individuals not residing in a party state shall continue to be able  
11 to apply for a party state's single- state APRN license as provided under the  
12 laws of each party state. However, the single-state license granted to these  
13 individuals will not be recognized as granting the privilege to practice as  
14 an APRN in any other party state.

#### 16 ARTICLE IV

##### 18 Applications for APRN Licensure in a Party State

19  
20 a. Upon application for an APRN multistate license, the licensing  
21 board in the issuing party state shall ascertain, through the coordinated  
22 licensure information system, whether the applicant has ever held or is the  
23 holder of a licensed practical/vocational nursing license, a registered  
24 nursing license or an advanced practice registered nurse license issued by  
25 any other state, whether there are any encumbrances on any license or  
26 multistate licensure privilege held by the applicant, whether any adverse  
27 action has been taken against any license or multistate licensure privilege  
28 held by the applicant and whether the applicant is currently participating in  
29 an alternative program.

30 b. An APRN may hold a multistate APRN license, issued by the home  
31 state, in only one party state at a time.

32 c. If an APRN changes primary state of residence by moving between two  
33 party states, the APRN must apply for APRN licensure in the new home state,  
34 and the multistate license issued by the prior home state shall be  
35 deactivated in accordance with applicable Commission rules.

36 1. The APRN may apply for licensure in advance of a change in

1 primary state of residence.

2  
 3 2. A multistate APRN license shall not be issued by the new home  
 4 state until the APRN provides satisfactory evidence of a change in primary  
 5 state of residence to the new home state and satisfies all applicable  
 6 requirements to obtain a multistate APRN license from the new home state.

7 d. If an APRN changes primary state of residence by moving from a  
 8 party state to a non-party state, the APRN multistate license issued by the  
 9 prior home state will convert to a single-state license, valid only in the  
 10 former home state.

11  
 12 ARTICLE V

13  
 14 Additional Authorities Invested in Party State Licensing Boards

15  
 16 a. In addition to the other powers conferred by state law, a licensing  
 17 board shall have the authority to:

18 1. Take adverse action against an APRN's multistate licensure  
 19 privilege to practice within that party state.

20 i. Only the home state shall have power to take adverse  
 21 action against an APRN's license issued by the home state.

22 ii. For purposes of taking adverse action, the home state  
 23 licensing board shall give the same priority and effect to reported conduct  
 24 that occurred outside of the home state as it would if such conduct had  
 25 occurred within the home state. In so doing, the home state shall apply its  
 26 own state laws to determine appropriate action.

27 2. Issue cease and desist orders or impose an encumbrance on an  
 28 APRN's authority to practice within that party state.

29 3. Complete any pending investigations of an APRN who changes  
 30 primary state of residence during the course of such investigations. The  
 31 licensing board shall also have the authority to take appropriate action(s)  
 32 and shall promptly report the conclusions of such investigations to the  
 33 administrator of the coordinated licensure information system. The  
 34 administrator of the coordinated licensure information system shall promptly  
 35 notify the new home state of any such actions.

36 4. Issue subpoenas for both hearings and investigations that

1 require the attendance and testimony of witnesses, as well as, the production  
2 of evidence. Subpoenas issued by a party state licensing board for the  
3 attendance and testimony of witnesses and/or the production of evidence from  
4 another party state shall be enforced in the latter state by any court of  
5 competent jurisdiction, according to that court's practice and procedure in  
6 considering subpoenas issued in its own proceedings. The issuing licensing  
7 board shall pay any witness fees, travel expenses, mileage and other fees  
8 required by the service statutes of the state in which the witnesses and/or  
9 evidence are located.

10 5. Obtain and submit, for an APRN licensure applicant,  
11 fingerprints or other biometric-based information to the Federal Bureau of  
12 Investigation for criminal background checks, receive the results of the  
13 Federal Bureau of Investigation record search on criminal background checks  
14 and use the results in making licensure decisions.

15 6. If otherwise permitted by state law, recover from the  
16 affected APRN the costs of investigations and disposition of cases resulting  
17 from any adverse action taken against that APRN.

