20 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:
21

22 SECTION 1. Arkansas Code § 11-9-514(a), concerning medical services
23 and supplies and a change of physician under the Workers' Compensation Law,
24 is amended to read as follows:

25 (a)(1) If the employee selects a physician, the Workers' Compensation
26 Commission shall not authorize a change of physician unless the employee
27 first establishes to the satisfaction of the commission that there is a
28 compelling reason or circumstance justifying a change.

29 (2)(A)(i) If the employer selects a physician to encourage
30 continuity of care and improved outcomes, the claimant may petition the
31 commission one (1) time only for a change of physician, and if the commission
32 approves the change with or without a hearing, the commission shall determine
33 the second physician and shall not be bound by recommendations of claimant or
34 respondent.

35 (ii) A physician may make appropriate referrals to
36 relevant specialists for necessary medical treatment.

1 (iii) In addition to a change to the regular
2 physician under subdivision (a)(2)(A)(i) of this section, no more than once
3 per year, the injured employee has the right to petition the commission for a
4 change of physician to:

5 (a) Another physician who is associated with a
6 managed care entity certified by the commission or otherwise agrees to the
7 commission rules and fee schedule; and

8 (b) An appropriate specialist who is
9 associated with a managed care entity certified by the commission or
10 otherwise agrees to the commission rules and fee schedule.

11 (iv) This subdivision (a)(2)(A) recognizes that an
12 injured employee may require treatment from multiple specialists and an
13 injured worker may obtain one (1) change of a specialist per year for each
14 relevant specialty.

15 (B) However, if the change desired by the claimant is to a
16 chiropractic physician, optometrist, or podiatrist, the claimant may make the
17 change by giving advance written notification to the employer or carrier.

18 ~~(3) Following establishment of an Arkansas managed care system~~
