20  
21

22 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:  
23

24 SECTION 1. Arkansas Code § 24-10-608(b)(1), concerning the death of an  
25 active member of the Arkansas Local Police and Fire Retirement System before  
26 retirement as a result of personal injury or disease that arose in the  
27 performance of his or her duty as an employee, is amended to read as follows:

28 (b)(1)(A) If an active member dies in employer-paid service before  
29 retirement as a result of a personal injury or disease which the Board of  
30 Trustees of the Arkansas Local Police and Fire Retirement System finds to  
31 have arisen out of and in the course of his or her actual performance of duty  
32 as an employee, the applicable benefits provided in this subsection and  
33 subsections (c)-(e) of this section shall be paid, subject to § 24-10-610.

34 (B) As used in this subdivision (b)(1):

35 (i) "Disease" includes without limitation a cancer  
36 that an active member was diagnosed with while he or she was in the line of

1 duty; and

2 (ii) "Cancer" means:

3 (a) Leukemia, lymphoma, mesothelioma, or  
4 multiple myeloma;

5 (b) Cancer of the brain, urinary tract, liver,  
6 skin, breast, cervix, thyroid, prostate, testicle, colon, or digestive tract;  
7 or

8 (c) A cancer that has been found by research  
9 and statistics to show higher instances of occurrence in firefighters than in  
10 the general population, as determined by the Department of Health and with  
11 consideration to the findings of the International Agency for Research on  
12 Cancer, if the firefighter was:

13 (1) Exposed to a known carcinogen while  
14 in the course of his or her actual performance of duty as an employee; and

15 (2) Diagnosed with the cancer under this  
16 subdivision (b)(1)(B)(i)(c) while in the line of duty.

17 (C) A finding that an active member was diagnosed with  
18 cancer while he or she was in the line of duty may be rebutted by a  
19 preponderance of the evidence.

20  
21 SECTION 2. DO NOT CODIFY. SPECIAL LANGUAGE.

22 A spouse annuity with an effective date after November 1, 2019, and  
23 before March 1, 2020, payable under § 24-10-608(b)(1)(A) due to cancer as  
24 defined under § 24-10-608(b)(1)(B)(ii), shall have the annuity adjusted to  
25 the greater of twenty-five (25) years of credited service or an amount equal  
26 to the annuity for each year of credited service resulting from employment as  
27 provided under § 24-10-602.

28  
29 SECTION 3. DO NOT CODIFY. Legislative intent.

30 (a) It is the intent of the General Assembly for this act to have a  
31 retroactive effect as to the active members covered by Section 2 of this act.

32 (b) It is not the intent of the General Assembly for this act to  
33 require the Arkansas Local Police and Fire Retirement System to pay any  
34 retroactive benefits.

35  
36 SECTION 4. EMERGENCY CLAUSE. It is found and determined by the

1 General Assembly of the State of Arkansas that the provisions of the Arkansas  
2 Local Police and Fire Retirement System related to line-of-duty death due to  
3 occupational cancer are in need of urgent revision to provide fair and just  
4 treatment to members and the beneficiaries of members who have died in the  
5 line of duty as a result of cancer that occurred as a result of those  
6 members' occupation; and that an effective date of July 1, 2025, is necessary  
7 in order to allow time to allow for a structured and proper administration  
8 and to send educational notices to covered employers of the procedures  
9 referenced in this act. Therefore, an emergency is declared to exist, and  
10 this act being necessary for the preservation of the public peace, health,  
11 and safety shall become effective on July 1, 2025.