18 7. Take adverse action based on the factual findings of another  
19 party state, provided that the licensing board follows its own procedures for  
20 taking such adverse action.

21 b. If adverse action is taken by a home state against an APRN's  
22 multistate licensure, the privilege to practice in all other party states  
23 under a multistate licensure privilege shall be deactivated until all  
24 encumbrances have been removed from the APRN's multistate license. All home  
25 state disciplinary orders that impose adverse action against an APRN's  
26 multistate license shall include a statement that the APRN's multistate  
27 licensure privilege is deactivated in all party states during the pendency of  
28 the order.

29 c. Nothing in this Compact shall override a party state's decision  
30 that participation in an alternative program may be used in lieu of adverse  
31 action. The home state licensing board shall deactivate the multistate  
32 licensure privilege under the multistate license of any APRN for the duration  
33 of the APRN's participation in an alternative program.

34  
35 ARTICLE VI  
36

1 Coordinated Licensure Information System and Exchange of Information

2  
3 a. All party states shall participate in a coordinated licensure  
4 information system of all APRNs, licensed registered nurses and licensed  
5 practical/vocational nurses. This system will include information on the  
6 licensure and disciplinary history of each APRN, as submitted by party  
7 states, to assist in the coordinated administration of APRN licensure and  
8 enforcement efforts.

9 b. The Commission, in consultation with the administrator of the  
10 coordinated licensure information system, shall formulate necessary and  
11 proper procedures for the identification, collection and exchange of  
12 information under this Compact.

13 c. All licensing boards shall promptly report to the coordinated  
14 licensure information system any adverse action, any current significant  
15 investigative information, denials of applications (with the reasons for such  
16 denials) and APRN participation in alternative programs known to the  
17 licensing board regardless of whether such participation is deemed nonpublic  
18 and/or confidential under state law.

19 d. Notwithstanding any other provision of law, all party state  
20 licensing boards contributing information to the coordinated licensure  
21 information system may designate information that may not be shared with non-  
22 party states or disclosed to other entities or individuals without the  
23 express permission of the contributing state.

24 e. Any personally identifiable information obtained from the  
25 coordinated licensure information system by a party state licensing board  
26 shall not be shared with non-party states or disclosed to other entities or  
27 individuals except to the extent permitted by the laws of the party state  
28 contributing the information.

29 f. Any information contributed to the coordinated licensure  
30 information system that is subsequently required to be expunged by the laws  
31 of the party state contributing the information shall be removed from the  
32 coordinated licensure information system.

33 g. The Compact administrator of each party state shall furnish a  
34 uniform data set to the Compact administrator of each other party state,  
35 which shall include, at a minimum:

36 1. Identifying information;

- 1           2. Licensure data;
- 2           3. Information related to alternative program participation
- 3 information; and
- 4           4. Other information that may facilitate the administration of
- 5 this Compact, as determined by Commission rules.

6           h. The Compact administrator of a party state shall provide all  
 7 investigative documents and information requested by another party state.

8

9                           ARTICLE VII

10

11           Establishment of the Interstate Commission of APRN Compact Administrators

12

13           a. The party states hereby create and establish a joint public agency  
 14 known as the Interstate Commission of APRN Compact Administrators.

15                   1. The Commission is an instrumentality of the party states.

16                   2. Venue is proper, and judicial proceedings by or against the  
 17 Commission shall be brought solely and exclusively, in a court of competent  
 18 jurisdiction where the principal office of the Commission is located. The  
 19 Commission may waive venue and jurisdictional defenses to the extent it  
 20 adopts or consents to participate in alternative dispute resolution  
 21 proceedings.

22                   3. Nothing in this Compact shall be construed to be a waiver of  
 23 sovereign immunity.

24           b. Membership, Voting and Meetings

25                   1. Each party state shall have and be limited to one  
 26 administrator. The head of the state licensing board or designee shall be the  
 27 administrator of this Compact for each party state. Any administrator may be  
 28 removed or suspended from office as provided by the law of the state from  
 29 which the Administrator is appointed. Any vacancy occurring in the Commission  
 30 shall be filled in accordance with the laws of the party state in which the  
 31 vacancy exists.

