24 additional subchapters to read as follows:

25 Subchapter 16 – Rejecting Discrimination and Indoctrination in Postsecondary
26 Education

27
28 6-60-1601. Legislative findings.

29 The General Assembly recognizes that:

30 (1) The First Amendment of the United States Constitution
31 robustly protects the right to speak without government interference, but not
32 to compel others to adopt, affirm, or adhere to specific beliefs;

33 (2) The Fourteenth Amendment of the United States Constitution
34 provides that no state shall deny to any person within its jurisdiction the
35 equal protection of the law;

36 (3) Title IV of the Civil Rights Act of 1964 promotes the

1 desegregation of public schools and authorizes the United States Attorney
2 General to file lawsuits to enforce the provisions of the Civil Rights Act of
3 1964. It defines "desegregation" as "the assignment of students to public
4 schools and within such schools without regard to their race, color,
5 religion, or national origin," thereby removing government-sanctioned racial
6 discrimination in schools and implementing the United States Supreme Court's
7 holding in "Brown v. Board of Education", 347 U.S. 483 (1954), that racial
8 separation is a violation of the Equal Protection Clause of the Fourteenth
9 Amendment; and

10 (4) Title VI of the Civil Rights Act of 1964 states that "No
11 person in the United States shall, on the ground of race, color, or national
12 origin, be excluded from participation in, be denied the benefits of, or be
13 subjected to discrimination under any program or activity receiving Federal
14 financial assistance".

15
16 6-60-1602. Purpose.

17 (a) It is the intent of the General Assembly that administrators,
18 faculty, and other employees of a state-supported institution of higher
19 education maintain nondiscriminatory policies in accordance with Title IV,
20 Title VI, and Title VII of the Civil Rights Act of 1964.

21 (b) This subchapter is enacted to:

22 (1) Prevent discrimination;

23 (2) Promote the intellectual development of students and faculty
24 in Arkansas; and

25 (3) Protect the free exchange of ideas according to the United
26 States Constitution and the Arkansas Constitution.
