Subtitle

15 TO CREATE THE RECIDIVISM REDUCTION
16 SYSTEM WITHIN THE DEPARTMENT OF
17 CORRECTIONS; AND TO DECLARE AN
18 EMERGENCY.
19

20 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:
21

22 SECTION 1. Arkansas Code Title 12, Chapter 29, is amended to add an
23 additional subchapter to read as follows:

24 Subchapter 9. – Recidivism Reduction System
25

26 12-29-901. Legislative findings and intent.

27 (a) The General Assembly finds that:

28 (1) Recidivism rates reflect not just the behavior of a person
29 after reentry into society, but the correctional system’s response to that
30 person’s behavior during his or her term of incarceration; and

31 (2) The recidivism rate for the Department of Corrections for
32 the 2019 cohort was forty-eight and three-tenths percent (48.3%), resulting
33 in anticipated costs for reincarceration of over one hundred forty million
34 dollars (\$140,000,000) annually.

35 (b) The General Assembly intends for the Department of Corrections to:

36 (1) Harness the opportunity of incarceration by beginning

1 reentry preparation for those incarcerated upon the first day of
 2 incarceration through the development and expansion of coordinated evidence-
 3 based programming, educational systems, and reentry services that support
 4 intended outcomes of incarceration, avert the costs of recidivism, and
 5 enhance public safety; and

6 (2) Embrace a correctional philosophy that reentry preparation
 7 must begin on the first day of incarceration and adopt policies and rules
 8 that result in reduction of the recidivism rate of people released from the
 9 Division of Correction and under the supervision of the Division of Community
 10 Correction.

11
 12 12-29-902. Definitions.

13 As used in this subchapter:

14 (1) "Case plan" means an individualized plan developed by the
 15 Department of Corrections that identifies the available programs or
 16 meaningful activities that address the needs of an inmate and reduce an
 17 inmate's risk of recidivism;

18 (2) "Program or meaningful activity" means an evidence-based activity
 19 provided to an inmate to address factors that lead to recidivism.

20 (3) "Recidivism" means a criminal act that results in the rearrest,
 21 reconviction, or return to incarceration of a person with a new sentence or
 22 the revocation of parole or post-release supervision during a three-year-
 23 period following the person's release from custody; and

24 (4) "Validated risk and needs assessment" means a standardized
 25 evaluation process that quantifies an inmate's risk of recidivism.

26

28 (a)(1) There is established the Recidivism Reduction System within the
 29 Department of Corrections.

 31 than within the Division of the Correction or Division of Community
 32 Corrections to address the factors that lead to recidivism.

33 (b) The Secretary of the Department of Corrections shall develop and
 34 implement the system so that the system:

35 (1) Includes a validated risk and needs assessment to be
 36 administered as part of the intake process, ensuring that the results

1 distinguish the different rates of failure;

2 (2) Assigns an inmate to appropriate programs or meaningful
3 activities, through development of an individualized case plan;

4 (3) Provides for periodic reassessment of the recidivism risk of
5 each inmate using an appropriate reassessment tool;

6 (4) Provides evidence-based programming; and

7 (5) Incorporates incentives and disincentives to encourage an
8 inmate to participate in his or her case plan.

9 (c) The secretary may:

10 (1) Add components to the system beyond those required by this
11 subchapter to further enhance the system and achieve the desired correctional
12 outcomes; and

20 time of intake for each inmate.

21 (b)(1) A case plan shall be developed for each inmate based on the

26 (A) Serve as an individual road map tailored to an
27 inmate's specific risks, needs, and time to serve including assigned programs

30 appropriate services for his or her needs that are delivered with the

32 and

33 (C) Be updated after a reassessment under subsection (c)
34 of this section to reassign the inmate to appropriate programs or meaningful
35 activities based on the revised determination, the specific needs of the

20 programs or meaningful activities the inmate will be assigned.

22 throughout the inmate's entire term of incarceration.

23 (d) The department shall produce, publish, and update annually a