32                   2. Each administrator shall be entitled to one (1) vote with  
 33 regard to the promulgation of rules and creation of bylaws and shall  
 34 otherwise have an opportunity to participate in the business and affairs of  
 35 the Commission. An administrator shall vote in person or by such other means  
 36 as provided in the bylaws. The bylaws may provide for an administrator's

1 participation in meetings by telephone or other means of communication.

2 3. The Commission shall meet at least once during each calendar  
3 year. Additional meetings shall be held as set forth in the bylaws or rules  
4 of the commission.

5 4. All meetings shall be open to the public, and public notice  
6 of meetings shall be given in the same manner as required under the  
7 rulemaking provisions in Article VIII.

8 5. The Commission may convene in a closed, nonpublic meeting if  
9 the Commission must discuss:

10 i. Noncompliance of a party state with its obligations  
11 under this Compact;

12 ii. The employment, compensation, discipline or other  
13 personnel matters, practices or procedures related to specific employees or  
14 other matters related to the Commission's internal personnel practices and  
15 procedures;

16 iii. Current, threatened, or reasonably anticipated  
17 litigation;

18 iv. Negotiation of contracts for the purchase or sale of  
19 goods, services or real estate;

20 v. Accusing any person of a crime or formally censuring  
21 any person;

22 vi. Disclosure of trade secrets or commercial or financial  
23 information that is privileged or confidential;

24 vii. Disclosure of information of a personal nature where  
25 disclosure would constitute a clearly unwarranted invasion of personal  
26 privacy;

27 viii. Disclosure of investigatory records compiled for law  
28 enforcement purposes;

29 ix. Disclosure of information related to any reports  
30 prepared by or on behalf of the Commission for the purpose of investigation  
31 of compliance with this Compact; or

32 x. Matters specifically exempted from disclosure by  
33 federal or state statute.

34 6. If a meeting, or portion of a meeting, is closed pursuant to  
35 this provision, the Commission's legal counsel or designee shall certify that  
36 the meeting may be closed and shall reference each relevant exempting

1 provision. The Commission shall keep minutes that fully and clearly describe  
2 all matters discussed in a meeting and shall provide a full and accurate  
3 summary of actions taken, and the reasons therefor, including a description  
4 of the views expressed. All documents considered in connection with an action  
5 shall be identified in such minutes. All minutes and documents of a closed  
6 meeting shall remain under seal, subject to release by a majority vote of the  
7 Commission or order of a court of competent jurisdiction.

8 c. The Commission shall, by a majority vote of the administrators,  
9 prescribe bylaws or rules to govern its conduct as may be necessary or  
10 appropriate to carry out the purposes and exercise the powers of this  
11 Compact, including but not limited to:

12 1. Establishing the fiscal year of the Commission;

13 2. Providing reasonable standards and procedures:

14 i. For the establishment and meetings of other committees;

15 and

16 ii. Governing any general or specific delegation of any  
17 authority or function of the Commission.

18 3. Providing reasonable procedures for calling and conducting  
19 meetings of the Commission, ensuring reasonable advance notice of all  
20 meetings and providing an opportunity for attendance of such meetings by  
21 interested parties, with enumerated exceptions designed to protect the  
22 public's interest, the privacy of individuals, and proprietary information,  
23 including trade secrets. The Commission may meet in closed session only after

35 6. Providing a mechanism for winding up the operations of the

31 shall strive to avoid any appearance of impropriety and/or conflict of  
32 interest;

33 8. To lease, purchase, accept appropriate gifts or donations of,  
34 or otherwise to own, hold, improve or use, any property, whether real,

15 regulation of APRN licensure and practice.

16          h. Financing of the Commission

17           1. The Commission shall pay, or provide for the payment of, the  
18 reasonable expenses of its establishment, organization and ongoing  
19 activities.

