4 begin formal art study until college; and

5

6 WHEREAS, Kevin Kresse said that after a career in advertising,

8 painting at the Arkansas Arts Center. I sat in on figure sculpting classes,
9 doing clay work . . . I went back to UALR and learned bronze casting with
10 Michael Warrick. But honestly, both painting and sculpting, I learned in the
11 studio through trial and error"; and

34 qualities of humbleness and soulfulness into the piece as well . . .
35 Sculpting Johnny Cash for the U.S. Capitol is such an incredible honor . . .
36 I felt quite a bit of a responsibility to kind of represent Arkansas and say

1 there's world class art that's produced here"; and

2
3 WHEREAS, Johnny Cash's daughter Rosanne Cash said of Kevin Kresse's
4 sculpture of her father, "I was not expecting to feel as moved as I was and
5 to see how much truth and intensity is in this work. It's uncanny how he
