17
18 TO CREATE THE GAME FOWL FARM
19 REGISTRATION AND PRESERVATION ACT; TO
20 AMEND THE DEFINITION OF ANIMAL FIGHTING;
21 TO CREATE THE OFFENSE OF UNLAWFUL
22 ROOSTER FIGHTING; AND TO DECLARE AN

24

25 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:
26

27 SECTION 1. DO NOT CODIFY. Title.

28 This act shall be known and may be cited as the "Game Fowl Farm
29 Registration and Preservation Act".
30

31 SECTION 2. DO NOT CODIFY. Legislative findings and intent.

32 (a) The General Assembly finds that:

33 (1) Unlawful rooster fighting continues to be a serious issue in
34 Arkansas, damaging the reputation of legitimate game fowl breeders and
35 inviting illegal activity;

36 (2) Arkansas lacks a clear framework to distinguish lawful game

1 fowl farms from unlawful rooster fighting operations;

2 (3) Concerns over disease outbreaks such as avian influenza and
3 Virulent Newcastle disease pose risks to Arkansas's poultry industry, which
4 is a major economic driver for the State of Arkansas;

5 (4) Game fowl farms currently operate without oversight, making
6 it difficult to ensure animal welfare, prevent illegal fighting, and protect
7 biosecurity; and

8 (5) A registration and health monitoring program will support
9 responsible game fowl breeders while protecting Arkansas's poultry industry.

10 (b) It is the intent of the General Assembly to:

11 (1) Maintain existing laws that prohibit rooster fighting;

12 (2) Establish a game fowl farm registration system under the
13 Arkansas Livestock and Poultry Commission to recognize lawful game fowl
14 breeders; and

15 (3) Implement mandatory disease testing requirements every two
16 (2) years to protect public health and safeguard Arkansas's poultry industry.

17
18 SECTION 3. Arkansas Code Title 2, Subtitle 3, is amended to add an
19 additional chapter to read as follows:

20 Chapter 41 – Game Fowl Farm Registration and Preservation Act

20
21 SECTION 4. Arkansas Code § 5-62-120(f), concerning the definition of
22 "animal fighting" with regard to unlawful animal fighting, is amended to read
23 as follows:

24 (f)(1) As used in this section, "animal fighting" means organized
25 fighting between ~~roosters or other birds or between~~ dogs, bears, or other
26 animals.

27 (2) "Animal fighting" does not include lawful game fowl breeding
28 or exhibition activities.

29
30 SECTION 5. Arkansas Code Title 5, Chapter 62, Subchapter 1, is amended
31 to add an additional section to read as follows:

32 5-62-128. Unlawful rooster fighting.

33 (a)(1) A person commits the offense of unlawful rooster fighting in
34 the first degree if he or she knowingly:

35 (A) Organizes, promotes, or profits from rooster *fighting*;
36 or

1 (B) Receives money for the admission of another person to
2 a location used for rooster fighting.

3 (2) Unlawful rooster fighting in the first degree is a Class D
4 felony.

5 (b)(1) A person commits the offense of unlawful rooster fighting in
6 the second degree if he or she knowingly:

7 (A) Pays to attend a rooster fight; or

8 (B) Participates in watching or carrying out an organized
9 rooster fight.

10 (2) Unlawful rooster fighting in the second degree is a Class A
11 misdemeanor.

12 (c) A person shall not be charged under this section solely for being
13 present near a rooster fight unless there is reasonable cause to believe that
14 the person paid to attend a rooster fight or was a knowing participant in
15 watching or carrying out an organized rooster fight.

16 (d) A rooster shall not be seized by law enforcement under this
17 section solely based on the arrest of a person for violating a provision of
18 this section unless there is clear and convincing evidence that the rooster
19 was used in rooster fighting.

20 (e) If a person is not convicted under this section, any seized
21 rooster shall be immediately returned to the owner.

22 (f) A seized rooster shall not be euthanized unless a licensed
23 veterinarian determines that the rooster is suffering from an untreatable
24 medical condition.

25
26 SECTION 6. EMERGENCY CLAUSE. It is found and determined by the
27 General Assembly of the State of Arkansas that game fowl farming is a
28 historical, cultural, and agricultural practice in this state; that there is
29 an urgent need to protect the state's poultry industry from significant risks
30 arising from potential outbreaks of diseases such as Avian influenza and
31 Virulent Newcastle disease, which pose threats to public health and economic
32 stability; that the lack of an immediate regulatory framework for game fowl
33 farming limits biosecurity measures and may inadvertently facilitate unlawful
34 rooster fighting operations; and this act is immediately necessary to ensure
35 public safety, economic protection, and the integrity of Arkansas's poultry
36 sector. Therefore, an emergency is declared to exist, and this act being

1 immediately necessary for the preservation of the public peace, health, and
2 safety shall become effective on:

3 (1) The date of its approval by the Governor;

4 (2) If the bill is neither approved nor vetoed by the Governor,
5 the expiration of the period of time during which the Governor may veto the
6 bill; or

7 (3) If the bill is vetoed by the Governor and the veto is
8 overridden, the date the last house overrides the veto.