20           2. The Commission may also levy on and collect an annual  
21 assessment from each party state to cover the cost of its operations,  
22 activities and staff in its annual budget as approved each year. The  
23 aggregate annual assessment amount, if any, shall be allocated based upon a  
24 formula to be determined by the Commission, which shall promulgate a rule  
25 that is binding upon all party states.

26           3. The Commission shall not incur obligations of any kind prior  
27 to securing the funds adequate to meet the same; nor shall the Commission  
28 pledge the credit of any of the party states, except by, and with the  
29 authority of, such party state.

30           4. The Commission shall keep accurate accounts of all receipts  
31 and disbursements. The receipts and disbursements of the Commission shall be  
32 subject to the audit and accounting procedures established under its bylaws.

35 report of the audit shall be included in and become part of the annual report  
36 of the Commission.

1           i. Qualified Immunity, Defense, and Indemnification

2                   1. The administrators, officers, executive director, employees  
3 and representatives of the Commission shall be immune from suit and  
4 liability, either personally or in their official capacity, for any claim for  
5 damage to or loss of property or personal injury or other civil liability  
6 caused by or arising out of any actual or alleged act, error or omission that  
7 occurred, or that the person against whom the claim is made had a reasonable  
8 basis for believing occurred, within the scope of Commission employment,  
9 duties or responsibilities; provided that nothing in this paragraph shall be  
10 construed to protect any such person from suit and/or liability for any  
11 damage, loss, injury or liability caused by the intentional, willful or  
12 wanton misconduct of that person.

13                   2. The Commission shall defend any administrator, officer,  
14 executive director, employee or representative of the Commission in any civil  
15 action seeking to impose liability arising out of any actual or alleged act,  
16 error or omission that occurred within the scope of Commission employment,  
17 duties or responsibilities, or that the person against whom the claim is made  
18 had a reasonable basis for believing occurred within the scope of Commission  
19 employment, duties or responsibilities; provided that nothing herein shall be  
20 construed to prohibit that person from retaining his or her own counsel; and  
21 provided further that the actual or alleged act, error or omission did not  
22 result from that person's intentional, willful or wanton misconduct.

23                   3. The Commission shall indemnify and hold harmless any  
24 administrator, officer, executive director, employee or representative of the  
25 Commission for the amount of any settlement or judgment obtained against that  
26 person arising out of any actual or alleged act, error or omission that  
27 occurred within the scope of Commission employment, duties or  
28 responsibilities, or that such person had a reasonable basis for believing  
29 occurred within the scope of Commission employment, duties or  
30 responsibilities, provided that the actual or alleged act, error or omission  
31 did not result from the intentional, willful or wanton misconduct of that  
32 person.

33  
34                                   ARTICLE VIII

35  
36                                   Rulemaking

1  
2 a. The Commission shall exercise its rulemaking powers pursuant to the  
3 criteria set forth in this Article and the rules adopted thereunder. Rules  
4 and amendments shall become binding as of the date specified in each rule or  
5 amendment and shall have the same force and effect as provisions of this  
6 Compact.

7 b. Rules or amendments to the rules shall be adopted at a regular or  
8 special meeting of the Commission.

9 c. Prior to promulgation and adoption of a final rule or rules by the  
10 Commission, and at least sixty (60) days in advance of the meeting at which  
11 the rule will be considered and voted upon, the Commission shall file a  
12 notice of proposed rulemaking:

13 1. On the website of the Commission; and

14 2. On the website of each licensing board or the publication in  
15 which each state would otherwise publish proposed rules.

16 d. The notice of proposed rulemaking shall include:

17 1. The proposed time, date and location of the meeting in which  
18 the rule will be considered and voted upon;

19 2. The text of the proposed rule or amendment, and the reason  
20 for the proposed rule;

21 3. A request for comments on the proposed rule from any  
22 interested person; and

23 4. The manner in which interested persons may submit notice to  
24 the Commission of their intention to attend the public hearing and any  
25 written comments.

26 e. Prior to adoption of a proposed rule, the Commission shall allow  
27 persons to submit written data, facts, opinions and arguments, which shall be  
28 made available to the public.

29 f. The Commission shall grant an opportunity for a public hearing  
30 before it adopts a rule or amendment.

