WHEREAS, homeschooling offers opportunities for students to learn entrepreneurship and often to begin working on their own small businesses; and

WHEREAS, homeschooling emphasizes family as a foundation for social development and development of faith; and

WHEREAS, homeschooling is accommodating to special situations and works well for military families, families who travel, and families contending with illness and challenging work schedules; and

WHEREAS, homeschooling parents are able to value an individual student's potential and focus on this individual potential instead of minimum standards and standardized testing, and these parents are allowed to shape homeschooling so that learning for the students can be reactive to new methods and new concepts regarding positive child development; and

WHEREAS, homeschooling provides for a focus on life skills that students can use as they progress into adulthood as homeschooling allows students to dedicate time to learning anything from cooking to budgeting,

NOW THEREFORE,

BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FIFTH GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:

THAT the House of Representatives recognize February 26, 2025, as Homeschool Day at the State Capitol.