31 g. The Commission shall publish the place, time, and date of the  
32 scheduled public hearing.

33 1. Hearings shall be conducted in a manner providing each person  
34 who wishes to comment a fair and reasonable opportunity to comment orally or  
35 in writing. All hearings will be recorded, and a copy will be made available  
36 upon request.

1           2. Nothing in this section shall be construed as requiring a  
2 separate hearing on each rule. Rules may be grouped for the convenience of  
3 the Commission at hearings required by this section.

4           h. If no one appears at the public hearing, the Commission may proceed  
5 with promulgation of the proposed rule.

6           i. Following the scheduled hearing date, or by the close of business  
7 on the scheduled hearing date if the hearing was not held, the Commission  
8 shall consider all written and oral comments received.

9           j. The Commission shall, by majority vote of all administrators, take  
10 final action on the proposed rule and shall determine the effective date of  
11 the rule, if any, based on the rulemaking record and the full text of the  
12 rule.

13           k. Upon determination that an emergency exists, the Commission may  
14 consider and adopt an emergency rule without prior notice, opportunity for  
15 comment, or hearing, provided that the usual rulemaking procedures provided  
16 in this Compact and in this section shall be retroactively applied to the  
17 rule as soon as reasonably possible, in no event later than ninety (90) days  
18 after the effective date of the rule. For the purposes of this provision, an  
19 emergency rule is one that must be adopted immediately in order to:

20           1. Meet an imminent threat to public health, safety or welfare;

21           2. Prevent a loss of Commission or party state funds; or

22           3. Meet a deadline for the promulgation of an administrative  
23 rule that is established by federal law or rule.

24           1. The Commission may direct revisions to a previously adopted rule or  
25 amendment for purposes of correcting typographical errors, errors in format,  
26 errors in consistency or grammatical errors. Public notice of any revisions  
27 shall be posted on the website of the Commission. The revision shall be  
28 subject to challenge by any person for a period of thirty (30) days after  
29 posting. The revision may be challenged only on grounds that the revision  
30 results in a material change to a rule. A challenge shall be made in writing,  
31 and delivered to the Commission, prior to the end of the notice period. If no  
32 challenge is made, the revision will take effect without further action. If  
33 the revision is challenged, the revision may not take effect without the  
34 approval of the Commission.

35  
36                           ARTICLE IX

1  
2 Oversight, Dispute Resolution and Enforcement

3  
4 a. Oversight

5 1. Each party state shall enforce this Compact and take all  
6 actions necessary and appropriate to effectuate this Compact's purposes and  
7 intent.

8 2. The Commission shall be entitled to receive service of  
9 process in any proceeding that may affect the powers, responsibilities or  
10 actions of the Commission, and shall have standing to intervene in such a  
11 proceeding for all purposes. Failure to provide service of process to the  
12 Commission shall render a judgment or order void as to the Commission, this  
13 Compact or promulgated rules.

14 b. Default, Technical Assistance and Termination

15 1. If the Commission determines that a party state has defaulted  
16 in the performance of its obligations or responsibilities under this Compact  
17 or the promulgated rules, the Commission shall:

18 i. Provide written notice to the defaulting state and  
19 other party states of the nature of the default, the proposed means of curing  
20 the default and/or any other action to be taken by the Commission; and

21 ii. Provide remedial training and specific technical  
22 assistance regarding the default.

23 2. If a state in default fails to cure the default, the  
24 defaulting state's membership in this Compact may be terminated upon an  
25 affirmative vote of a majority of the administrators, and all rights,  
26 privileges and benefits conferred by this Compact may be terminated on the  
27 effective date of termination. A cure of the default does not relieve the  
28 offending state of obligations or liabilities incurred during the period of  
29 default.

30 3. Termination of membership in this Compact shall be imposed  
31 only after all other means of securing compliance have been exhausted. Notice  
32 of intent to suspend or terminate shall be given by the Commission to the  
33 governor of the defaulting state and to the executive officer of the  
34 defaulting state's licensing board, the defaulting state's licensing board,  
35 and each of the party states.

36 4. A state whose membership in this Compact has been terminated

1 is responsible for all assessments, obligations and liabilities incurred  
2 through the effective date of termination, including obligations that extend  
3 beyond the effective date of termination.

4 5. The Commission shall not bear any costs related to a state  
5 that is found to be in default or whose membership in this Compact has been  
6 terminated, unless agreed upon in writing between the Commission and the  
7 defaulting state.

8 6. The defaulting state may appeal the action of the Commission  
9 by petitioning the U.S. District Court for the District of Columbia or the  
10 federal district in which the Commission has its principal offices. The  
11 prevailing party shall be awarded all costs of such litigation, including  
12 reasonable attorneys' fees.

13 c. Dispute Resolution

14 1. Upon request by a party state, the Commission shall attempt  
15 to resolve disputes related to the Compact that arise among party states and  
16 between party and non-party states.

17 2. The Commission shall promulgate a rule providing for both  
18 mediation and binding dispute resolution for disputes, as appropriate.

19 3. In the event the Commission cannot resolve disputes among  
20 party states arising under this Compact:

21 i. The party states may submit the issues in dispute to an  
22 arbitration panel, which will be comprised of individuals appointed by the  
23 Compact administrator in each of the affected party states and an individual  
24 mutually agreed upon by the Compact administrators of all the party states  
25 involved in the dispute.

26 ii. The decision of a majority of the arbitrators shall be  
27 final and binding.

28 d. Enforcement

29 1. The Commission, in the reasonable exercise of its discretion,  
30 shall enforce the provisions and rules of this Compact.

31 2. By majority vote, the Commission may initiate legal action in  
32 the United States District Court for the District of Columbia or the federal  
33 district in which the Commission has its principal offices against a party  
34 state that is in default to enforce compliance with the provisions of this  
35 Compact and its promulgated rules and bylaws. The relief sought may include  
36 both injunctive relief and damages. In the event judicial enforcement is

1 necessary, the prevailing party shall be awarded all costs of such  
2 litigation, including reasonable attorneys' fees.

3 3. The remedies herein shall not be the exclusive remedies of  
4 the Commission. The Commission may pursue any other remedies available under  
5 federal or state law.

6  
7 ARTICLE X

8  
9 Effective Date, Withdrawal and Amendment

10  
11 a. This Compact shall come into limited effect at such time as this  
12 Compact has been enacted into law in seven (7) party states for the sole  
13 purpose of establishing and convening the Commission to adopt rules relating  
14 to its operation.

15 b. Any state that joins this Compact subsequent to the Commission's  
16 initial adoption of the APRN uniform licensure requirements shall be subject  
17 to all rules that have been previously adopted by the Commission.

18 c. Any party state may withdraw from this Compact by enacting a  
19 statute repealing the same. A party state's withdrawal shall not take effect  
20 until six (6) months after enactment of the repealing statute.

21 d. A party state's withdrawal or termination shall not affect the  
22 continuing requirement of the withdrawing or terminated state's licensing  
23 board to report adverse actions and significant investigations occurring  
24 prior to the effective date of such withdrawal or termination.

25 e. Nothing contained in this Compact shall be construed to invalidate  
26 or prevent any APRN licensure agreement or other cooperative arrangement  
27 between a party state and a non-party state that does not conflict with the  
28 provisions of this Compact.

29 f. This Compact may be amended by the party states. No amendment to  
30 this Compact shall become effective and binding upon any party state until it  
31 is enacted into the laws of all party states.

32 g. Representatives of non-party states to this Compact shall be  
33 invited to participate in the activities of the Commission, on a nonvoting  
34 basis, prior to the adoption of this Compact by all states.

Construction and Severability

This Compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this Compact shall be severable, and if any phrase, clause, sentence or provision of this Compact is declared to be contrary to the constitution of any party state or of the United States, or if the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this Compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this Compact shall be held to be contrary to the constitution of any party state, this Compact shall remain in full force and effect as to the remaining party states and in full force and effect as to the party state affected as to all severable matters.
